VIDEO RECORDED DEPOSITION OF BRUCE JOHNSON

DATE: January 25, 2018, at 9:22 a.m.

PLACE: Benchmark Reporting Agency
222 South Ninth Street
Suite 450
Minneapolis, Minnesota 95814

REPORTER: Cara Nasi-Pinardi, RPR

- - -

1 their final settlement. The standard rule is no more than
2 50 percent of the total amount due can be advanced to be a
3 T-Check.

4 Q All right. Is there a cost to the carrier, some kind
5 of a service charge or percentage for using T-Check Advance?

6 A Yes.

7 Q What is the cost?

8 A And on that question it's changed over time. So if
9 we're talking about at the time of this shipment --

10 Q Yes, please.

11 A I believe it was \$15 for an advance.

12 Q You cut out a little. You said 15?

13 A Yeah, 1-5.

14 Q Okay. What has it changed to now?

15 A I believe it's either \$15 or 3 percent of the total,
16 whichever is greater.

17 Q I see. Okay. Thank you. Let's see. I've got the
18 bill of lading documents. It sounds like I should ask Mr.
19 Erickson about that. Let me move into -- there are a lot of
20 questions I have that look like they do go to Mr. Erickson.
21 Let me move to some of the general, the C.H. Robinson
22 carrier sign-up form. Before I pull that up, in general,
23 what does C.H. Robinson look for in a carrier that it enters
24 into agreement with?

1 A Prior to entering the contract we would have some
2 requirements of the motor carrier, one, that they are
3 federally licensed with the Federal Motor Carrier Safety
4 Administration. We'd require that the motor carrier send us
5 a hard copy of that document. It's typically referred to as
6 having their MC number, their motor carrier number on it
7 issued by the FMCSA. We would receive that document, and we
8 would also verify the validity of that document via FMCSA
9 websites.

10 We would require the motor carriers or their insurance
11 agent to provide us a certificate of insurance with some
12 standard minimums, \$25,000 cargo, \$750,000 auto liability.
13 With that document as well, we would verify the auto
14 liability, which is verifiable via FMCSA website. We would
15 also check a motor carrier safety rating to ensure that they
16 were -- as a newly signing up carrier with Robinson to
17 ensure that they did not have an unsatisfactory or
18 conditional rating.

19 We would also use the contract signer name and company
20 name to be vetted against a government list from the Office
21 of Foreign Assets Control. Basically it's -- I think it's
22 layman's terms known as a terrorist watch list to make sure
23 that the carrier or its contract signer is not on that list.
24 And at that point we would then make the contract available

1 to the motor carrier for execution with Robinson.

2 Q Why does C.H. Robinson look for carriers that are
3 satisfactory or unrated versus just carriers that are
4 satisfactory?

5 A Unrated carriers are a large percentage of the carrier
6 base in the United States. I think it's about 80 percent of
7 all motor carriers are unrated. So for one, it's how the
8 industry operates I guess. People have to use unrated motor
9 carriers whether it's shippers or other brokers. It's
10 widely done. I think everyone within the industry uses
11 unrated motor carriers because there are so many of them.

12 Also, the way the FMCSA system is set up with some of
13 their data collection, they're prioritizing carriers to go
14 and do an audit on, so they use their data to prioritize
15 that if they see that there is potential problems, so
16 carriers that are unrated have not come to the point where
17 the FMCSA has decided they have to go based on the data and
18 have a performance audit.

19 Q You mentioned that using an unrated carrier is standard
20 in the industry. I'm familiar with some logistics providers
21 who when it comes to an unrated carrier will have additional
22 criteria such as they have to have been in existence for one
23 year or five years or have gone through a safety audit or
24 something like that. So I guess the question to you is,

1 does C.H. Robinson have -- if there is an unrated carrier,
2 are there any additional steps that C.H. Robinson or
3 additional information that's requested beyond what you'd
4 look at for a satisfactory carrier?

5 A There is nothing additional that we would do, no.

6 Q Are you familiar with the term chameleon carrier?

7 A I have heard that, yes.

8 Q My understanding of it is it's usually an individual
9 that has a company, a motor carrier, it gets closed down
10 usually because of violations and then starts up under
11 another name just to kind of reset its authority without
12 taking care of business for the previous company. Is that
13 your general understanding?

14 A Yes, that would be my understanding.

15 Q Sometimes called a reincarnated carrier. What does
16 C.H. Robinson do to I guess, if anything, to identify
17 chameleon carriers? And if you do identify one, what do you
18 do about it?

19 A Yeah. So what our system does as a new carrier is
20 being -- the information is being input on a new carrier, it
21 does some checks around address matches, telephone matches,
22 and I believe contract signer matches to look for previous
23 identities with that exact same information. And if we were
24 to get a match, then there would be some investigation

1 that's done as to why the motor carrier maybe that had that
2 previous information was no longer doing -- sometimes maybe
3 that there is a motor carrier that uses same addresses, that
4 happens. But there would be some type of investigation
5 within our carrier services group as to the entities that
6 came up as a match as far as to what you're saying, did they
7 shut down for safety reasons, did the FMCSA take their
8 authority away, things like that. And if we found a match
9 that had one of those types of issues, then they would not
10 be allowed to be activated in the Robinson system.

11 Q All right. Do you know -- and this might be a question
12 for somebody else. I've received many documents that show
13 C.H. Robinson's relationship with RT Service. Do you know
14 if C.H. Robinson ever had a relationship or contracted with
15 Rheas, R-H-E-A-S, Rheas Transportation?

16 A I think the only place I've seen that name is through
17 some of the documents here, so I'm not specifically sure
18 what that relationship with Robinson was.

19 Q If you wanted to be sure of that, to check if there was
20 ever any relationship with Rheas, how would you go about
21 that? Would that be through Navisphere?

22 A It would be -- it would be in the Navisphere system,
23 yes.

24 Q Looking at -- let me see. Let me share this. I'm

1 only one I could think of. So, yeah, we have an April 5th
2 certificate, C.H. Robinson, and then we move into Masics
3 (phonetic) Registry Monitoring, so sometime in between
4 there. Why the change?

5 A They have some pretty good online tools that we would
6 have needed to build ourselves so we decided -- it's kind of
7 buy versus build discussions, and they had a pretty good
8 reputation. We had some good I think feedback from some
9 other folks. They have some large customers in our space,
10 and we decided that it was worth it rather than to build a
11 online carrier vetting process or online sign-up process
12 that we would go with that organization.

13 Q So were they doing more than just monitoring the
14 insurance certificates? They were actually -- were they
15 doing more than that?

16 A Today they make our carrier agreement available online
17 for the motor carriers.

18 Q I guess what I'm trying to understand is, have you
19 contracted with them to deal with all of the carrier -- like
20 do all the initial intake and agreements with the new
21 carrier?

22 A Basically, yes. I mean, there's still -- there's still
23 I guess back end vetting from our side and we're not 100
24 percent automated, whereas anything that they would put in

1 their system flows directly into ours, but we use their
2 ability to make the contracts available online, attain the
3 insurance certificates and things like that, so, yes.

4 Q What about the -- like we had just talked about
5 checking, you know, comparing the address on the insurance
6 certificate versus what's on the government website? As of,
7 you know, May of 2016, was Registry Monitoring doing that or
8 was C.H. Robinson still doing that?

9 A We're doing that still.

10 Q Okay. All right. I guess let's go back and pause
11 this. All right. So we have -- we have an insurance
12 certificate Bates stamped 92. These are all -- Bates stamps
13 part of Exhibit 17. So an insurance certificate that's
14 January 2016, that's one. Go back to that. 92 is
15 January 5th. But then Bates stamp 94 on January 9th,
16 there's another one. I can blow these up or we can look at
17 them, but I don't know based on your review when getting
18 ready for this case, do you have any idea -- maybe this is
19 for another person -- why two different certificates, one on
20 January 5th and then one four days later?

21 A I haven't looked at those close enough to know why.

22 Q I'm trying to look real quick and see if I can figure
23 that out. Williamsburg National, Williamsburg National,
24 same policies.

1 Q All right. I think that brings us to -- let me see if
2 I can find the documents. There was some kind of a file
3 that was in depth. It looked like instructing C.H. Robinson
4 employees how to input information into Navisphere and how
5 to do conflict checks and verifications so let me pull that
6 up. Do you know what I'm talking about?

7 A Yeah, it's probably referred to as an SOP I think of
8 some part of the carrier services job role.

9 Q Okay. SOP, what does that stand for?

10 A Standard operating procedure.

11 Q Got it. Okay. All right. And it looks like to me
12 that's in Bates stamp 260. I just need to find that. Here
13 we go.

14 MR. LEIZERMAN: So, Mike, you sent a 136
15 page document that looks like it's Robinson Bates
16 stamp 182 to 317. Right now I think the best
17 thing to do and tell me if you want to do
18 something different, but my thought is I want to
19 look at the carrier setup MDM SOP which is Bates
20 stamp Robinson 260 to 282. And my thought is to
21 go through those and then create a new exhibit
22 because we haven't referred to those before as
23 Exhibit 23, and then I can email that to the court
24 reporter with the understanding that we know

1 FMCSA information like autopopulated into their proprietary
2 system. So I'm wondering, is that what happens here, or is
3 someone actually doing a manual check?

4 A At this point we were doing a manual check through our
5 MIS. I still think we have to manually do this part, and
6 then we do have an ongoing -- so once the carrier is in the
7 system, then we have had a connectivity with TransCore and
8 at the time of this incident we would have been connected
9 with TransCore, where they would have sent us FMCSA
10 information on a daily basis on our carrier base, and it
11 would have populated certain fields with FMCSA data on a
12 daily basis. So, for instance, if an auto liability -- if
13 the government recognized that an auto liability policy had
14 been canceled or was no longer in effect, we would get that
15 information on a daily basis from TransCore, and it would
16 change our system to deactivate the carrier. So there's
17 certain things that do get changed and certain things that
18 do not.

19 Q And back at the time of this crash was the rating, you
20 know, a non-satisfactory conditional, was that updated
21 automatically?

22 A I know it was checked daily. I can't tell you for sure
23 at that time whether it was updated or not.

24 Q As we sit here today, is that automatic?

1 we capture in the system. So CARB is the California air
2 program. CTPAT is the crossing the borders between Mexico
3 and the US or Canada/US. SmartWay is an EPA program. It's
4 just information that's valuable for Robinson to know about
5 the motor carriers.

6 Q Got it. Is part of that to make sure that the -- are
7 these voluntary things, or is some of it for compliance, you
8 know, if you have a California load and they require CARB
9 that you want to try to make sure that the loads are in
10 compliance?

11 A Yeah, specifically CARB is a compliance item within
12 California. CTPAT is not necessary. Some customers ask us
13 that the carriers be CTPAT certified. SmartWay is non --
14 not a compliant -- or not a requirement. And NPTC is just
15 that they are a member of the National Private Truck Council
16 so that we're able to identify them as a private fleet.

17 Q Okay. Thank you. This could be a question for
18 somebody else. But do you know if Ronel Singh still drives
19 any loads that are arranged for by C.H. Robinson?

20 A I would not know that, whether he is a driver for any
21 of our carrier entities. We don't specifically track driver
22 information. Motor carriers do.

23 Q Do you know if RT Service is still under a carrier
24 agreement, an active carrier agreement with C.H. Robinson?

1 me?

2 THE WITNESS: Yeah, it's always
3 abbreviated. It's L-O-G-I-P-T-S.

4 BY MR. LEIZERMAN:

5 Q While I'm looking for it, what is LOGIPTS and what does
6 it track?

7 A It tracks a carrier's service record on C.H. Robinson
8 shipments, on time pickup, on time delivery, what we call
9 bounce rate, meaning that they accepted a shipment and later
10 for whatever reason were unable to move that shipment, and I
11 believe something called driver problems I think is how it's
12 listed. So if maybe a driver is being difficult at a
13 shipping or a receiving location, that would be noted in
14 that area.

15 Q How does that work if a -- I want to say a customer but
16 it's really a receiver. I guess the receiver could be a
17 customer or not. But if there is a complaint whether it's
18 from a shipper or a receiver about a driver or a carrier
19 that's brought to C.H. Robinson's attention, what happens?

20 A It would depend I guess on what the situation was.
21 Oftentimes that's noted in an individual shipment as an
22 event that others could see. If an office thought that
23 there was, you know, problems enough with that motor carrier
24 that Robinson wouldn't want to do business with them

1 anymore, then they could either fill out a form that would
2 be directed to that carrier services group we spoke about
3 earlier or they could call the carrier services group.

4 Q And does C.H. Robinson ever follow up on that or does
5 it just -- so I would imagine that there could be anything
6 from some kind of a certain complaint, someone didn't like,
7 you know, the way someone looked or something, I don't know,
8 what they were wearing, you know, all the way up to this
9 person showed up and was clearly drunk and drove away drunk
10 in the truck. So I imagine there's sometimes when you --
11 are there times when you would just say don't dispatch, like
12 they don't like the color of this guy's shirt, it's
13 ridiculous, but we want to make the customer happy, maybe
14 just indicate don't put them on this lane anymore to maybe
15 an extreme where you actually get a complaint and stop your
16 motor carrier agreement with somebody based on it? It's a
17 bad question. But is there a range of responses? How does
18 that work?

19 A Yeah, we have system controls where we could do, I
20 think as you originally were kind of talking about, where we
21 can block a carrier from doing a specific customer's loads
22 if it just seems to be an issue between that customer and
23 that motor carrier up to where, yes, we have something
24 called DNU, the do not use status, where once a carrier

1 would be put in that, they could not be used by anybody
2 within the network.

3 Q I want to turn our attention to C.H. Robinson's
4 contract with Costco. I don't believe this was made an
5 exhibit before so let's see here. I'm going to pull up on
6 the screen what was provided by your lawyers as the
7 transportation service provider agreement. I'm going to
8 mark this as Exhibit 24 which will be a six page exhibit --
9 I think I just said this, I can't remember -- comprised of
10 Bates stamp 176 to 181. So I'll mark that as Exhibit 24 and
11 send that to the court reporter.

12 (EXHIBIT 24 MARKED FOR IDENTIFICATION.)

13 BY MR. LEIZERMAN:

14 Q All right. So in general this -- I think I know. It's
15 obvious. But this is a contract between Costco Wholesale
16 and C.H. Robinson, correct?

17 A Correct.

18 Q What's the purpose of having this agreement?

19 A Sometimes customers would like to, just like Robinson
20 does with the motor carriers, would like to kind of spell
21 out the general rules of engagement between Robinson and the
22 shipper/customer.

23 Q Yeah. All right. On page -- the second page of
24 Exhibit 24, Bates stamped 177, let me get to it. It says

1 STATE OF MINNESOTA
2 COUNTY OF WASHINGTON

CERTIFICATE

3
4 I, CARA NASI-PINARDI, HEREBY CERTIFY
5 THAT I REPORTED THE DEPOSITION OF BRUCE JOHNSON
6 ON THE 25TH DAY OF JANUARY, 2018, IN
7 MINNEAPOLIS, MINNESOTA, AND THAT THE WITNESS WAS
8 BY ME FIRST DULY SWORN TO TELL THE TRUTH AND
9 NOTHING BUT THE TRUTH CONCERNING THE MATTER IN
10 CONTROVERSY AFORESAID;

11 THAT I WAS THEN AND THERE A NOTARY
12 PUBLIC IN AND FOR THE COUNTY OF WASHINGTON,
13 STATE OF MINNESOTA; THAT BY VIRTUE THEREOF I WAS
14 DULY AUTHORIZED TO ADMINISTER AN OATH;

15 THAT THE FOREGOING TRANSCRIPT IS A
16 TRUE AND CORRECT TRANSCRIPT OF MY STENOGRAPHIC
17 NOTES IN SAID MATTER, TRANSCRIBED UNDER MY
18 DIRECTION AND CONTROL;

19 THAT THE COST OF THE ORIGINAL HAS BEEN
20 CHARGED TO THE PARTY WHO NOTICED THE DEPOSITION
21 AND THAT ALL PARTIES WHO ORDERED COPIES HAVE
22 BEEN CHARGED AT THE SAME RATE FOR SUCH COPIES;

23 THAT THE READING AND SIGNING OF THE
24 DEPOSITION WAS NOT WAIVED;

25 THAT I AM NOT RELATED TO ANY OF THE
PARTIES HERETO, NOR INTERESTED IN THE OUTCOME OF
THE ACTION AND HAVE NO CONTRACT WITH ANY
PARTIES, ATTORNEYS OR PERSONS WITH AN INTEREST
IN THE ACTION THAT HAS A SUBSTANTIAL TENDENCY TO
AFFECT MY IMPARTIALITY;

WITNESS MY HAND AND SEAL THIS 31ST DAY
OF JANUARY, 2018.

Cara M. Nasi-Pinardi

RMIS Setup SOP

Excel Work Tool Link

Contents

Logging into RMIS System	2
Creating New T-number	2
X-Status Carriers	20
Rejected Setup	32
Equipment Entry	33
Creating Rollup ID	34

Logging into RMIS System

1. Enter www.chrcarriers.com into the address bar of internet explorer.
2. Click on "Client Login".
3. Enter your User Name and Password.

Creating New T-number

****Any RMIS system issues/questions can be directed to BECKCOL and BOESMIK, please include screenshots whenever possible****

1. Pull up the "General Information" section on the Carrier Status page of the RMIS system.

 + GENERAL INFORMATION

2. Go to the "Party Homepage" screen within Navisphere.
 - a. Search the MC/DOT numbers in Navisphere by changing the "Type" on the Navisphere homepage to "Carrier" and hitting your F2 in the "Code" box.
 - i. If carrier is Intrastate or Intra Canada and does not have an MC or US DOT number, search carrier address.
 - b. On this search screen, unclick the "Current" checkbox in the "Status" field and search by MC/DOT# (search both numbers if you have them, and one at a time)
 - c. Make sure that you hit the "search" button for Navisphere to run its search (it will not search if you hit tab, or enter)
 - d. If carrier comes up with a match in Navisphere, you will see a list of any matches at the bottom of your F2 search screen, and you will select the appropriate carrier, and select "open" to proceed. (Note: you can also double click on any displayed results to open that file)
 - i. If the carrier status is "X", see [X-Status Carriers](#)
3. If a T-number has not been created yet, close the Party Search screen and click on the "New" button on the "Party Homepage".
4. Once the new T-number is pulled up, go to the RMIS system and open the "DOT Information" section.

 + DOT INFORMATION

- a. If there is no information populated in the "DOT Information" section but the carrier has an active MC or US Dot number, please use SAFER and L&I websites to enter current carrier name.

- i. L&I: http://li-public.fmcsa.dot.gov/LIVIEW/pkg_carrquery.prc_carrlist
- ii. SAFER : <http://safer.fmcsa.dot.gov/CompanySnapshot.aspx>

- b. If carrier is Intrastate or Intra Canada and does not have an MC or US DOT number, pull up the "Documents" section of the RMIS system.

— DOCUMENTS

- c. Click on Intrastate or Intra Canada operating authority.

5. Add the carrier's legal name from the "DOT Licensing and Insurance" section into the Navisphere "Profile" tab.

- a. If carrier is Intrastate or Intra Canada and does not have an MC or US DOT number, add the carrier's legal name from Intrastate or Intra Canada operating authority into the Navisphere "Profile" tab.

6. Add the carrier's DBA name from the "DOT Licensing and Insurance" section into the Navisphere "Address" tab.

- a. If carrier is Intrastate or Intra Canada and does not have an MC or US DOT number, add the carrier's DBA name from Intrastate or Intra Canada operating authority into the Navisphere "Address" tab.

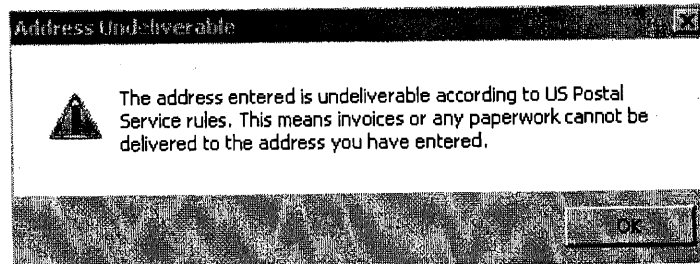

7. Pull up the

"Additional Fields" section of the RMIS system.

— ADDITIONAL FIELDS

8. Add the carrier's mailing address information from the "Additional Fields" section of the RMIS system into the Navisphere "Address" tab as the "Physical" address.

- a. If you received the following warning message, please review the address information that has been entered.

- b. If the system finds any duplicate names/addresses that already exist within Navisphere, it will open the following screen

c.

Potential duplicate record found?

Instructions:
Please view the information in the grid below. Double-click a row to view the details of that party.
If you wish to be a part of the record identified below, click the **Code** button and then click out of the window of the party, otherwise, click the **Close** button and continue with the next party.
Enter the Carrier's ID and the DOT Number in order to complete the Duplicate Check process.

Carrier Code: US DOT Number: Submit

Party Code	Name	City	State	Zip	Address	City	State	Postal Code
1252501	B Trucking				9548 Victoria Dr...	PORT Smith	Ala	35504

i

cate is found for the same carrier you are working on, you will be able to select the already existing file shown to continue, and you will cancel the ID you started.

- d. If a duplicate shows up for other carriers, the "similar information" will be highlighted in BOLD. After you have reviewed the BOLD info, and determine there is enough evidence that leads us to have to determine the relationship - You will double click on each appropriate T# to open a new tab for that ID.
- i. Verify if the setup needs to be rejected.
 1. If the potential duplicate ID has a conditional or unsatisfactory safety rating, see Rejected Setup
 2. If the potential duplicate ID is DNU for service issues, see Rejected Setup
 - ii. If setup is not rejected, call carrier to verify relationship.
 1. If they are under the same ownership, a corporate ID will need to be created (the corporate roll up T-Number is the "Family" ID) to link the IDs together (each carrier T-number is a "Parent" ID under the corporate ID). No additional notes needed in this scenario Creating Rollup ID
 2. If they are owned separately, add notes to each T-Number as far as what the outcome is (ex: John is the owner of T1234, his brother owns T5678, and they operate out of the same office.)
- e. If no duplicate is found, select "continue" at the bottom of that screen and continue to next step.

- f. Verify if the mailing address is different than the location address (where the company is located). The location address can be found in the “General Information” section of the RMIS system.

+ GENERAL INFORMATION

- i. Any additional addresses added in Navisphere (besides the main physical address) will need to be manually searched for duplicates. You will do that by going back to your home page, and selecting the F2 search window to search for any duplicates.
- ii. Add the carrier’s location address information from the “General Information” section of the RMIS system into the Navisphere “Address” tab as the “Location” address.
- iii. If the carrier provides a PO Box address and a street address located in the same city/state and zip code, please do not put them both as the physical address, always add the PO Box as the “physical” address and the street address as the “location” address.

9. Go to the “Contacts” tab within Navisphere.

10. Enter “General Contact” as the ‘Primary Contact’ name.

11. Enter “Company Main” for the department.

12. Pull up the “Carrier Contacts” section of the RMIS system.

- CARRIER CONTACTS

13. Add the phone number of the “Corporate Contact” from the “Carrier Contacts” section of the RMIS system into Navisphere for the “General Contact”.

- a. A duplicate check process will run to look for parties that may have the same contact listing.

Duplicate Contacts Found
Duplicate contacts found - Please select contact to use. (Expand duplicate contacts to see related parties)

OK Cancel

the setup needs to be rejected.

1. If the potential duplicate ID has a conditional or unsatisfactory safety rating, see Rejected Setup
 2. If the potential duplicate ID is DNU for service issues, see Rejected Setup
- ii. If setup is not rejected, call carrier to verify relationship.
1. If they are under the same ownership, a corporate ID will need to be created (the corporate roll up T-Number is the "Family" ID) to link the IDs together (each carrier T-number is a "Parent" ID under the corporate ID). No additional notes needed in this scenario Creating Rollup ID
 2. If they are owned separately, add notes to each T-Number as far as what the outcome is (ex: John is the owner of T1234, his brother owns T5678, and they operate out of the same office.)
- b. Verify if the contacts are the same contact to determine if they need to be linked.
- i. The name and phone number all need to match to be able to link any given contact with any duplicates that come up in this search.
 - ii. If there are multiple ID's that share the exact contact name or phone number, you will still need to research this relationship, even if you don't link your contact with the other ID's.
14. Add the fax number of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system into Navisphere for the "General Contact".
- a. Under the "Modes & Additional Contact Methods" tab, select "Fax" under the

T

Type	Primary For Type	Dialing Code	Detail	Ext	Description
Phone	<input checked="" type="checkbox"/>	1	(612) 221-0864		

down menu.

15. Add the email address of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system into Navisphere for the "General Contact".
16. Add the name of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system into Navisphere as a new contact.
 - a. Department should be listed as "Approved Contract Signer"
 - b. Find title of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system and choose that title from the "Position" drop down menu.
 - c. If available, add the cell phone number of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system into Navisphere for the "Corporate Contact".
17. If an "Accounting Contact" has been listed by the carrier in the "Carrier Contacts" section of the RMIS system, create new contact line in Navisphere using the name listed in the "Carrier Contacts" section of the RMIS system.
 - i. Department should be listed as "Transmit billing error to carrier".
 - ii. Position should be listed as "Billing".
 - iii. Enter all information provided from the "Carrier Contacts" section of the RMIS system into Navisphere for this contact.
18. Open the "Operations" tab within Navisphere.
19. Add the email address of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system into the "Book Communication & Defaults" tab in Navisphere.
20. Save record in Navisphere by selecting "Save" at the bottom right of your screen or hit F9.
21. Open the "Qualification > Status & Authority" tab within Navisphere.
22. Change the "Carrier Status" to "Pending".
 - a. If carrier is intrastate and has a US DOT number, add FMCSA Safety Rating from the "DOT Information" section of RMIS system into Navisphere.
23. Add "Business Type".
 - a. "TL – TL Carrier" for a carrier with an MC authority.
 - b. "IS – Intrastate" for a carrier with only a US DOT number or state authority.
 - c. "CAN_INTRA – Canada Intra" for a carrier with only a Provincial authority.
24. Click on the "Dup Check" button.
 - a. If carrier is Intrastate or Intra Canada and does not have an MC or US DOT number, Skip to step 29a.
25. Add the MC Number from the "General Information" section of the RMIS system into Navisphere.
26. Add the US DOT Number from the "General Information" section of the RMIS system into Navisphere.
27. Click "Submit".

- a. Any common information that is found will be displayed in bold.

The screenshot shows a web application window titled "Duplicate Check". At the top, there is a section for "Instructions" with the text: "Enter the Carrier's MC number and DOT number in order to complete the Duplicate Check process." Below this, there are two input fields: "MC Number" with the value "750336" and "US DOT Number" with the value "2157434". To the right of these fields is a "Submit" button. Below the input fields is a table with the following columns: PartyCode, Name, CNA, Phone, Fax, Address, City, State, and PostalCode. The table contains one row of data: PartyCode "75077427", Name "E B W Transport...", CNA, Phone, Fax, Address "PO Box 422335", City "Kennesaw", State "GA", and PostalCode "30144-2335".

v

view what is "Common" by what is BOLD and make sure it is a duplicate (i.e. just because it share the same city/state does not mean it's a duplicate). If it is a potential duplicate, you can double click each T# to open a new tab for that ID.

1. Verify if the setup needs to be rejected.

- a. If the potential duplicate ID has a conditional or unsatisfactory safety rating, see Rejected Setup
- b. If the potential duplicate ID is DNU for service issues, see Rejected Setup

2. If setup is not rejected, call carrier to verify relationship.

- a. If they are under the same ownership, a corporate ID will need to be created (the corporate roll up T-Number is the "Family" ID) to link the IDs together (each carrier T-number is a "Parent" ID under the corporate ID). No additional notes needed in this scenario. Creating Rollup ID
- b. If they are owned separately, add notes to each T-Number as far as what the outcome is (ex: John is the owner of T1234, his brother owns T5678, and they operate out of the same office.)

28. Close the "Dup Check" screen.

29. Under the "Authority Summary" section in Navisphere, select "Intrastate" from the "Type" dropdown menu for the US DOT number.

- a. If carrier is Intrastate or Intra Canada and does not have an MC or US DOT number, add the following for the authority summary:
 - i. "Other" for the authority.
 - ii. "Intrastate" or "CAN_Intra" for the "Type".
 - iii. "Active" for the status.

30. Select "Active" for status of the US DOT number.

31. Click on "Verification" button.

ata with data entered into Navisphere.

- i. Legal name, DBA name, MC number and US DOT number should all match exactly.
- b. Verify OFAC Check says "No"
 - i. If "Yes", please send email to BECKCOL to verify match.
- c. Make sure to manually check a carrier's DOT information if there is missing data in the Safer Check section of this Verification window, or if you notice the letters "MC" preceding the MC number at the top of that screen as well (see screen shot above). This is an indicator that the MC is or was inactive, and we should be manually checking this using the Safer Website link at the bottom of this screen. (You may need to manually update the DOT Safety rating after completing this manual check.)
- d. Click on "Review Complete" button.

32. Pull up the "Certificate Info" section of the RMIS system.

+ CERTIFICATE INFO

33. Click on "View Certificate Image"

- a. If the certificate lists an address that has a PO Box/Physical address with the same city/state as Navisphere add the address from the certificate as an "Alternate" address.

34. Open the "Qualification > Insurance" tab within Navisphere.

- a. Select "New Insurance" button.
- b. Type in "A" in the "Insurance Type" box (this brings up auto liability)

****Auto liability note: RMIS verifies policy number with FMCSA, do not need to match underwriter's name with FMCSA on new setups****

- c. Enter the agent's name from the certificate into "Agent Code" box and select matching agency.
 - i. If agency is not found, take a screenshot of the agency information and email to BLUEJEN (between 7AM and 1PM) or EVERKEL (between 1PM and 5:30PM) and continue with insurance steps.
 1. Once email is received from BLUEJEN/EVERKEL, go back and enter new I-Code for agency.
- d. Search Underwriter on I-Code list and enter code into "Underwriter Code" box.
- e. Enter Policy Number.
- f. Enter Effective Date.
- g. Enter Expiration Date.
- h. Check Binder box as needed.
- i. Enter limit using dropdown box whenever possible.
 - i. If the limit is not available using the dropdown box, type limit in manually.
 - ii. Enter Auto Policy limit per FMCSA if lower than limit on certificate.
 - iii. Maximum Cargo limit entered is \$500,000 U.S Funds or \$750,000 Canadian Funds.
 - iv. Canadian Certificates are entered using Canadian Funds
 1. Interstate
 - a. Enter Auto Policy per FMCSA in U.S. Funds, other policies in Canadian funds.
 - b. Combined Single Limit (CSL)/Maximum Limit
 - i. auto limit should match what the carrier has filed with the FMCSA, the remainder of the limit will be entered in general liability.

Example: \$2,000,000 Canadian Funds as CSL on certificate;
\$1,000,000 U.S. filed with FMCSA

Step 1: convert CSL to U.S. funds
 $\$2,000,000 * 0.75 = \$1,500,000$ U.S funds

Step 2: subtract limit from FMCSA
 $\$1,500,000$ U.S. funds – $\$1,000,000$ U.S. funds =
 $\$500,000$ U.S. funds

Step 3: Enter auto per FMCSA and general gets remainder
Auto gets $\$1,000,000$ U.S. funds and general gets
 $\$500,000$ U.S. Funds

2. Intra Canada

- a. All policies entered in Canadian Funds
 - b. Combined Single Limit (CSL)/Maximum Limit
 - i. one half of the limit or the first \$1,000,000 Canadian funds (whichever is greater) should be put in auto to meet minimum auto limit, remainder goes to general liability.
- j. Enter Deductible.
 - i. All Perils – Canadian Certificates
 - 1. Enter deductible into all policies listed on certificate
 - 2. Convert to U.S. funds when necessary
 - a. \$10,000 Canadian = \$7,500 U.S.
 - b. \$5,000 Canadian = \$3,750 U.S.
 - c. \$2,500 Canadian = \$1,875 U.S.
- k. Enter any Exclusions.
- l. Enter any Endorsements.
- m. In the “Copy” box, check all policies that still need to be entered.
- n. Repeat steps “c” through “l” for each policy listed on certificate.

+ W9 INFORMATION

35. Pull up the “W9 Information” section of the RMIS system.

- a. If carrier is Intra Canada and does not have an MC or US DOT number, skip to step 37.
- b. If the TIN/SSN Certified field shows “NO”, do not enter W9 information.
 - i. This field indicates whether or not the tax id number has verified with the IRS.
- c. If carrier is Canadian based carrier with an MC number, pull up the “Documents” section of the RMIS system.

+ DOCUMENTS

- i. Click on the available W8.
 - d. If the carrier has an additional address on this form, search address for any duplicates in Navisphere and enter address as a “Legal” address in the “Address” tab of Navisphere.
36. Open the “Tax” tab in Navisphere.
- a. Select “Government Code” of “US Federal Employer ID” if an EIN is listed or “US Social Security ID” if a SSN is listed.
 - b. Add tax ID number from the “W9 Information” section of the RMIS system into Navisphere.

- c. Add tax entity from the "W9 Information" section of the RMIS system into Navisphere.
 - i. Listed as "Company Type" in RMIS system.
 - d. Select "Tax Certificate" from the "Type" dropdown menu in Navisphere.
37. Open the "Qualification > Contracts" tab in Navisphere.
- a. Select the contract from the "Contract" dropdown menu.
 - i. "T - Contract" for a carrier with an MC authority.
 - ii. "IS – Intrastate" for a carrier with only a US DOT number or state authority.
 - iii. "EC – IntraCanadian" for a carrier with only a Provincial authority.
 - b. Select the version number from the "Version #" dropdown menu.
 - i. Currently "7.4" for Interstate, Intrastate and IntraCanadian carriers.
 - c. Select "New" for the contract "Type".

 + AGREEMENT INFORMATION (MASTER)

system.

38. Pull up the
"Agreement Information
(Master)" section of the RMIS

- a. Verify carrier name on contract matches EXACTLY with authority.
 - i. Interstate carriers will need to match with L&I.
 - ii. Intrastate carriers with US DOT number will need to match with SAFER.
 - iii. Intrastate or Intra Canada that do not have an MC or US DOT number will need to match with scanned operating authority.
 - iv. If name does not match, carrier will need to be contacted to sign a new contract under the correct company name. This will be done manually within Navisphere system.
 - 1. Select "Contract on Hold" for the "Contract Status".
- b. Select "Accepted" for the "Contract Status".
- c. Add the contract date from the "Agreement Information (Master)" section of the RMIS system into Navisphere.
- d. Add the contract signee from the "Agreement Information (Master)" section of the RMIS system into Navisphere.
- e. Add the contract signee position from the "Agreement Information (Master)" section of the RMIS system into Navisphere.

 + AGREEMENT INFORMATION

39. Pull up the
"Agreement Information"
section of the RMIS system.

- a. If HazMat agreement has been signed, pull up agreement and add hazmat menu bar.
 - i. "HA – Hazmat Addendum" for the contract.
 - ii. "30.0" for the contract version.
 - iii. "New" for the contract type.
 - iv. Select "Accepted" for the "Contract Status".
 - v. Add the contract date from the "Agreement Information" section of the RMIS system into Navisphere.
 - vi. Add the contract signee from the "Agreement Information" section of the RMIS system into Navisphere.
 - vii. Verify carrier name on addendum matches EXACTLY with authority.
 1. Interstate carriers will need to match with L&I.
 2. Intrastate carriers with US DOT number will need to match with SAFER.
 3. Intrastate or Intra Canada that do not have an MC or US DOT number will need to match with scanned operating authority.
 4. If name does not match, carrier will need to be contacted to sign a new addendum under the correct company name. This will be done manually within Navisphere system.
 - a. Select "Contract on Hold" for the "Contract Status".
 - viii. Add the contract signee position from the "Agreement Information" section of the RMIS system into Navisphere.

+ CARRIER PROFILE INFORMATION

40. Pull up the "Carrier Profile Information" section of the RMIS system.

- a. If SCAC code is listed, add to the "Qualification > Status & Authority" tab in Navisphere.
- b. Add the number of Tractors to the "Operations > Equipment" tab in Navisphere.
- c. If SmartWay certificate is listed as "Yes"
 - i. Verify with the EPA SmartWay website that the carrier is currently a partner.
 1. <http://www3.epa.gov/smartway/about/partnerlists.htm>
 - a. Will need to search Legal name as well as DBA name.

Type of Partner	State/Province	Partner Name
All Partners	All States/Provinces	
Air Carrier	Alabama	
Barge Carrier	Alaska	
Logistics	Alberta	
Multi-modal	Arizona	

Search

Sort the list by selecting a column header

Partner Name	Type of Part...	City	State / Province	Country / EPA Region
1-800-Pack-Pal, LLC	Multi-modal	Wake Forest	North Carolina	4
101 Transport, Inc.	Truck Carrier	Hudson	Wisconsin	5
1262380 Ontario Limited/FF Express	Truck Carrier	Ancaster	Ontario	Canada

- me is not exact match, verify with city/state.
- ii. Open the "Operations>Specialties" tab in Navisphere and select "EPA SmartWay Partner" from the dropdown menu of the "Memberships & Certifications" section.
 1. Hit tab 3 times to get to next line.
 2. Save T-number.
 - d. Enter HazMat information if listed.
 - i. Go to <https://hazmatonline.phmsa.dot.gov/services/>
 1. Select "Renewal".
 2. Click on "Next".
 3. Enter carrier's MC number or US DOT number.
 4. Click on "Search".
 5. Click on "Details" under the search results.
 6. Find current "Registration Year".
 7. Click on "View/Print".
 - ii. Open the "Qualification > Hazmat & DG" tab in Navisphere.
 - iii. If no previous information is listed.
 1. Select "US DOT" from the "Type" dropdown menu.
 2. Enter "Registration Number" from the Hazmat Certificate.
 3. Enter "Effective Date" from the Hazmat Certificate.
 4. Enter "Expired Date" from the Hazmat Certificate.
 - iv. If previous information is listed.
 1. Highlight all rows listed.
 2. Right Click over data.
 3. Select "Delete".
 4. Save ID.
 5. Select "US DOT" from the "Type" dropdown menu.
 6. Enter "Registration Number" from the Hazmat Certificate.
 7. Enter "Effective Date" from the Hazmat Certificate.
 8. Enter "Expired Date" from the Hazmat Certificate.

 EQUIPMENT INFORMATION

41. Pull up the "Equipment Information" section of the RMIS system. RMISEquipment

42. Open the "Operations > Equipment" tab in Navisphere.
- a. Add equipment information from the "Equipment Information" section of the RMIS system into Navisphere.

- i. If the carrier is a U.S. carrier, continue with step ii. If the carrier is a Canadian carrier, go to the "Culture Defaults" tab in Navisphere and change the "Measurement System" information to "Standard".

1. Save T-number.

ii.

Equipment Details" section

1. Select the category from the drop down menu. Equipment Entry
2. Select the appropriate description from the drop down menu.
Enter the total number. Equipment Entry
3. Enter the indicated length (width and height are not included on the survey).
4. I

Category	Description	Count	Length	Width	Height	Default
Trailer	Van	1	53	0	0	<input type="checkbox"/>
Trailer	Reefer	2	48	0	0	<input type="checkbox"/>
Flatbed	Flat Air Ride	1	45	0	0	<input type="checkbox"/>
Rail	Intermodal Trailer	1	40	0	0	<input type="checkbox"/>
Container	Dry Container	1	40	0	0	<input type="checkbox"/>
						<input type="checkbox"/>

fault box is marked uncheck this box.

5. Repeat the above steps for each piece of equipment listed in the "Equipment Information" section of the RMIS system.
43. Pull up the "Additional Fields" section of the RMIS system.
 44. Open the "Operations > Equipment" tab in Navisphere.

- a. Add any Services listed from the "Additional Fields" section of the RMIS system into Navisphere under "Operations> Specialties > Services" and "Operations > Equipment > Equipment Features".
 - b. Enter EDI as a Service if listed.
45. Verify Payment Option and Payment Method from the "Additional Fields" section of the RMIS system.
- a. Standard Pay Option with Paper Check Method
 - i. Continue with step 46.
 - b. Factoring
 - i. Pull up the "Documents" section of the RMIS system.
 - ii. Click on "Notice of Assignment".
 - 1. PDF Document

- a. Click on "Adobe" symbol.

- b. Click on envelope button.

- c. Click on "Send Copy".

2. PNG Document

- a. Right click on image.

- b. Click on "E-mail picture..."

- c. Click on Allow button.

- t
ach button.

- iii. Copy and paste T-number into body of the email.

- iv. Copy and paste
RESOCAR fax number from the Excel Work
Tool.

c. For all other Payment Options and Methods.

i. Send email to Level

2 queue using the Excel Work Tool.

- ii. Copy carrier's T-number from Navisphere.
- iii. Double click over "TNumber" in carrier email.
- iv. Paste carrier's T-number.
- v. Copy carrier's legal name from Navisphere.
- vi. Double click over "CarrierName" in carrier email.
- vii. Paste carrier's legal name.
- viii. Copy carrier's RMIS Carrier ID from the "General Information" section of the RMIS system.
- ix. Double click over "RMISNumber" in carrier email.
- x. Paste carrier's RMIS Carrier ID.
- xi. Click send.

46. Open the "Qualification > Status & Authority" tab in Navisphere.

47. Change the "Carrier Status" from "Pending" to "Active".

48. Save T-number.

49. Send Notification to carrier.

a. Go the Excel Work Tool and click on the

"Carrier" box.

b. Click "Ok" on the pop up message.

- i. If carrier has selected factoring but did not attached a valid Notice of Assignment, please include the message blow in the body of the email.

The documentation that was received cannot be accepted as a Notice of Assignment. Please fax your Notice of Assignment to 952-683-3701.

- c. Copy carrier's legal name from Navisphere.
- d. Double click over "CarrierName" in carrier email.
- e. Paste carrier's legal name.
- f. Copy carrier's T-number from Navisphere.

- g. Double click over "TNumber" in carrier email.
 - h. Paste carrier's T-number.
 - i. Enter carrier's email address in email.
 - j. Click send.
50. Upload and Index any W8 forms and any Intrastate/Intra Canada authorities.
- a. Open Doc Upload Manager program.
 - b. Pull up the "Documents" section of the RMIS system.
 - c. Click on "W8" or "Intrastate/Provincial Authority Permit".
 - i. PDF Document
 - 1. Click on "Adobe" symbol.
 - 2. Click on envelope button.
 - 3. Click on "Send Copy" button.
 - ii. PNG Document
 - 1. Right click over image.
 - 2. Select "E-mail picture..."
 - 3. Click on "Allow" button on first pop up message.
 - 4. Click on "Attach" button on second pop up message.
 - d. Drag attachment from email to Doc Upload Manager.
 - e. Select "SCHRIImage" from the "Destination" drop down menu.
 - f. Select "Carrier Services" from the "Document Group" drop down menu.
 - g. Select "Miscellaneous" from the "Batch Type" drop down menu.
 - h. Click "Update".
 - i. Open "SCHRIImage".
 - j. Open "Doc Indexing" screen.
 - k. Select "Miscell." from "Batch Type" drop down menu.
 - l. Click mouse in "Batch ID" box.
 - m. Hit "F2" on keyboard.
 - n. Click on "Continue" button on "Batch Search" screen.
 - o. Double click on the document that has your 7-letter under "Scan User" column.
 - p. Click "Continue" button on "Index Criteria" screen.
 - i. W8
 - 1. Select "Financial Documents" from "Doc Type" drop down menu.
 - 2. Enter T-number in "Carrier ID" box.
 - 3. Select "W9&W8 Forms" from "SubType" drop down menu.
 - 4. Click on "Index" button.
 - ii. Intrastate/Provincial Authority Permit
 - 1. Select "Federal Documents" from "Doc Type" drop down menu.
 - 2. Enter T-number in "Carrier ID" box.
 - 3. Leave "SubType" blank.
 - 4. Click on "Index" button.
 - q. Repeat steps for each W8 and authority available.

51. Copy RMIS ID number from the “General Information” section of the RMIS system.
52. Click on Client Menu of the RMIS system.

53. Click on “Carrier Number Assignment” of the RMIS system.

54. Paste RMIS ID number into search screen.
55. Click on “Search”
56. Click on carrier name under the results section.
57. Enter T-number into “NEW Carrier ID” box.

****If you happen to enter the incorrect T-number, please notify EVERKEL or BLUEJEN to correct.****

58. Click “Update”.
59. Save and Close T-number in Navisphere.

X-Status Carriers

1. Verify if company name has changed using the verification button in Navisphere.
 - a. Name has changed.
 - i. Create a new T-number by following steps 3 through 58 of the RMIS setup SOP.
 - ii. Save new T-number.
 - iii. Copy new T-number.
 - iv. Open old T-number.
 - v. Go to Rollups Tab.
 - vi. Paste new T-number into “Rollup Carrier” box.
 - vii. Switch Rollup Level box from “2 – Parent” to “3 – Child”.
 - viii. Save old T-number.
 - ix. Open new T-number.

- x. Save and Close new T-number.
- b. Name is the same.
 - i. Go to "Profile Tab" in Navisphere.
 - ii. Switch "Status" from "Archived" to "Current".
 - iii. Select "Carrier Reactivation" from the drop down menu of the pop up screen.
 - iv. Click ok.
 - v. Go to the "Address Tab" in Navisphere.
 - 1. Mailing Address
 - a. Verify with the mailing address listed in the "Additional fields" section of the RMIS system.
 - b. Replace Navisphere address if different.
 - 2. Physical Address
 - a. Verify with the address listed in the "General Information" section of the RMIS system.
 - b. Replace Navisphere address if different.
 - vi. Go to the "Contacts Tab" in Navisphere.
 - 1. Primary Contact
 - a. Find Primary Contact
 - b. Replace name with "General Contact"
 - c. Replace phone number with the phone number of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system.
 - d. Replace email address with the email address of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system.
 - e. Replace fax number with the fax number of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system.
 - 2. Contract Signer Contact
 - a. Find Contract Signer Contact
 - b. Replace name of contact with the name of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system.
 - c. Replace phone number with the phone number of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system.
 - d. Replace email address with the email address of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system.

- e. Replace fax number with the fax number of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system.
3. Accounting Contact
 - a. Find Accounting Contact
 - i. Create new contact if nothing is found by following step 17 of the primary setup process.
 - b. Replace name of contact with the name of the "Accounting Contact" from the "Carrier Contacts" section of the RMIS system.
 - c. Replace phone number with the phone number of the "Accounting Contact" from the "Carrier Contacts" section of the RMIS system.
 - d. Replace email address with the email address of the "Accounting Contact" from the "Carrier Contacts" section of the RMIS system.
 - e. Replace fax number with the fax number of the "Corporate Contact" from the "Accounting Contacts" section of the RMIS system.
- vii. Go to the "Operations > Book Communication & Defaults" tab in Navisphere.
 1. Replace email address with the email address of the "Corporate Contact" from the "Carrier Contacts" section of the RMIS system.
- viii. Go to the "Qualification > Status & Authority" tab in Navisphere
 - ix. Click on the "Dup Check" button.
 1. If carrier is Intrastate or Intra Canada and does not have an MC or US DOT number, Skip to step xiv.
 - x. If missing, add the MC Number from the "General Information" section of the RMIS system into Navisphere.
 - xi. If missing, add the US DOT Number from the "General Information" section of the RMIS system into Navisphere.
 - xii. Click "Submit".
 1. Any common information that is found will be displayed in bold.

Enter the Carrier's MC and/or DOT number in order to complete the Duplicate Check process.

MC Number: US DOT Number:

PartyCode	Name	DOB	Phone	Fax	Address	City	State	PostalCode
753005	E. S. F. Transport				PO Box 422035	Kennesaw	GA	30144-2035

review what is “Common” by what is BOLD and make sure it is a duplicate (i.e. just because it share the same city/state does not mean it’s a duplicate). If it is a potential duplicate, you can double click each T# to open a new tab for that ID.

- i. Verify if the setup needs to be rejected.
 1. If the potential duplicate ID has a conditional or unsatisfactory safety rating, see Rejected Setup
 2. If the potential duplicate ID is DNU for service issues, see Rejected Setup
- ii. If setup is not rejected, call carrier to verify relationship.
 1. If they are under the same ownership, a corporate ID will need to be created (the corporate roll up T-Number is the “Family” ID) to link the IDs together (each carrier T-number is a “Parent” ID under the corporate ID). No additional notes needed in this scenario. Creating Rollup ID
 2. If they are owned separately, add notes to each T-Number as far as what the outcome is (ex: John is the owner of T1234, his brother owns T5678, and they operate out of the same office.)
- xiii. Close the “Dup Check” screen.
- xiv. Under the “Authority Summary” section in Navisphere, select “Intrastate” from the “Type” dropdown menu for the US DOT number.
 1. If carrier is Intrastate or Intra Canada and does not have an MC or US DOT number, add the following for the authority summary:
 - a. “Other” for the authority.
 - b. “Intrastate” or “CAN_Intra” for the “Type”.
 - c. “Active” for the status.
- xv. Select “Active” for status of the US DOT number.

xvi. Click on "Verification" button.

The screenshot shows the 'Verification' window in Navisphere. It is divided into several sections:

- Header:** Includes 'Carrier Information', 'Name', 'E & V Transport Data', 'Verification By', and 'Verification Date/Time'.
- MC Data:** Contains fields for 'MC Number' (MC0000000000), 'Status' (PENDING), and 'MC Data'.
- Current Register Data:** Contains fields for 'Name' (E & V Transport Corp), 'DBA' (E & V Transport Corp), 'Address' (PO Box 422035), 'City' (Kalamazoo), 'State / Prov' (MI), 'Zip' (49002-3035), 'Phone' (4075746044), 'Fax' (4075746044), and 'US DOT' (2167424).
- OFAC Check:** A table with columns 'Matched', 'Status', and 'OFAC Number'. It shows a single entry with 'Matched' as 'No', 'Status' as 'No Match', and 'OFAC Number' as 'No Match'.
- Safe Check:** A table with columns 'Carrier Name', 'E & V Transport', 'US DOT Number', 'Safety Rating', 'No Match', 'Safety Rating Date', and 'Safe Website'.

At the bottom right, there are buttons for 'Cancel' and 'Review Complete'.

ata with data entered into Navisphere.

- a. Legal name, DBA name, MC number and US DOT number should all match exactly.
 2. Verify OFAC Check says "No"
 - a. If "Yes", please send email to BECKCOL to verify match.
 3. Make sure to manually check a carrier's DOT information if there is missing data in the Safer Check section of this Verification window, or if you notice the letters "MC" preceding the MC number at the top of that screen as well (see screen shot above). This is an indicator that the MC is or was inactive, and we should be manually checking this using the Safer Website link at the bottom of this screen. (You may need to manually update the DOT Safety rating after completing this manual check.)
 4. Click on "Review Complete" button.
- xvii. Go to the "Qualification > Insurance" tab in Navisphere.
1. Replace all policies with the insurance information listed in the "Certificate Info" section of the RMIS system.
- xviii. Go to the "Tax" tab in Navisphere.
1. US Carriers: Replace all tax information with the W9 information listed in the "W9 Information" section of the RMIS system.
 2. Canadian Carriers: Replace all tax information with the W8 document available in the "Documents" section of the RMIS system.
- xix. Go to the Qualification > Contracts tab in Navisphere.
1. Find Master contract menu bar.
 2. Switch Contract Status to "Inactive"

3. Save ID.
4. Create new contract menu bar.
 - a. "Type" should now be listed as "Updated"
5. Pull up the "Agreement Information" section of the RMIS System.
6. Verify if Hazmat Addendum has been signed.
 - a. If signed, find Hazmat Addendum menu bar in Navisphere.
 - b. Switch Contract Status to "Inactive"
 - c. Save ID.
 - d. Create new contract menu bar.
 - i. "Type" should now be listed as "Updated".
- xx. Pull up the "Carrier Profile Information" section of the RMIS system.
 1. If SCAC code is listed, go to the "Qualification > Status & Authority" tab in Navisphere and replace old SCAC code.
 2. Go to the "Operations > Equipment" tab in Navisphere and replace the Tractor count.
 3. If SmartWay certificate is listed as "Yes" in the RMIS system, verify if it is listed in Navisphere under the "Operations > Specialties" tab under the "Memberships & Certifications" section.
 - a. If its not listed in Navisphere
 - i. Verify with the EPA SmartWay website that the carrier is currently a partner.
 1. <http://www3.epa.gov/smartway/about/partnerlists.htm>
 2. Will need to search Legal name as well as DBA name.
 3. If name is not exact match, verify with city/state.
 - ii. Select "EPA SmartWay Partner" from the dropdown menu of the "Memberships & Certifications" section.
 1. Hit tab 3 times to get to next line.
 2. Save T-number.
 4. If HazMat is listed in the RMIS system, replace old information in Navisphere.
 - a. Go to <https://hazmatonline.phmsa.dot.gov/services/>
 - i. Select "Renewal".
 - ii. Click on "Next".
 - iii. Enter carrier's MC number or US DOT number.
 - iv. Click on "Search".
 - v. Click on "Details" under the search results.
 - vi. Find current "Registration Year".

- vii. Click on "View/Print".
 - b. Open the "Qualification>Hazmat & DG" tab in Navisphere.
 - i. If previous information is listed.
 - 1. Highlight all rows listed.
 - 2. Right Click over data.
 - 3. Select "Delete".
 - 4. Save ID.
 - 5. Select "US DOT" from the "Type" dropdown menu.
 - 6. Enter "Registration Number" from the Hazmat Certificate.
 - 7. Enter "Effective Date" from the Hazmat Certificate.
 - 8. Enter "Expired Date" from the Hazmat Certificate.
 - ii. If no previous information is listed.
 - 1. Select "US DOT" from the "Type" dropdown menu.
 - 2. Enter "Registration Number" from the Hazmat Certificate.
 - 3. Enter "Effective Date" from the Hazmat Certificate.
 - 4. Enter "Expired Date" from the Hazmat Certificate.
- xxi. Pull up the "Equipment Information" section of the RMIS system.
 - 1. If the carrier is a Canadian carrier, go to the "Culture Defaults" tab in Navisphere and change the "Measurement System" information to "Standard".
 - 2. Open the "Operations > Equipment" tab in Navisphere.
 - a. Replace equipment information in Navisphere with the information from the "Equipment Information" section of the RMIS system.
 - i. If the carrier is a Canadian carrier, go to the "Culture Defaults" tab in Navisphere and verify the "Measurement System" information is set to "Standard".
 - ii. Under the "Equipment Details" section
 - 1. Select the category from the drop down menu. Equipment Entry

2. Select the appropriate description from the drop down menu. Enter the total number.
Equipment Entry
 3. Enter the indicated length (width and height are not included on the survey).
 4. If the default box is marked uncheck this box.
 5. Repeat the above steps for each piece of equipment listed in the "Equipment Information" section of the RMIS system.
- xxii. Pull up the "Additional Fields" section of the RMIS system.
1. Open the "Operations > Equipment" tab in Navisphere.
 2. Add any Services listed from the "Additional Fields" section of the RMIS system into Navisphere under "Operations > Specialties > Services" and "Operations > Equipment > Equipment Features".
 3. Enter EDI as a Service if listed.
- xxiii. Verify Payment Option and Payment Method from the "Additional Fields" section of the RMIS system.
1. Standard Pay Option with Paper Check Method
 - a. Continue with step xxiv.
 2. Factoring
 - a. Pull up the "Documents" section of the RMIS system.
 - b. Click on "Notice of Assignment".
 - i. PDF Document
 1. C

Click on "Adobe" symbol.

2. Click on envelope button.

3. C

on "Send Copy".

ii. PNG Document

1. Right click on image.

2. Click on "E-mail picture..."

3. Click on Allow button.

o

t

ach button.

- c. Copy and paste T-number into the body of the email.
- d. Copy and paste RESOCAR fax number from the Excel Work Tool.

3. For all other Payment Options and Methods.

- a. Send email to Level 2 queue using the Excel Work Tool.
-
- b. Copy carrier's T-number from Navisphere.
 - c. Double click over "TNumber" in carrier email.
 - d. Paste carrier's T-number.
 - e. Copy carrier's legal name from Navisphere.
 - f. Double click over "CarrierName" in carrier email.
 - g. Paste carrier's legal name.
 - h. Copy carrier's RMIS Carrier ID from the "General Information" section of the RMIS system.
 - i. Double click over "RMISNumber" in carrier email.
 - j. Paste carrier's RMIS Carrier ID.
 - k. Click send.
- xxiv. Open the "Qualification > Status & Authority" tab in Navisphere.
 - xxv. Change the "Carrier Status" from "X-status" to "Active".
 - xxvi. Save T-number.
 - xxvii. Send Notification to carrier.

1. Go the
Excel Work Tool and click on the
"Carrier" box.

2. Click "Ok" on the pop up message.
 - a. If carrier has selected factoring but did not attached a valid Notice of Assignment, please include the message blow in the body of the email.

The documentation that was received cannot be accepted as a Notice of Assignment. Please fax your Notice of Assignment to 952-683-3701.

3. Copy carrier's legal name from Navisphere.
 4. Double click over "CarrierName" in carrier email.
 5. Paste carrier's legal name.
 6. Copy carrier's T-number from Navisphere.
 7. Double click over "TNumber" in carrier email.
 8. Paste carrier's T-number.
 9. Enter carrier's email address in email.
 10. Click send.
- xxviii. Upload and Index any W8 forms and any Intrastate/Intra Canada authorities.
1. Open Doc Upload Manager program.
 2. Pull up the "Documents" section of the RMIS system.
 3. Click on "W8" or "Intrastate/Provincial Authority Permit".
 - a. PDF Document
 - i. Click on "Adobe" symbol.
 - ii. Click on envelope button.
 - iii. Click on "Send Copy" button.
 - b. PNG Document
 - i. Right click over image.
 - ii. Select "E-mail picture..."
 - iii. Click on "Allow" button on first pop up message.
 - iv. Click on "Attach" button on second pop up message.
 4. Drag attachment from email to Doc Upload Manager.
 5. Select "SCHRIImage" from the "Destination" drop down menu.

6. Select "Carrier Services" from the "Document Group" drop down menu.
7. Select "Miscellaneous" from the "Batch Type" drop down menu.
8. Click "Update".
9. Open "SCHRIImage".
10. Open "Doc Indexing" screen.
11. Select "Miscell." from "Batch Type" drop down menu.
12. Click mouse in "Batch ID" box.
13. Hit "F2" on keyboard.
14. Click on "Continue" button on "Batch Search" screen.
15. Double click on the document that has your 7-letter under "Scan User" column.
16. Click "Continue" button on "Index Criteria" screen.
 - a. W8
 - i. Select "Financial Documents" from "Doc Type" drop down menu.
 - ii. Enter T-number in "Carrier ID" box.
 - iii. Select "W9&W8 Forms" from "SubType" drop down menu.
 - iv. Click on "Index" button.
 - b. Intrastate/Provincial Authority Permit
 - i. Select "Federal Documents" from "Doc Type" drop down menu.
 - ii. Enter T-number in "Carrier ID" box.
 - iii. Leave "SubType" blank.
 - iv. Click on "Index" button.
17. Repeat steps for each W8 and authority available.
- xxix. Copy RMIS ID number from the "General Information" section of the RMIS system.
- xxx. Click on Client Menu of the RMIS system.

- xxxi. Click on "Carrier Number Assignment" of the RMIS system.

- xxxii. Paste RMIS ID number into search screen.
- xxxiii. Click on "Search"
- xxxiv. Click on carrier name under the results section.
- xxxv. Enter T-number into "NEW Carrier ID" box.
****If you happen to enter the incorrect T-number, please notify
EVERKEL or BLUEJEN to correct.****
- xxxvi. Click "Update".
- xxxvii. Save and Close T-number in Navisphere.

Rejected Setup

Related to carrier with Conditional or Unsatisfactory safety rating:

1. If the potential duplicate ID has a conditional or unsatisfactory safety rating, please send the new carrier the "Conditional Relationship" email template and include the name of the company they share the relationship with in place of "ADDNAME" in the body of the email.
 - a. Enter "Relationship Issue" notes indicating what shared information was found.
 - b. Enter "Rejected PW" notes into the new T-number indicating that we are unable to move forward until carrier achieves satisfactory safety rating with the US DOT.
 - c. Continue with all steps through step 31, then save T-number and stop.

Related to carrier that is DNU for Service related issues:

1. If the duplicate ID is DNU for service issues, please email RESOCAR the "PERM DNU Relationship" email template and include the T-number of the new ID, carrier name of the new ID, relationship that was found and the T-number for the duplicate ID.
 - a. Enter "Relationship Issue" notes indicating what shared information was found.
 - b. Enter "Rejected PW" notes into the new T-number indicating that RESOCAR has been notified of relationship issue.
 - c. Continue with all steps through step 31, then save T-number and stop.

Normal SOP Entry **X-Status Entry**

Creating Rollup ID

See Rollup SOP for more information.

1. Click on your "Homepage" tab to be able to create a New Carrier ID, hit "New".
2. Copy and Paste the Name, Address, Phone, Fax number from your previous T-number you have created into the newly created Rollup T-number.
3. The system should come up with a duplicate when you enter the same name & phone number, you will just continue thru that.
4. Click on the "Operations > Book Communication & Defaults".
5. Select the Fax radial button.
6. Click on the "Qualifications > Status & Authority".
7. Change the "Carrier Status" to "Rollup".

8. Click on the "Rollups" tab.
9. Change the "Rollup Level" to "Family".
10. Save the file.
11. Next you will copy and paste this new Rollup T-Number to each of the ID's that fall under this Corporation in their "Rollups" tabs.

e
tree that will show all ID's that fall under that Corp ID.

**** Same steps above will apply for Re-Entitlements. The old ID will be the "Child" to the New ID "Parent"**

Dedicated Insurance Queue SOP

****Note 1:** certificates are verified prior to being sent to processing queue. Checks on carrier's name, carrier's address, auto coverage types, issue date, agent's signature and certificate holder are no longer necessary.**

****Note 2:** if any issues are found with certificate, place on hold and notify BOESMIK and BECKCOL**

1. Enter T-number into the Party Homepage of Navisphere.
2. Go To "Qualification > Status & Authority" tab.
3. Click on the "Verification" button.
 - a. Review the following:
 - i. Carrier Name for possible name change.
 1. Put carrier to pending if name has changed
 - a. if carrier is managed, notify EVERKEL or BLUEJEN to verify if status should be changed.

- ii. Safety Rating
 1. Notify RESOCAR if rating has changed to "Conditional".
 2. Put carrier to pending if rating is "Unsatisfactory".
 - a. if carrier is managed, notify EVERKEL or BLUEJEN to verify if status should be changed
 - iii. OFAC
 1. Notify BECKCOL if OFAC check has found a match.
 - iv. US DOT number
 1. Put carrier to pending if US DOT number has changed.
 - a. if carrier is managed, notify EVERKEL or BLUEJEN to verify if status should be changed.
4. Open the "Qualification > Insurance" tab.
 - a. Open Insurance Entry screen for each policy and review the policy information on the certificate to verify if any updates are needed.
 - b. Replace/update all policy information in Navisphere that does not match certificate.
 - i. Agent

1. If agency is not found in Navisphere, take a screenshot of the agency information from certificate and email to BLUEJEN (between 7AM and 1PM) or EVERKEL (between 1PM and 5:30PM).
 - a. Place certificate on hold until Icode has been created.
2. "Owner Operator Services" agency out of Grain Valley, MO will need Icode = I584 and underwriter Icode = I389 for all policies.
3. Self-Insured

- a. If carrier is self-insured, a credit check is required before entering

- i. Auto

1. Filed with FMCSA as self-insured
 - a. Enter as normal
2. Not filed with FMCSA as self-insured
 - a. Email TAYLLOR and BECKCOL with the T-number, limit and which coverage is self-insured
 - b. Place certificate on hold until notification from TAYLLOR and BECKCOL has been received
 - i. Once approved, add note that credit check has been approved by TAYLLOR or BECKCOL

- ii. Cargo

1. Email TAYLLOR and BECKCOL with the T-number, limit and which coverage is self-insured
2. Place certificate on hold until notification from TAYLLOR and BECKCOL has been received
 - a. Once approved, add note that credit check has been approved by TAYLLOR or BECKCOL

- ii. Underwriter

1. Verify Icode for underwriter using the approved underwriter list.
2. Anytime the policy number on the certificate matches the FMCSA and there is a different underwriter on the certificate, use the underwriter from the FMCSA. *See reference section Which I code to use*

- iii. Policy Number

- iv. Effective Date

v. Expiration Date

vi. Cancellation Date

1. Verify if auto liability or cargo has been cancelled per FMCSA
 - a. Add notes to policy: "Cancelled per L&I"

vii. Limit

1. Enter Auto Policy limit per FMCSA if lower than limit on certificate.
2. Maximum Cargo limit entered is \$500,000 U.S Funds or \$750,000 Canadian Funds.
3. Canadian Certificates
 - a. Interstate
 - i. Enter Auto Policy per FMCSA in U.S. Funds, other policies in Canadian funds.
 - ii. Combined Single Limit (CSL)/Maximum Limit
 1. Auto limit should match what the carrier has filed with the FMCSA, the remainder of the limit will be entered in general liability as U.S funds.

Example: \$2,000,000 Canadian Funds as CSL on certificate;

\$1,000,000 U.S. funds filed with FMCSA

Step 1: convert CSL to U.S. funds

$\$2,000,000 * 0.75 = \$1,500,000$ U.S funds

Step 2: subtract limit from FMCSA

$\$1,500,000$ U.S. funds – $\$1,000,000$ U.S. funds =

$\$500,000$ U.S. funds

Step 3: Enter auto per FMCSA and general gets remainder

Auto gets $\$1,000,000$ U.S. funds and general gets

$\$500,000$ U.S. Funds

b. Intra Canada

- i. All policies entered in Canadian Funds
- ii. Combined Single Limit (CSL)/Maximum Limit
 1. one half of the limit or the first \$1,000,000 Canadian funds (whichever is greater) should be put in auto to meet minimum auto limit, remainder goes to general liability.

viii. Deductible

1. All Perils – Canadian Certificates
 - a. Enter deductible into all policies listed on certificate
 - b. Convert to U.S. funds when necessary
 - i. \$10,000 Canadian = \$7,500 U.S.
 - ii. \$5,000 Canadian = \$3,750 U.S.
 - iii. \$2,500 Canadian = \$1,875 U.S.
2. High Deductible
 - a. If deductible is more than 50% of the policy limit, a credit check is required.
 - i. Email TAYLLOR and BECKCOL with the T-number, limit, deductible and which coverage has high deductible
 - ii. Place certificate on hold until notification from TAYLLOR and BECKCOL has been received
 - a. Once approved, add note that credit check has been approved by TAYLLOR or BECKCOL

ix. Endorsements

1. WC-Statutory
 - a. should be entered in Workers Comp if listed on certificate
2. Additional Insured
 - a. should be entered for any policy specified as additional insured on certificate
3. Ins Loss Payee
 - a. should be entered for Cargo if listed on certificate
4. BMC32
 - a. should be listed for cargo if matching policy information has been filed with the FMCSA
5. Reefer Breakdown
 - a. should be entered for cargo if listed on certificate

x. Certificate Description/Notes Section

1. Valleys Best Agency certificates
 - a. If certificate lists "All certificates are valid for 30 days only", do not accept certificate.
2. Exclusions/Restrictions
 - a. Add any exclusions and restrictions listed on certificate into policies where appropriate
 - i. Auto/General/Umbrella/Trailer Interchange
 1. Scheduled Vehicles
 2. Scheduled Drivers
 3. Radius

- 4. Ins Co with Known Policy Exclusions
 - ii. Cargo
 - 1. All exclusions and restrictions
 - 3. Trailer Interchange Policy
 - a. Trailer interchange can be located anywhere on certificate, often found in description/notes section of certificate.
 - b. If certificate uses wording "for up to 30 days" with trailer interchange policy, do not enter
 - i. Add following note to T-number
 - 1. "Trailer Interchange listed on cert but not entered due to 30 day clause."

Which I Code to Use

return to SOP

For situations where the underwriter listed on the COI (certificate of insurance) does not match *specifically* to the underwriter I code name, see below:

Situation 1: If the same underwriter and same policy number are listed for all coverages (I'm using General, Auto & Cargo as examples); use the underwriter listed on L&I.

Only underwriter listed on the COI is "Travelers", that is company A.

A	General	Pol # 12345
A	Auto	Pol # 12345
A	Cargo	Pol # 12345

L&I has "Travelers Property & Casualty" listed for the Auto Liability.

You should use I435 (Travelers Property & Casualty) for all 3 General, Auto and Cargo. *In the past we were only matching Auto Liability with L&I but using a different I code for general & cargo, the closest one we could.*

Situation 2: If the same underwriter but DIFFERENT policy numbers are listed for coverage (I'm using General, Auto & Cargo as examples); use the underwriter listed on L&I.

Only underwriter listed on the COI is "Travelers", that is company A.

A	General	Pol # 12345
A	Auto	Pol # 1234567
A	Cargo	Pol # 123456789

L&I has "Travelers Property & Casualty" listed for the Auto Liability.

You should use I435 (Travelers Property & Casualty) for all 3 General, Auto and Cargo. *In the past we were only matching Auto Liability with L&I but using a different I code for general & cargo, the closest one we could.*

Situation 3: If different underwriters and different policy numbers listed for coverage (I'm using General, Auto & Cargo as examples); use the underwriter listed on L&I for Auto Liability only. For General & Cargo, use what is listed on the COI (or the closest/most basic I code you can).

Two underwriters listed on the COI are: "Travelers", that is company A, and "Progressive",
that
is company B.

B	General	Pol # 12345
A	Auto	Pol # 1234567
B	Cargo	Pol # 12345

L&I has "Travelers Property & Casualty" listed for the Auto Liability.

You should use I435 (Travelers Property & Casualty) for Auto Liability. For General & Cargo use I5125 (Progressive). Using I5125 because that is the most 'general' I code (for Travelers we are adding, "Travelers" = I435, to the I code list). General, as in, doesn't say additional words specifying with progressive.

For situations where there IS cargo filed on the FMCSA, you should be entering that underwriter info if the policy number matches. *In the past we were only matching Auto Liability with L&I since cargo is not required to be filed on FMCSA.*

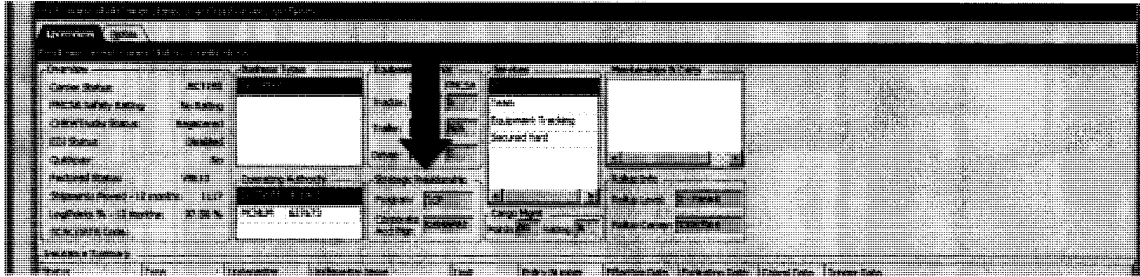

return to SOP

Carrier Set-Up MDM SOP

(Last updated: 11/06/15)

Note: Carrier set up info comes into to the SSI-CS OPS Que. In order to pull up the paperwork you must get into the "Doc indexing" screen. Set the drop down bar marked "Batch Type" to **CS OPS**. Click "Continue" and you will be able to view the paperwork.

****If you put a carrier T# to pending and they are a managed carrier, please notify the managing branch rep that you are changing the carrier's status (Strategic Relationship):**

**Steps:**

1. First, search for this carrier on the Safer & FMCSA websites to try to locate an MC/DOT number if you are not provided one. (<http://www.safersys.org/CompanySnapshot.aspx> and http://li-public.fmcsa.dot.gov/LIVIEW/pkg_carquery.prc_carlist)
 - a. If nothing comes up in your search on either websites, follow the steps below in Step #5.
2. Next, search the MC/DOT numbers in Navigator by changing the "Type" on the Navigator homepage to "Carrier", and hitting your F2 in the "Code" box.
 - a. On this search screen, **unclick the "current" checkbox** in the Status field and search by MC/DOT# (search both numbers if you have them, and one at a time)
 - Make sure that you hit the "search" button for Navigator to run it's search (it will not search if you hit tab, or enter)
 - b. See pg 13 for more information on Search options using the % sign.
3. If carrier comes up with a match in Navigator, you will see a list of any matches at the bottom of your F2 search screen, and you will select the appropriate carrier, and select "open" to proceed. (**note: you can also double click on any displayed results to open that file**)

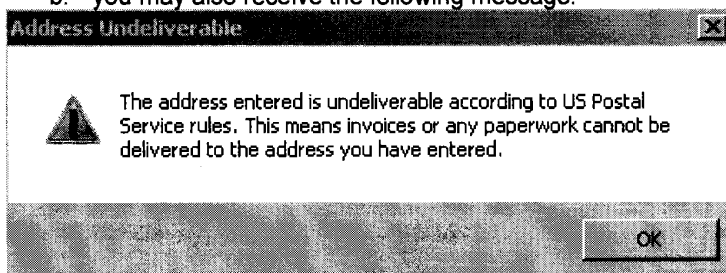

Search Prev Search Cancel Search						
2 Rows Returned						
Party Code	Party Number	Party Type	Party Name	Party Status	DBA	
T508200	3157868	Carriers	Tank Express	Active		
T508414	3170702	Carriers	Spice Boy LLC	Active		

Open Clear 2 Rows Returned

If it does not have a MC# or USDOT# match you will select the "X" at the top right corner on this page and create a New ID number:

- a. On the Homepage change Type to Carrier and select "New".

- Enter the legal name in the Profile Tab (0) including all punctuation & spacing.
- Enter DBA name in the Address Tab (1)
 1. Verify the carrier name on the Safer website matches the name on the L&I/FMCSA website. The name does not have to be exact, but should be similar. If the names on each site are completely different, do not send a contract until one has been updated. Notify the carrier they must update this before being sent a contract.
- Enter Address in the Address Tab (1)
 1. after you enter in the address, you will want to select any other tab in Navigator to prompt the system to run a search on that Company name/address (the system will also standardize the address at this point)
 - a. if something was auto corrected, a  will appear, no need to act on this.
 - b. you may also receive the following message:

If so, first check to see if the address is listed on Safer or the FMCSA. If so, correct the address from here. If not, verify you have entered the address correctly from setup form and continue.

- c. If the system finds any duplicate names/addresses that already exist with in Navigator, it will open the following screen

PartyCode	Name	DBA	Phone	Fax	Address1	City	State	PostalCode
1252511	B Trucking				4508 Victoria Dr.	PORT SMITH	AR	72004

- i. if a dup is found for the same carrier you are working on, you will be able to select the already existing file shown to continue, and you will dump the ID you started.
- ii. If a duplicate shows up for **other** carriers, the "similar information" will be highlighted in **BOLD**. After you have reviewed the **BOLD** info, and determine there is enough evidence that leads us to have to determine the relationship - You will double click on each appropriate T# to open a new tab for

that ID. Use the same process we do now to determine if there is a relationship, and call carrier if needed.

- iii. if no dup is found, select "cancel" at the bottom of that screen and continue to next step
- iv. add any additional address provided on setup form/survey pages. The main mailing address will be entered into Navigator as their "Physical" address (this should always be the PO Box if provided), and the carriers physical address provided will be added as their "Location" address. If they provide more than 2 addresses the 3rd should be entered as an "Alternate" address. Any additional addresses added in Navigator (besides the main physical address) will need to be manually searched for duplicates. You will do that by going back to your home page, and selecting the F2 search window to search for any duplicates.
- v. If the carrier provides a PO Box address and a street address located in the same city/state and zip code, please do not put them both as the physical address, always add the PO Box as the "physical" address and the street address as the "location" address.

- Enter contact information next in the Contacts Tab (7)
 1. enter "General Contact" as the primary contact "Name"
 2. select "company main" for the "Department"
 3. enter in the primary phone number
 - a. A duplicate check process will run to look for parties that may have the same contact listing
 - b. Determine if they are the same contact and proceed

Select	Name	Dialing Code	Phone	Ext. Fax	Email
<input checked="" type="checkbox"/>	B Trucking	1	6122210854		

Code	Name	Department	Position	Note
T508436	B Trucking			

Select	Name	Dialing Code	Phone	Ext. Fax	Email
<input checked="" type="checkbox"/>	Browley Trucking LLC	1	6122210854	3129902630	

Code	Name	Department	Position	Note
T008430	Browley Trucking LLC	Company Main		

****The Name and phone number all need to match to be able to associate any given contact with any duplicates that come up in this search**

****If there are multiple ID's that share the exact contact name or phone number, you will still need to research this relationship, even if you don't associate your contact with the other ID's.**

4. enter contact fax number in the sub tab for Contacts, called Modes & Additional Contact Methods
 - a. you will use the drop down arrow in the "type" field (below the listed phone number already populated) to select fax, and tab thru to add that number.

5. Enter any additional contacts/phone numbers you are given in Contacts Tab (7) (You will need to add "No Name Supplied" to the 'Name' field to add any additional numbers that doesn't provide a contact name.)
 - a. If you find a match by the name or number, select the appropriate match.
 - b. If you make changes to a Contact that is also tied to other ID's you will get the following message when you make any updates to that contact. You will need to determine whether you want that information copied to each ID, or just for that specific profile

6. Enter email address in Operations Tab (6) sub tab Book Communication & Defaults
 - a. An email address must be provided in order for the carrier to be contracted.

- Save record by selecting "save" under your File menu.
 1. you can also hit F9
 2. or by using the short cut button

- Change "Carrier Status" to pending in Qualification Tab (5) sub tab Status & Authority
 1. Complete Duplicate check by clicking on the "Dup Check" button

2. Copy/Paste the carrier MC# & US DOT# from Government website and click submit.

Party Code	Name	DLA	Phone	Fax	Address1	City	State	Postal Code
TS077427	E B V Transport...				PO Box 422035	Kissimmee	FL	34742-2035

3. Any common information that is found will be displayed in **bold**
- First, review what is "Common" by what is **BOLD**, and make sure it could possibly be a Duplicate (i.e. just because it share the same city/state does not mean it's a duplicate). If it is a potential duplicate, you can double click each T# to open a new tab for that ID. Use the same process we do now to determine if there is a relationship, and call carrier if needed.
 - call that carrier and find out what the relationship is.
 - if they are under the same ownership, a corporate id will need to be created (corp roll up T# is the "Family" ID) to link the ids together (each carrier T# is a "Parent" ID under the corp id.) no additional notes needed in this scenario
****See below on Creating a Rollup ID****
 - If they are owned separately, add notes to each T# as far as what the outcome is (ex: John is the owner of T1234, his brother owns T5678, and they operate out of the same office.)
4. Once the Dup Check is completed you will hit "Close" on that screen. You will now see this Carrier's Intrastate (DOTNUM) authority populated at the bottom of that tab.
****NOTE – since this now auto populates when the carrier has a US DOT # and MC # we will need to make sure we add good notes if we did NOT physically receive the authority. Remember to open all (+) signs and read ALL notes!**
If no MC populates, their MC may still be PENDING – click on the FMCSA link to investigate.
 Also, please add the Authority Summary status manually for all Intrastate carriers w/out a US DOT # and IntraCanadian carriers, regardless if we have received their authority or not.

OFAC Check:

Matched	Failed	Unsubstantiated
0	0	0

Safe Check:

Field	Value
Carrier Name	E.V. TRANSPORT
US DOT Number	2198344
Safety Rating	No Rating
Safety Rating Date	

- b. Check to make sure this Carrier has a "None" or "Satisfactory" safety rating. ****If they are "Conditional" or "Unsatisfactory" you will skip thru to page 16 "Rejecting PW Process".**
- c. Make sure there are no matches on the OFAC Check (**this works regardless if a Carrier has an MC or DOT number**). Do **NOT** proceed with the setup if there is a hit until it has been reviewed and OK'd by legal to move forward with the setup. If there is a match please send it to BECKCOL for review.
- d. Make sure to manually check a carrier's DOT information if there is missing data in the Safer Check section of this Verification window, or if you notice the letters "MC" preceding the MC number at the top of that screen as well. (see screen shot above). This is an indicator that the MC is

or was inactive, and we should be manually checking this using the Safer Website link at the bottom of this screen. (You may need to manually update the DOT Safety rating after completing this manual check.)

e. Select "review complete"

Authority	ID	Type	Status	Effective Date	Revocation Date	Updated Date
DOT/PLM	2198344	INTRASTATE	A	12/15/11		
MCNLM	962621	COMMON	A	12/15/11		

f. You will now notice that the MC authority information is populated for you. Take note of the MC status and take appropriate action if it is "Inactive". If the MC is still pending and not yet granted, nothing will populate in the authority summary.

*** (NOTE: Once this is entered the first time, we will not need to manually update this information. It will automatically update each time we "Verify" an ID)

6. Enter "Business Type" in this same tab using the drop down box to select appropriate type.

7. Save the file

- Process your MC authority document
 1. If the carrier is **INTERSTATE**: Start by looking for the carriers' mc authority or mc# in the PW received
 2. Verify that we have the most current mc authority
 3. Verify that the proper authority is active (Common, Contract, Broker)
 4. Verify that the carrier has an authority of Property (except household goods) if they are a "common" or "contract" carrier.
 5. If you do not have an mc authority then note it in the file under the At a Glance (4) Tab, sub tab Notes. **"This is IMPORTANT, as we will no longer be entering an Authority tab in Navigator."**

Make sure you have reviewed all contract notes before sending a contract.

- Look for insurance in the set up packet:
 1. The underwriter provided on the Insurance certificate will need to match what is provided on the FMCSA (with the exception for INTRASTATE & Canadian Carriers.) If it does not match notify the carrier to get this corrected. You will be able to see the Underwriter listed on FMCSA in the bottom left corner on the Insurance tab

Insurance Summary

Status	Type	Underwriter	Underwriter Name	Limit	Policy Number	Effective Date	Expiration Date	Cancel
Active	General Liab	0499	Cherokee Ins Co	1,000,000	GL100005	12/06/11	01/01/12	
Active	Auto Liability	0499	Cherokee Ins Co	1,000,000	CA100005	12/06/11	01/01/12	
Active	Trailer Intercha	0499	Cherokee Ins Co	40,000	CA100005	12/06/11	01/01/12	

☐ Regulated Freight
☐ Expects CTR Bond

FMCSA Insurance Information

Type	Underwriter	Limit	Policy Number	Effective Date	Cancel Date
SURETY	CHEROKEE INSURANCE CO.	10000	550100032	12/06/11	

2. Enter if it is legit and legible. If not, again notify the carrier as to what the issue is.
3. If you did not receive an insurance certificate, request one.
4. Insurance is entered in the Qualification (5) tab, sub tab "Insurance".
 - a. select the "new insurance" button
 - b. Select "Update" once all information is entered
 - c. Repeat these steps for each coverage listed on Certificate.

**** You will notice that there is a red "x"  next to all fields that are required when entering any Insurance coverage.**

**** You will also notice that the Agent Code and Underwriter fields are Blue, which will allow you to use your F2 search feature to locate these companies.**

**** You will be able to select the Auto/Cargo policy limits using the drop down arrows shown above (you will still enter all other policy limits manually)**

5. You will now be able to enter a Certificate that has an effective date that is in the future. We will no longer put these on hold, you will enter them as it is listed on the Certificate you get. **Take note and make sure that the Insurance is Active/Effective before you send a carrier a Contract.

a. If you receive a Certificate that does not provide the Effective date, and the Policy number on the Certificate matches the information from the FMCSA then enter the effective date listed on the FMCSA website.

b. If the policy information does NOT match what is filed on the FMCSA website, put that Certificate on hold and request an Effective date, or have the Agent correct the filing on the FMCSA to list the correct policy number so that we can use the Effective date from that website. (questions on this please ask Jenni)

6. After you have added your Insurance Certificate, you now add your insurance note in the At a Glance (4) tab, sub tab Notes.

a. Select a "Reason" (i.e. Insurance, Contracts, Other)

b. Tab thru and add your insurance note

• Enter the W9/WB tax form in the Tax (8) tab.

1. The tax name on this tax form will need to somewhat match their Authority name. It does not need to match exactly, but it cannot be something completely different. We no longer need to add their Tax name to the Tax ("Legal") address. **Ask Jenni if you have any questions on this.

****Canadian Carriers should only be providing W8BEN/ECI Tax Forms, not W9 Tax Forms; the W9 is for US Carriers only**

2. If they provide an additional address on this form, add that to the Address (1) Tab, under the Address Type: "Legal" **NOTE, you will need to do a manual search on this address to check for Dups.

3. You will select the appropriate Government code (SSN, FEIN)

4. enter in their tax ID number in the "Tax ID" box

5. add the Tax Entity type

6. add the Tax Certificate Type

• if you receive a carrier SCAC/IATA code, you would add this in the Qualification (5) tab, sub tab "Status & Authority"

• **Once all paperwork is entered, you will generate your hold letter to the carrier if anything was missing, or if you entered in their insurance temporarily.**

1. Click on Utility, then "Generate Letter"

2. Select the appropriate letter you want to send (you can preview your letter before you send it.)

3. Select either email or fax and send that letter to the carrier.

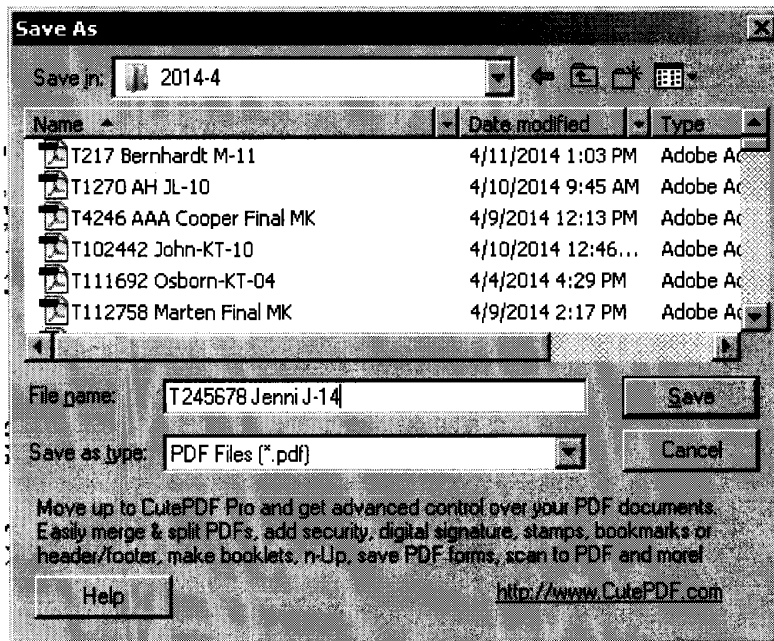

• After saving all info in Navigator, you will need to index or split off paperwork you received in SSI.

1. First you must find the id for the pw and enter it into SSI by "Carrier ID" Then select "Split/Combine".
2. MC & Single state authorities, or US DOT must be split off with "Batch type" as **Misc** and "Doc Type" as **Federal Documents**.
3. Insurance certificates will be split off to "Batch Type" **Misc** and "Doc Type" **Insurance Certificate**.
4. W-9's or W-8BEN's will be split off with the "Batch type" as **Misc** and "Doc Type" **Financial Documents**.

***Once all of this is done you must hit "Save"

5. Change the batch type to **Misc**, drop down Filter to **Carrier Id**, enter the carrier T# into the **Filter Value** and hit **Continue**.
6. Sub Types will need to be entered for: MC Authority – Authorization, W9/W8 Tax Forms – W9&W8Forms, and US DOT/MCS-150 – DOT, hit Index or Accept for each document, this will send the pw to sCHRimage.

- Create your Contract Menu bar
 1. You will have to create a "contract menu bar" under the Qualifications (5) tab, sub tab contracts.
 2. Select the Contract you are creating (i.e. TL, IS, EX, Broker)
 3. next add the version type (7.3)
 4. enter the Type: (New, Reentitled, Updated...)
 5. Enter the contract status (P – problem, S – sent, ect...) and tab thru, the date and your 7-letter will automatically populate
- If all appropriate paper work is received to send a contract, you will generate and send the contract by doing the following:
 1. Select the Template you are trying to create in the "Contract" tab (i.e. Master Contract 2010, Master LLC 2010, Broker 2011, ect...)
 2. Then hit the Generate Contract button
 3. Double check to make sure the Company name, T#, address, MC/DOT numbers are all merged correctly to this contract generated.
 - a. **Remember to check the Carrier name on an LLC contract, as the DBA name will NOT merge into this contract. If the carrier is an LLC and they have a DBA name, you will need to manually add that to the contract before you save and send that to the carrier. The 'dba' needs to be typed in lower case letters and be entered in the same font/color as the contract is in.**
 4. Drop down "File", select Print, then change the printer to "CutePDF Writer", and hit Print. Once the "Save As" box comes up, add the T#, Co Name, and your Initials to the File Name, and save to the Contracts folder in the corresponding month/year.

5. Next click Save then close out of the word doc, select "don't save" when the Microsoft Word prompt comes up.
6. Attach the pdf to an Email – and fax or email the Contract to the carrier.

- Enter your contract note in the At A Glance (4) Tab, sub tab "Notes"

****You no longer need to add your 7-letter to your notes, this will auto populate**

- Final Steps before saving
 1. Make sure you have marked the status correctly on the contract bar in the "contract tab".
 2. Make sure you have entered the business type correctly under the Types tab.
 3. Make sure you have entered the MC #'s and US DOT #'s correctly
 4. Make sure the name is correctly entered.
 5. Make sure your notes in the "carrier services" note tab are correctly entered.
 6. Save the file.
- 4. If you find a match to a carrier in Navigator who has a **Conditional Safety Rating** or the carrier themselves has a **Conditional Safety Rating**:
 - a. Create a new 'skeleton' T# including **only** the general info, mc/dot #'s, safety rating, and rejected pw/'related to' note.

- b. Send a letter to the carrier letting them know we can not process their pw due to their relationship with "Jones Trucking" (do not give out T#) who has a Safety Rating issue.
 - c. Send the new carrier pw to the CS OPS-Reject queue under the new T#.
5. If the new carrier is related to an existing carrier that is listed as **PERM DNU**, please put the pw on hold and notify BLUEJEN to see if the new carrier can be contracted.
6. If the carrier is **INTRASTATE** and you are not able to locate this carrier on the US DOT website:
 - a. You will need to first do a manual search for this new carrier's address:
 - You will only search any addresses they provide you (they system will already check the name and phone numbers you will enter in the ID)
 - If no matches are found, proceed to step b.
 - If you find a match, double click on each T# into to open a new tab for that ID. Use the same process we do now to determine if there is a relationship, and call carrier if needed.
 - b. Create a New ID following the steps above in Section 2.a. They will need a single state registration from the state they operate out of. Check to make sure you receive an approved State authority at G:\Carrier Services\Carrier Relations\Carrier Services Operations\Sample Docs
 - To add a Single state authority, you will manually select "Other" as the authority (in the auth summary section) and tab thru to the Type and add Intrastate, and then add the status. You will only be able to have one INTRASTATE authority summary, so if you get a single state authority and later get a US DOT, you will need to delete the single state auth to add the US DOT to the file. This is how you will add the Canadian authority as well.
 - If the carrier has an Inactive DOT number and they want to run under their approved State authority, you will need to add the DOT type as "inactive" so that you are able to add the 'active' INTRASTATE authority summary tab.
 - c. If they did not provide a single state authority, please request them to send it.
 - d. If they have a US DOT# they must show active on the safer website.
 - You will need to use the link in the Verification screen to pull up the Safer Website (<http://www.safer.org/CompanySnapshot.aspx>).
 - You will need to verify the Company name, safety rating, address, and entity type thru that link.
 - If it comes up that they are not active we can not contract this carrier until they are, please make note of this in the Carrier Services Notes that reads "no safety rating data listed on safer". (this pertains only if they do not have an active Single State authority and only have a DOT number)
 - e. Also verify name and that their safety rating is either "none" or "satisfactory". If the carrier has an "unsatisfactory" or "conditional" safety rating then we cannot contract them. Create a T# for the carrier by adding only the general information, add a note as to why we are not contracting, and send the paperwork to the CS OPS-Reject queue.
 - You will need to manually update the FMCSA Safety Rating in the Qualification (5) tab, sub tab Status & Authority section.
 - You will need to manually update this safety rating if that ever changes.
 - f. Once this is all verified, proceed with entering the remaining paperwork just as you would for an Interstate carrier above.

****If a carrier does have an active US DOT # but does not have their US DOT letter, we can accept the MCS-150 Form – Sample copies of this form will be handed out for reference...we can not accept the "Application for US DOT Number".**

*****NOTE – you will need to complete a "Verification" Check each time you touch any T# in Navigator.**

Creating Rollup ID

Steps to Create a Corp Rollup ID:

1. Click on your "Homepage" tab to be able to create a New Carrier ID, hit "New"
2. Follow the steps above to copy/paste all of the general Name, Address, Phone, Fax number.
 - a. The system should come up with a duplicate when you enter the same name & phone number, you will just continue thru that.
3. Click on the Operations (6) tab, sub tab Book Communication & Defaults
 - a. Select the Fax radial button
4. Click on the Qualification (5) tab, sub tab Status & Authority.
 - a. Change the Carrier Status: to "Rollup"
5. Click on the Rollups (B) tab
 - a. Change the Rollup Level: to "Family"

6. Save the file
7. Next you will copy/paste this Rollup T# to each of the ID's that fall under this Corp in their Rollups tab. These old level #2 ID's will now be updated to the "Parent".

**** You will notice the tree that will show all ID's that fall under that Corp ID.**

**** Same steps above will apply for Re-Entitlements. The old ID will be the "Child" to the New ID "Parent"**

VERIFICATION: You will need to hit the Verification button each time you touch an ID. Just like in the past when we had to lock down the Safety rating, same rules now will apply to **VALIDATE** the ID every time you touch an ID.

"This is done in the Qualification (5) tab, sub tab Status & Authority."

SOP for Re-entitlements

1. Once paperwork for a name change has been received:
 - a. Create a new ID number (refer back to "carrier set-up SOP). You will obtain the new name off the govt website (if you are not provided the Decision letter showing their new name)
2. Copy/Paste only the general address/phone/fax/email info into the new ID – no other contact info should be copied over. If different contact information is provided with the new paperwork than what we had on file, you can use the information that was provided from the carrier without having a Change form submitted. Once the new T code is active, if any info (address, ph, fax, contact info) needs to be changed, then a change form will need to be sent.
 - a. You will have to link both the old and new id together
 - Click on the Rollups (B) tab
 - Paste the New ID# into the "Rollup Carrier:" in the old ID, and change the Rollup Level: to "Child"
 - b. Be sure to create a "contract menu bar" in the Qualifications (5) tab, sub tab Contracts (please refer to contract set-up SOP) and make sure to pick the contract "type" as "re-entitled" instead of "new".
 - c. If paperwork was not received and you were notified of the name change from the carrier/branch over the phone or an e-mail, do not create a new T# until pw is rec'd.
 - d. Be sure to "x" out the old id under the Qualifications (5) tab, sub tab Status & Authority.
 - e. Save File.
3. If the carrier's original T# has any kind of Factoring issues or AP Hold issues please contact the Carrier Resolutions Team in order for the info to be transferred to the new id.
4. If the existing/active carrier has a Conditional Safety rating and is on the Conditional Carrier Program – it is ok to contract the carrier under the new name, please notify SCHNKIM of the new T#.
5. If the existing/active carrier was originally contracted with a NONE safety rating but they have changed their name and now have a Conditional safety rating (SCHNKIM has NOT been notified to add them to the Conditional Carrier plan yet)-Their paperwork will need to be rejected until they have obtain a Satisfactory rating.
6. If the carrier's original T# was managed by a certain branch, please notify BECKCOL to have the information transferred to the new id.

**** When carriers change names, we need to start checking whether they have certifications listed. If they do, when sending the letter to the carrier on what we need for their name change, we also need to include that they will need to have their certifications updated with their new name with the respective entities. That way when we get the download from Carb, CTPAT, Smartway & NPTC we'll be able to flag them accordingly.**

Carriers going from INTRA to INTER and Vice/Versa

1. If a carrier is originally contracted as an INTRAsate carrier but now has an MC Authority to haul INTERstate freight:
2. We will first need a copy of their MC Authority in order to update the carrier
3. If the name on the MC Authority matches the already contracted INTRAsate name and the carrier is on a 7.3 contract you will need to:
 - a. update the business types from INTRA to TL
 - b. add a CONTRACT menu bar listing the same information that is listed with the INTRA menu bar (version#, contract status, contract date, contract signee, signee position) and then inactivate the INTRA menu bar
 - c. index the MC Authority
4. If the carrier is not on a 7.3 contract, please send them a MAS contract (leaving the id in active status as an INTRAsate carrier until MAS contract is returned and processed)
5. If the contracted INTRAsate name does not match the name on the MC Authority:
 - a. a new T# will need to be created and contracted for the INTERstate id
 - b. the INTRA id can remain active until the INTERstate id is contracted
 - c. the INTER and INTRA ids will need to be linked by a corporate T#
 - d. once the INTERstate id is contracted the INTRA id can be put to pending

Contract Signor No Longer With The Company

1. Have the carrier verify the current contract signor they are saying is no longer with the company.
2. If the carrier verifies this correctly, put the T# to pending.
 - a. If the carrier is managed, check with Jenni or Jessica before changing the status.
3. If the contract on file was signed by an owner/president request proof of current ownership and send a new contract once an acceptable form of ownership has been received.
 - a. Please check with Jenni to help with proof of ownership verification.
3. If the previous contract was NOT signed by an owner/president:
 - a. Verify with the carrier who the current owner/president of the company is.
 - b. Check the Contacts(7) tab for the owner/officer's name.
 - i. If the person is listed in Contacts tab, send a new contract for the owner/president to sign.
 - ii. If the person is NOT listed in the Contacts tab, have them provide proof of ownership/articles of organization listing this person before sending an updated contract.

Legal Name Change

If the contract signor has changed their legal name please ask them to send in legal proof of their name change (this does not apply for a *company* name change). Once the valid proof has been received, please update the name in the T#. They will not need to complete an updated contract and their original signature will still be valid.

Truck Stop Contracts

(This request needs to come from the carrier – we do not offer it)

1. Send the entire contract to the carrier at the truck stop fax # the carrier provides.
2. Add Contract notes: "Truck Stop contract faxed to carrier" including the fax # it was sent to.
3. The carrier only needs to fax back pages 2, 12, and 16 to be contracted temporarily for 30 days.
4. Accepting the Truck Stop Contract:
 - a. As long as those pages are acceptable (i.e. no changes have been made, the signer is acceptable, and the truck count is provided) put those pages on a Truck Stop Hold.
 - b. Change the Doc Type to Contract, add the T#, change the Status to Hold, and the Reason to Truck Stop Hold.
 - c. The Truck Stop Hold letter to the carrier needs to be altered; the wording for the letter is listed on the Insurance Hold Reason Sheet under 'Truck Stop Contract'.
 - d. Update the menu bar to Accepted, flip the status to Active, and add a Carrier Services note "Carrier on a Truck Stop Contract, they will need to send the remaining pages within 30 days in order to remain active".
5. Jenni will be checking the Truck Stop Hold queue daily, if the complete contract is not returned within the 30 days the carrier will be put back in a pending status.

Searching for Carrier's using "%"

1. When searching for Carrier's in the F2 screen, you can use the % sign to have Navigator search for any Partial information (to include their Name, DBA, address, etc...) Below are examples of how this function works:
 - Ren% - Gets everything that starts with "Ren" and also has other characters after it. It will find "Renae", but it will not find "Ren"*
 - %ren - Gets everything that ends with "ren" and also has characters before it. It will find "Warren", but it will not find "Renae"*
 - %Ren% - Will only find those that have "Ren" in the middle of the name where at least one character is before and after. It will find "Miss Renae the Awesomest", but it will not find "Renae" or "Warren"*

2. If no matches are found, remember to check and make sure that the "Active" box is NOT checked, to have Navigator look for both active and inactive Carriers.

Manually Searching for Duplicates when the Auto Standardization is Down

- Pull up the F2 Search Screen
- Uncheck the "Current" Box
- Individually add the carrier's name/dba name (See **Searching for Carrier's using "%"**), mc#, dot#, phone/fax#, address, city/state
- After each one is added hit Search (search only one option at a time) and be sure to clear the screen after each search...you may have to uncheck the "Current" box each time
- If no match comes up for any of the searches you are ok to move on with the setup process

Contract Acceptance MDM SOP

(Last Updated: 05/15/14)

1. Acceptance Process
2. Inserting Clean Pages
3. Carriers going INTRA to INTER and vice/versa
4. Truck Stop Contracts
5. Contract Versions
6. Signatures

****If you put a carrier T# to pending and they are a managed carrier, please notify the managing branch rep that you are changing the carrier's status (Strategic Relationship):**

Acceptance Process

*Once in SSI Select **Batch Type- CS OPS** then click on "Continue" (change Doc Type to Contract)

1. Locating the Carrier on MDM homepage:
 - a. Pull carrier up by using T# listed on the contract
2. Verifying carrier information:
 - a. Name in Navisphere matches contract
 Remember to check an LLC contract, to ensure there is no DBA name (as that mail merge was removed from the LLC contract and will need to have been manually entered if a DBA name is present for that Carrier.)
 - b. MC#, DOT# in Navisphere matches contract
 - c. T# in Navisphere matches contract
3. Process your Verification for this ID (**you will do this each time you touch an ID):
 - a. Click on the Qualifications (5) tab, sub tab Status & Authority.
 - b. Click on the Verification button.
 - i. Make sure the name in Navisphere matches the name listed on the FMSCA website (http://li-public.fmcsa.dot.gov/LIVIEW/pkg_carrquery.prc_carrlist) or the DOT website (<http://www.saferysys.org/CompanySnapshot.aspx>) for INTRASTATE carriers.
 - ii. Make sure this carrier still has a "no rating" or "satisfactory" safety rating.
 - iii. Make sure there are no matches on the OFAC Check (**this works regardless of if a Carrier has an MC or DOT number**)
 - iv. Double check authority type at the bottom of this tab under Authority Summary (Property vs. House Hold Goods) ****Make sure you review the Contract notes to ensure that we DID receive their appropriate authority.**
 - v. If the carrier is setup as INTRASTATE by their DOT number, you will need to manually click on the Safer link to check their DOT Status and Safety rating (make any updates needed)
 - If they are setup by their Single State authority, check the carrier's name on both websites to make sure they have not gotten an active Government authority we were not initially aware of. If you find an active MC or DOT number for that Carrier make sure to add that to the Dup Check window and request the appropriate documents from the Carrier. You may need to put the contract on hold until we get their highest active authority on file.
 - Make sure to manually check a carrier's DOT information if there is missing data in the Safer Check section of this Verification window as

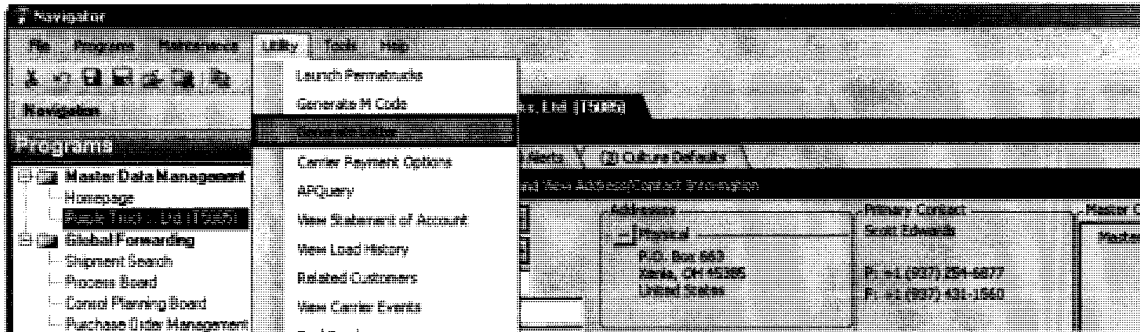

well, or if you notice the letters "MC" preceding the MC number at the top of that screen as well. This is an indicator that the MC is or was inactive, and we should be manually checking this using the Safer Website link at the bottom of this screen. (You may need to manually update the DOT Safety rating after completing this manual check.)

The screenshot shows a software window titled 'Status & Authority'. It contains several sections: 'MC Number' (1000000000), 'Status' (Active), and a 'Review Complete' button circled in red. Below these are two columns of checkboxes for 'Authority Status' and 'MC Status'. At the bottom, there is a 'Review Complete' button circled in red.

- vi. Click on Review complete once all your checks are confirmed.
 - c. Check the authority status in the Authority Summary at the bottom of this tab to make sure the authority is active.
 - i. if authority is inactive; please accept the contract but leave the status in 'pending' and notify carrier with the acceptance letter that they will not be able to book loads until this is reinstated
 - d. Check that there is a Business Type added (in this Status & Authority tab).
 - e. Check the Tax (8) tab to make sure we have the carrier's Tax form on file. If we do not have form, you can still accept the contract, but ask for this to be sent in on the acceptance letter.
 - f. Click on the Qualifications (5) tab, sub tab Insurance. Check for active insurance (if expired you can still accept the contract and activate the carrier, notify the carrier that they will not be able to book loads until their insurance has been updated on the acceptance letter)
 - i. Make sure we have at minimum their Auto and Cargo insurance with the proper limits required to accept contract. If either are missing, or they do not have enough coverage, notify the carrier and place contract on hold until we receive the missing information.
 - g. Next select the sub tab Contracts. Verify there is a Contract menu bar that has been created and entered correctly.
4. Reviewing contract:
- a. Check to make sure all pages are present - the footer is not required on each page in order to accept the contract
 - b. Check to make sure the correct T# is on every page
 - c. Check for contract changes
 - d. Check Signature pages
 - i. "Signed" where it says to sign
 - ii. "Print" where it says to print

******Please refer to the email examples for acceptable/non acceptable signatures – emailed on 11/30/11 labeled "Contract Signatures". It is also on the G drive under G:\Carrier Services\Carrier Relations\Contracts Dept\contract signatures.doc**

- iii. "Title" is present and acceptable (see attached list) **if the carrier signs as Member they must provide their Articles of Organization to prove they are a member**
 - iv. "Date" – The date has to be within the past 3 months of the current date.
****The carrier must provide a "title" – we will not accept their name as the title...even if their name is in the company name.**
 - e. Page 13 is present
 - i. Payment Type and Payment Method is selected (unless 'Factoring' is selected as Payment Type, no need for a Payment Method to be selected)
 - f. All pages of survey are present
 - i. Tractor/trailer count is filled out **(the tractor/trailer count is not required for the Broker Contract)**
 - a. Enter the tractor count provided on page 16 to the Operations (6) tab, sub tab Equipment. You will only need to enter in the Tractor count, and Rita will enter the rest.
 - b. If zero tractor count is listed and no other information is given put the contract on hold and request the carrier provide this information.
 - c. If zero tractor count is listed or left blank but the carrier listed specific equip type info (below the tractor count) please take the truck count from SAFER. You may need to check the SAFER site manually if 0 Tractor Count is listed under the FMCSA data. CS Ops group will add that number into the tractor count field...Rita will enter the specific info into the Equip/Stats tab.
 - ii. If there is any additional phone numbers or address provided on page 15, you will add those to the ID as well. ****Remember that any additional added addresses will need to be manually searched for Dups in Navisphere.**
5. Adding Signer to Navisphere:
- a. Under the Qualifications (5) tab, sub tab Contracts
 - b. Tab thru the current contract you are working on to the **Contract Signee** tab and enter in that person's name
 - c. Tab to **Signee Position** and add (Owner, President, Manager, etc)
 - d. Under the Contacts (7) tab, add the signors **Name** and **Position** as it appears on page 12. Also add *Approved Contract Signor* to the **Department** tab. (if this person is not already listed as a contact).
 - e. You will need to hit the Verification button one last time, so that the OFAC search can search the system for that "Signee Name" as well.
 - i. If no match, proceed.
 - ii. If there is a match, do NOT proceed and contact Collette Becker (BECKCOL). Put the contract on hold and make notes until you hear back on how to proceed.
6. Final Processes in Navisphere:
- a. Change the Carrier Status (under Qualifications (5) tab, sub tab Status & Authority) to Active
 - b. Update the Contract menu bar status (on the **contract** tab) to accepted. (Note by tabbing thru this section, it will auto populate the accepted date.)
 - i. Make sure the *contract version* is the most recent.
 - ii. Change "Contract Status" to **Accepted**.
7. If there is anything missing to be able to sign this contract, send the carrier a hold letter thru the Utility tab, "Generate Letter", and select the appropriate hold letter to send.

8. Combining final contract pages with pages in hold:
 - a. Click on Split/Combine
 - b. Click ADD DOC
 - c. Batch Type should read CS OPS, change Status to HOLD, drop down Filter to CarrierID, add T# in Filter Value, and hit Continue
 - d. Select document(s) in hold and click add
 - e. Put pages together and in order by using the Combine All keys and the Move Up/Move Down options
 - f. Proceed to 7b
9. Splitting off the contract:
 - a. Click on Split/combine *note: move pages into order by using Move Up or Move Down options.*
 - b. Split the contract into three sections (using the "Split doc" option):
 - i. **Survey:**
 - a. change hierarchy: **Doc Group- Carrier Relations, Batch type- Carr Survey, Doc Type- Survey**
 - ii. **Payment Page/Appendix A**
 - a. Change hierarchy: **Doc Group- West Memphis, Batch Type-Fax WMemph, Doc Type: QP Agreement.**
 - b. If carrier selects 'Factoring' as their Payment Type, the page gets split off to **Batch Type: Resolutions**
 - c. If there are multiple choices selected (method/options), put the contract on hold and ask that they only fill out ONE payment option and ONE payment method. If just factoring is selected and the QP Agreement is not filled out –send to RESOCAR. If factoring is selected and the QP Agreement is filled out (with no factoring release attached) sent to W Memphis.
 - iii. **Contract:**
 - a. Change hierarchy: **Doc Type- Carrier Relations, Batch Type- CS OPS, Doc Type- Contract.**
 - c. Save
10. Sign the contract
 - a. Drop down '**Sub Type**' to select what type of contract it is (ex. Master, Hazmat Addm, Broker, LTL)
 - b. Click on "Apply Signature"
 - c. Use the Directional keys (L, U, D, and R) under "**Move**" to move the signature over the appropriate field on the signature page.
 - d. When you're Done click on "**Accept**"
11. Make sure "Rollup info" is filled out appropriately.
12. Make sure the "types" tab was filled out. (in the At a Glance (4) tab, sub tab Overview)
13. Remove any contract notes in the At a Glance (4) tab, sub tab Notes if they no longer apply.

14. F9 to save the ID.
 - a. When you save an ID and there are any ID's that are rolled up to that T#, the system is going to ask you if you want the contract to roll to it's subordinates. You will want to make sure that this happens.
 - b. If you get a prompt that says there is an ID that has a different MC, make sure you tell the system NOT to roll the contract to that ID.
15. Deleting the contract in the word file:
 - a. Search for the contract in the "2000 Contract file" Using the T#
 - b. Select the contract and Delete.

Inserting Clean Contract Pages

- If you can read all pages, even if they are somewhat fuzzy, process the contract as is, no need to add clean pages.
- If pages are fuzzy to the point of being illegible, but you're able to see the carrier has not made any changes; insert clean pages.
- If unsure if changes have been made, **do not** insert pages; contact carrier asking them to refax the pages.
- If you have inserted clean pages, when sending the carrier a letter, your letter needs to say that so the carrier is aware.

Carriers going from INTRA to INTER and ViceVersa

1. If a carrier is originally contracted as an INTRASTATE carrier but now has an MC Authority to haul INTERSTATE freight:
2. We will first need a copy of their MC Authority in order to update the carrier
3. If the name on the MC Authority matches the already contracted INTRASTATE name and the carrier is on a 7.2 contract you will need to:
 - a. update the business types from INTRA to TL
 - b. add a CONTRACT menu listing the same information that is listed with the INTRA menu bar (version#, contract status, contract date, contract signee, signee position) and then inactivate the INTRA menu bar
 - c. index the MC Authority
4. If the carrier is not on a 7.2 contract, please send them a MAS contract (leaving the id in active status as an INTRASTATE carrier until MAS contract is returned and processed)
5. If the contracted INTRASTATE name does not match the name on the MC Authority:
 - a. a new T# will need to be created and contracted for the INTERSTATE id
 - b. the INTRA id can remain active until the INTERSTATE id is contracted
 - c. the INTER and INTRA ids will need to be linked by a corporate T#
 - d. once the INTERSTATE id is contracted the INTRA id can be put to pending

Truck Stop Contracts

(This request needs to come from the carrier – we do not offer it)

1. Send the entire contract to the carrier at the truck stop fax # the carrier provides.
2. Add Contract notes: "Truck Stop contract faxed to carrier" including the fax # it was sent to.
3. The carrier only needs to fax back pages 2, 12, and 16 to be contracted temporarily for 30 days.
4. Accepting the Truck Stop Contract:
 - a. As long as those pages are acceptable (i.e. no changes have been made, the signer is acceptable, and the truck count is provided) put those pages on a Truck Stop Hold.
 - b. Change the Doc Type to Contract, add the T#, change the Status to Hold, and the Reason to Truck Stop Hold.
 - c. The Truck Stop Hold letter to the carrier needs to be altered; the wording for the letter is listed on the Insurance Hold Reason Sheet under 'Truck Stop Contract'.

- d. Update the menu bar to Accepted, flip the status to Active, and add a Carrier Services note "Carrier on a Truck Stop Contract, they will need to send the remaining pages within 30 days in order to remain active".

Jessica and Jenni will be checking the Truck Stop Hold queue monthly, if the complete contract is not returned within the 30 days the carrier will be put back in a pending status.

Contract Acceptance SOP

Last updated: 12/06/11

*Once in SSI Select **Batch Type- CS OPS** then click on "Continue" (change Doc Type to Contract)

1. Locating the Carrier in Express:
 - a. Pull carrier up by using T# listed on the contract
2. Verifying carrier information:
 - a. Name in express matches contract
 - b. MC#, DOT# in express matches contract
 - c. T# in express matches contract
3. Checking FMCSA/SAFER (<http://safersys.org/CompanySnapshot.aspx>):
 - a. Enter MC# or DOT#
 - b. Check Safety rating (click review button in express)
 - c. Check authority status on L&I (active/inactive): if authority is inactive; please accept the contract but leave the status in 'pending' and notify carrier with the acceptance letter that they will not be able to book loads until this is reinstated
 - d. Check authority type (Property vs. House Hold Goods)
 - e. Check for active insurance (if expired you can still accept the contract and activate the carrier, notify the carrier that they will not be able to book loads until their insurance has been updated on the acceptance letter)
 - f. Check Carrier name against "OFAC List" (<http://www.treas.gov/offices/enforcement/ofac/sdn/sdnlist.txt>): hit "Ctrl" and "F" to search on this website.
4. Reviewing contract:
 - a. Check to make sure all pages are present – the footer is not required on each page in order to accept the contract (that includes page numbers and contract version)
 - b. Check to make sure the correct T# is on every page
 - c. Check for contract changes
 - d. Check Signature pages
 - i. "Signed" where it says to sign
 - ii. "Print" where it says to print

****Please refer to the email examples for acceptable/non acceptable signatures – emailed on 11/30/11 labeled "Contract Signatures". It is also on the G drive under G:\Carrier Services\Carrier Relations\Contracts Dept\contract signatures.doc**

 - iii. "Title" is present and acceptable (see attached list) **if the carrier signs as Member they must provide their Articles of Organization to prove they are a member**
 - iv. "Date" – The date has to be within the past 3 months of the current date.

****The carrier must provide a "title" – we will not accept their name as the title...even if their name is in the company name.**

 - e. Page 12 is present
 - i. Payment Type and Payment Method is selected (unless 'Factoring' is selected as Payment Type, no need for a Payment Method to be selected)
 - f. All pages of survey are present
 - i. Tractor/trailer count is filled out
 1. if zero tractor count is listed and no other information is given, call the carrier, add the verbal tractor count into Express (under Equip/Stats > Equip Counts)...if the carrier gives specific equip type info, CS Ops group will add that info as a Carrier Services Note...Ashley will add that info into the Equip/Stats tab.
 2. if zero tractor count is listed but the carrier listed specific equip type info (below the tractor count) please take the truck count from SAFER, CS Ops group will add that number into the tractor count field...Ashley will enter the specific info into the Equip/Stats tab.
 3. if tractor count was entered incorrectly into Express previous to acceptance being in that T#, call the carrier to get correct info, CS Ops group will update Express by adding the correct info into the tractor

count...if the carrier verbally gives specific equipment type info, acceptance will add that as a Carrier Services Note...Ashley will add that info into the Equip/Stats tab.

4. if the tractor count on page 15 is 10 or more higher than what is listed on Safer, please contact carrier to verify, could be possible double-brokering issues (carrier running more trucks than are insured).
5. Adding Signer to Express:
 - a. Under the **Contact Tab** create a new bar
 - b. Contact Type: **ACS** then Signers Name
 - c. **Position** (Owner, President, Manager, etc)
 - d. Save
6. Combining final contract pages with pages in hold:
 - a. Click on Split/Combine
 - b. Click ADD DOC
 - c. Batch Type should read CS OPS, change Status to HOLD, drop down Filter to CarrierID, add T# in Filter Value, and hit Continue
 - d. Select document(s) in hold and click add
 - e. Put pages together and in order by using the Combine All keys and the Move Up/Move Down options
 - f. Proceed to 7b
7. Splitting off the contract:
 - a. Click on Split/combine *note: move pages into order by using Move Up or Move Down options.*
 - b. Split the contract into three sections (using the "Split doc" option):
 - i. **Survey:**
 1. change hierarchy: **Doc Group- Carrier Relations, Batch type- Carr Survey, Doc Type- Survey**
 - ii. **Payment Page/Appendix A**
 1. Change hierarchy: **Doc Group- West Memphis, Batch Type-Fax WMemph, Doc Type: QP Agreement.**
 2. If carrier selects 'Factoring' as their Payment Type, the page gets split off to **Batch Type: Resolutions**
 - iii. **Contract:**
 1. Change hierarchy: **Doc Type- Carrier Relations, Batch Type- CS OPS, Doc Type- Contract.**
 - c. Save
8. Sign the contract
 - a. Drop down '**Sub Type**' to select what type of contract it is (ex. Master, Hazmat Addm, Broker, LTL)
 - b. Click on "Apply Signature"
 - c. Use the Directional keys (L, U, D, and R) under "**Move**" to move the signature over the appropriate field on the signature page.
 - d. When you're Done click on "**Accept**"
9. Final Processes in Express:
 - a. Change the Carrier Status (under Details(6) tab to "Active")
 - b. Update the Contract status on the "**contract**" tab.
 - i. Make sure the *contract version* is the most recent.
 - ii. Double click on the contract bar in use.
 - iii. Enter today's date in "contract date" field.
 - iv. Change "**Contract Status**" to **Accepted**.
 - v. Save out of this field.
 - vi. Make sure "Rollup info" is filled out appropriately.
 - vii. Make sure the "types" tab was filled out.
 - viii. Remove any contract notes in the "Notes" field if they no longer apply.
 - ix. F9 to save out of the id.

10. Deleting the contract in the word file:
 - a. Search for the contract in the "2000 Contract file" Using the T#
 - b. Select the contract and Delete.

Inserting Clean Contract Pages

- If you can read all pages, even if they are somewhat fuzzy, process the contract as is, no need to add clean pages.
- If pages are fuzzy to the point of being illegible, but you're able to see the carrier has not made any changes; insert clean pages.
- If unsure if changes have been made, **do not** insert pages; contact carrier asking them to refax the pages.
- If you have inserted clean pages, when sending the carrier a letter, your letter needs to say that so the carrier is aware.

Truck Stop Contracts

(This request needs to come from the carrier – we do not offer it)

1. Send the entire contract to the carrier at the truck stop fax # the carrier provides.
2. Add Contract notes: "Truck Stop contract faxed to carrier" including the fax # it was sent to.
3. The carrier only needs to fax back pages 2, 11, and 15 to be contracted temporarily for 30 days.
4. Accepting the Truck Stop Contract:
 - a. As long as those pages are acceptable (i.e. no changes have been made, the signer is acceptable, and the truck count is provided) put those pages on a Truck Stop Hold.
 - b. Change the Doc Type to Contract, add the T#, change the Status to Hold, and the Reason to Truck Stop Hold.
 - c. The Truck Stop Hold letter to the carrier needs to be altered; the wording for the letter is listed on the Insurance Hold Reason Sheet under 'Truck Stop Contract'.
 - d. Update the menu bar to Accepted, flip the status to Active, and add a Carrier Services note "Carrier on a Truck Stop Contract, they will need to send the remaining pages within 30 days in order to remain active".

Jessica and Jenni will be checking the Truck Stop Hold queue daily, if the complete contract is not returned within the 30 days the carrier will be put back in a pending status.

Starting immediately, any NEW carriers that we are accepting contracts on, we will need to search for them on a list (link attached) **before completing their set up process & sending them an acceptance letter**. Please see the below instructions:

This is what needs to be done:

Perform a search on the name ("Ctrl F"). When searching try first and/or last name and also search by business name.

- If no match, proceed.
- If match then compare address. If no match, proceed; if match, do NOT proceed and contact Kason Klumpanyan or Chris Gerst.
- If there is no address listed, do NOT proceed and contact Kason Klumpanyan or Chris Gerst.

Carrier Set-Up MDM SOP

(Last updated: 09/18/14)

Note: Carrier set up info comes into to the SSI-CS OPS Que. In order to pull up the paperwork you must get into the "Doc indexing" screen. Set the drop down bar marked "Batch Type" to **CS OPS**. Click "Continue" and you will be able to view the paperwork.

****If you put a carrier T# to pending and they are a managed carrier, please notify the managing branch rep that you are changing the carrier's status (Strategic Relationship):**

The screenshot shows a web application interface for carrier setup. It includes sections for 'Overview', 'Business Types', 'Equipment', 'Services', and 'Maneuvering & Costs'. The 'Overview' section contains fields for Carrier Name, FMCSA Safety Rating, Driver's License Status, DOT Number, and others. The 'Business Types' section has a dropdown menu. The 'Equipment' section includes a dropdown for 'Equipment' and a text field for 'Equipment Tracking'. The 'Services' section has a dropdown for 'Services' and a text field for 'Service Tracking'. The 'Maneuvering & Costs' section has a dropdown for 'Maneuvering' and a text field for 'Costs'. At the bottom, there are buttons for 'Save', 'Cancel', and 'Continue'.

Steps:

1. First, search for this carrier on the Safer & FMCSA websites to try to locate an MC/DOT number if you are not provided one. (<http://www.safer.org/CompanySnapshot.aspx> and http://li-public.fmcsa.dot.gov/LIVIEW/pkg_carrquery.prc_carrlist)
 - a. If nothing comes up in your search on either websites, follow the steps below in Step #5.
2. Next, search the MC/DOT numbers in Navigator by changing the "Type" on the Navigator homepage to "Carrier", and hitting your F2 in the "Code" box.
 - a. On this search screen, **unclick the "current" checkbox** in the Status field and search by MC/DOT# (search both numbers if you have them, and one at a time)
 - Make sure that you hit the "search" button for Navigator to run it's search (it will not search if you hit tab, or enter)
 - b. See pg 13 for more information on Search options using the % sign.
3. If carrier comes up with a match in Navigator, you will see a list of any matches at the bottom of your F2 search screen, and you will select the appropriate carrier, and select "open" to proceed. (**note: you can also double click on any displayed results to open that file**)

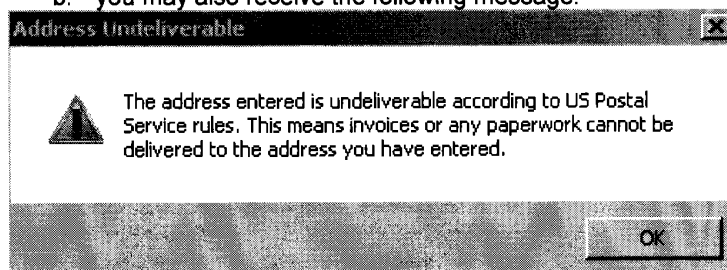

Search Prev Search Cancel Search						
2 Rows Returned						
Party Code	Party Number	Party Type	Party Name	Party Status	DBA	
T508200	3157968	Carriers	Tank Express	Active		
T508414	3170702	Carriers	Spice Boy LLC	Active		

Open Clear 2 Rows Returned

If it does not have a MC# or USDOT# match you will select the "X" at the top right corner on this page and create a New ID number:

- a. On the Homepage change Type to Carrier and **select "New"**

- Enter the legal name in the Profile Tab (0) (system will standardize this, punctuation may disappear, and certain acronyms will be updated. But make sure the entire name is listed and that none or part of it falls off.)
- Enter DBA name in the Address Tab (1)
 1. Verify the carrier name on the Safer website matches the name on the L&I/FMCSA website. The name does not have to be exact, but should be similar. If the names on each site are completely different, do not send a contract until one has been updated. Notify the carrier they must update this before being sent a contract.
- Enter Address in the Address Tab (1)
 1. after you enter in the address, you will want to select any other tab in Navigator to prompt the system to run a search on that Company name/address (the system will also standardize the address at this point)
 - a. if something was auto corrected, a  will appear, no need to act on this.
 - b. you may also receive the following message:

If so, first check to see if the address is listed on Safer or the FMCSA. If so, correct the address from here. If not, verify you have entered the address correctly from setup form and continue.

- c. If the system finds any duplicate names/addresses that already exist with in Navigator, it will open the following screen

PartyCode	Name	DBA	Phone	Fax	Address	City	State	PostalCode
1252911	B Trucking				4508 Victoria Dr...	FORT Smith	AR	72504

- i. if a dup is found for the same carrier you are working on, you will be able to select the already existing file shown to continue, and you will dump the ID you started.
- ii. If a duplicate shows up for **other** carriers, the "similar information" will be highlighted in **BOLD**. After you have reviewed the **BOLD** info, and determine there is enough evidence that leads us to have to determine the relationship - You will double

click on each appropriate T# to open a new tab for that ID. Use the same process we do now to determine if there is a relationship, and call carrier if needed.

- iii. if no dup is found, select "cancel" at the bottom of that screen and continue to next step
- iv. add any additional address provided on setup form/survey pages. The main mailing address will be entered into Navigator as their "Physical" address (this should always be the PO Box if provided), and the carriers physical address provided will be added as their "Location" address. If they provide more than 2 addresses the 3rd should be entered as an "Alternate" address. Any additional addresses added in Navigator (besides the main physical address) will need to be manually searched for duplicates. You will do that by going back to your home page, and selecting the F2 search window to search for any duplicates.
- v. If the carrier provides a PO Box address and a street address located in the same city/state and zip code, please do not put them both as the physical address, always add the PO Box as the "physical" address and the street address as the "location" address.

- Enter contact information next in the Contacts Tab (7)
 1. enter "General Contact" as the primary contact "Name"
 2. select "company main" for the "Department"
 3. enter in the primary phone number
 - a. A duplicate check process will run to look for parties that may have the same contact listing
 - b. Determine if they are the same contact and proceed

****The Name and phone number all need to match to be able to associate any given contact with any duplicates that come up in this search**

****If there are multiple ID's that share the exact contact name or phone number, you will still need to research this relationship, even if you don't associate your contact with the other ID's.**

4. enter contact fax number in the sub tab for Contacts, called Modes & Additional Contact Methods

- a. you will use the drop down arrow in the "type" field (below the listed phone number already populated) to select fax, and tab thru to add that number.

5. Enter any additional contacts/phone numbers you are given in Contacts Tab (7) (You will need to add "No Name Supplied" to the 'Name' field to add any additional numbers that doesn't provide a contact name.)

- a. If you find a match by the name or number, select the appropriate match.
 - b. If you make changes to a Contact that is also tied to other ID's you will get the following message when you make any updates to that contact. You will need to determine whether you want that information copied to each ID, or just for that specific profile

6. Enter email address in Operations Tab (6) sub tab Book Communication & Defaults

- a. An email address must be provided in order for the carrier to be contracted.

- Save record by selecting "save" under your File menu.
 1. you can also hit F9
 2. or by using the short cut button

- Change "Carrier Status" to pending in Qualification Tab (5) sub tab Status & Authority

1. Complete Duplicate check by clicking on the "Dup Check" button
2. Copy/Paste the carrier MC# & US DOT# from Government website and click submit.

PartyCode	Name	DBA	Phone	Fax	Address	City	State	PostalCode
75007427	E & N Transport...				PJ Box 420035	Kissimmee	FL	34742-2035

3. Any common information that is found will be displayed in **bold**
 - a. First, review what is "Common" by what is **BOLD**, and make sure it could possibly be a Duplicate (i.e. just because it share the same city/state does not mean it's a duplicate). If it is a potential duplicate, you can double click each T# to open a new tab for that ID. Use the same process we do now to determine if there is a relationship, and call carrier if needed.
 - b. call that carrier and find out what the relationship is.
 - c. if they are under the same ownership, a corporate id will need to be created (corp roll up T# is the "Family" ID) to link the ids together (each carrier T# is a "Parent" ID under the corp id.) no additional notes needed in this scenario
****See below on Creating a Rollup ID****
 - d. If they are owned separately, add notes to each T# as far as what the outcome is (ex: John is the owner of T1234, his brother owns T5678, and they operate out of the same office.)
4. Once the Dup Check is completed you will hit "Close" on that screen. You will now see this Carrier's Intrastate (DOTNUM) authority populated at the bottom of that tab.
****NOTE – since this now auto populates when the carrier has a US DOT # and MC # we will need to make sure we add good notes if we did NOT physically receive the authority. Remember to open all (+) signs and read ALL notes!**
If no MC populates, their MC may still be PENDING – click on the FMCSA link to investigate.
Also, please add the Authority Summary status manually for all Intrastate carriers w/out a US DOT # and IntraCanadian carriers, regardless if we have received their authority or not.

Authority	ID	Type	Status	Effective Date	Renewal Date	Updated Date
DOTM#	2198344	INTRASTATE	A	12/15/11		

5. Complete Verification

- a. Check to make sure that we have their name entered correctly to match their MC or DOT name per the government website. ****NOTE – any information that does NOT match the FMCSA will be highlighted YELLOW. This will be a key to check that information.**

- b. Check to make sure this Carrier has a "None" or "Satisfactory" safety rating. ****If they are "Conditional" or "Unsatisfactory" you will skip thru to page 16 "Rejecting PW Process".**
- c. Make sure there are no matches on the OFAC Check (**this works regardless if a Carrier has an MC or DOT number**). Do **NOT** proceed with the setup if there is a hit until it has been reviewed and OK'd by legal to move forward with the setup. If there is a match please send it to BECKCOL for review.
- d. Make sure to manually check a carrier's DOT information if there is missing data in the Safer Check section of this Verification window, or if you notice the letters "MC" preceding the MC number at the top of that screen as well. (see screen shot above). This is an indicator that the MC is

or was inactive, and we should be manually checking this using the Safer Website link at the bottom of this screen.
(You may need to manually update the DOT Safety rating after completing this manual check.)

e. Select "review complete"

f. You will now notice that the MC authority information is populated for you. Take note of the MC status and take appropriate action if it is "inactive". If the MC is still pending and not yet granted, nothing will populate in the authority summary.

*** (NOTE: Once this is entered the first time, we will not need to manually update this information. It will automatically update each time we "Verify" an ID)

6. Enter "Business Type" in this same tab using the drop down box to select appropriate type.

7. Save the file

- Process your MC authority document
 1. If the carrier is **INTERSTATE**: Start by looking for the carriers' mc authority or mc# in the PW received
 2. Verify that we have the most current mc authority
 3. Verify that the proper authority is active (Common, Contract, Broker)
 4. Verify that the carrier has an authority of **Property** (except household goods) if they are a "common" or "contract" carrier.
 5. If you do not have an mc authority then note it in the file under the **At a Glance (4) Tab, sub tab Notes**. ****This is IMPORTANT, as we will no longer be entering an Authority tab in Navigator.**

Make sure you have reviewed all contract notes before sending a contract.

- Look for insurance in the set up packet:
 1. The underwriter provided on the Insurance certificate will need to match what is provided on the FMCSA (with the exception for INTRastate & Canadian Carriers.) If it does not match notify the carrier to get this corrected. You will be able to see the Underwriter listed on FMCSA in the bottom left corner on the Insurance tab

Status	Type	Underwriter	Underwriter Name	Limit	Policy Number	Effective Date	Expiration Date	Cancel Date
Active	General Liab	1499	Cherokee Ins Co	1,000,000	GL110005	12/06/11	01/01/12	
Active	Auto Liability	1499	Cherokee Ins Co	1,000,000	CA110006	12/06/11	01/01/12	
Active	Trailer Intercha...	1499	Cherokee Ins Co	40,000	CA110006	12/06/11	01/01/12	

Type	Underwriter	Limit	Policy Number	Effective Date	Cancel Date
Auto Liability	CHEROKEE INSURANCE CO.	1000000	CA110006	12/06/11	
SURETY	CHEROKEE INSURANCE CO.	100000	SB010002	12/06/11	

2. Enter if it is legit and legible. If not, again notify the carrier as to what the issue is.
3. If you did not receive an insurance certificate, request one.
4. Insurance is entered in the Qualification (5) tab, sub tab "Insurance".
 - a. select the "new insurance" button
 - b. Select "Update" once all information is entered
 - c. Repeat these steps for each coverage listed on Certificate.

Insurance Entry

Insurance Type: * [Dropdown]
 Agent Code: [Text]
 Underwriter Code: * [Text]

Generate Issue Letter [Button] [Update] [Cancel]

- ** You will notice that there is a red "x"  next to all fields that are required when entering any Insurance coverage.**
- ** You will also notice that the Agent Code and Underwriter fields are Blue, which will allow you to use your F2 search feature to locate these companies.**
- ** You will be able to select the Auto/Cargo policy limits using the drop down arrows shown above (you will still enter all other policy limits manually)**

5. You will now be able to enter a Certificate that has an effective date that is in the future. We will no longer put these on hold, you will enter them as it is listed on the Certificate you get. ****Take note and make sure that the Insurance is Active/Effective before you send a carrier a Contract.**

- a. If you receive a Certificate that does not provide the Effective date, and the Policy number on the Certificate matches the information from the FMCSA then enter the effective date listed on the FMCSA website.
- b. If the policy information does NOT match what is filed on the FMCSA website, put that Certificate on hold and request an Effective date, or have the Agent correct the filing on the FMCSA to list the correct policy number so that we can use the Effective date from that website. (questions on this please ask Jenni or Jessica)

6. After you have added your Insurance Certificate, you now add your insurance note in the At a Glance (4) tab, sub tab Notes.
 - a. Select a "Reason" (i.e. Insurance, Contracts, Other)
 - b. Tab thru and add your insurance note

- Enter the W9/W8 tax form in the Tax (8) tab.
 1. The tax name on this tax form will need to somewhat match their Authority name. It does not need to match exactly, but it cannot be something completely different. We no longer need to add their Tax name to the Tax ("Legal") address. ****Ask Jenni or Jess if you have any questions on this.**

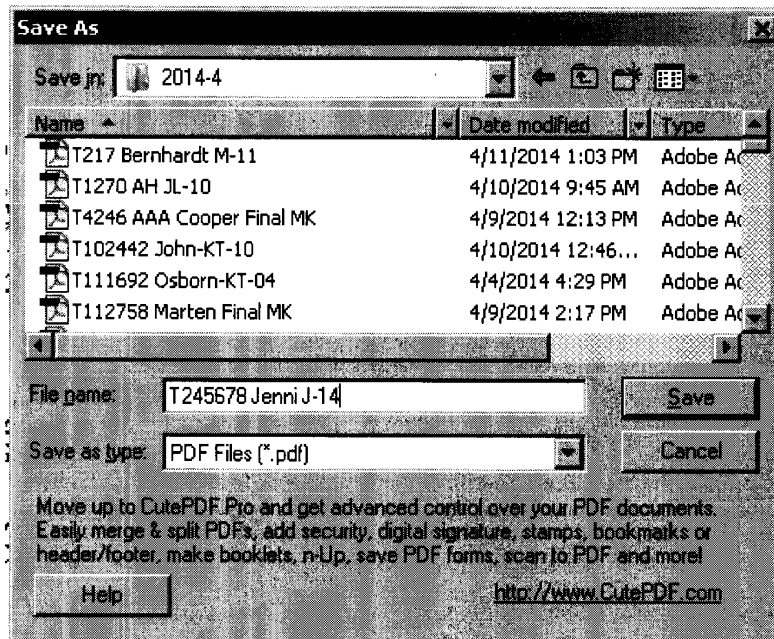

****Canadian Carriers should only be providing W8BEN/ECI Tax Forms, not W9 Tax Forms; the W9 is for US Carriers only**

2. If they provide an additional address on this form, add that to the Address (1) Tab, under the Address Type: "Legal" ****NOTE, you will need to do a manual search on this address to check for Dups.**
 3. You will select the appropriate Government code (SSN, FEIN)
 4. enter in their tax ID number in the "Tax ID" box
 5. add the Tax Entity type
 6. add the Tax Certificate Type
- if you receive a carrier SCAC/IATA code, you would add this in the Qualification (5) tab, sub tab "Status & Authority"
 - Once all paperwork is entered, you will generate your hold letter to the carrier if anything was missing, or if you entered in their insurance temporarily.
 1. Click on Utility, then "Generate Letter"
 2. Select the appropriate letter you want to send (you can preview your letter before you send it.)
 3. Select either email or fax and send that letter to the carrier.
 - After saving all info in Navigator, you will need to index or split off paperwork you received in SSI.

1. First you must find the id for the pw and enter it into SSI by "Carrier ID" Then select "Split/Combine".
2. MC & Single state authorities, or US DOT must be split off with "Batch type" as **Misc** and "Doc Type" as **Federal Documents**.
3. Insurance certificates will be split off to "Batch Type" **Misc** and "Doc Type" **Insurance Certificate**.
4. W-9's or W-8BEN's will be split off with the "Batch type" as **Misc** and "Doc Type" **Financial Documents**.

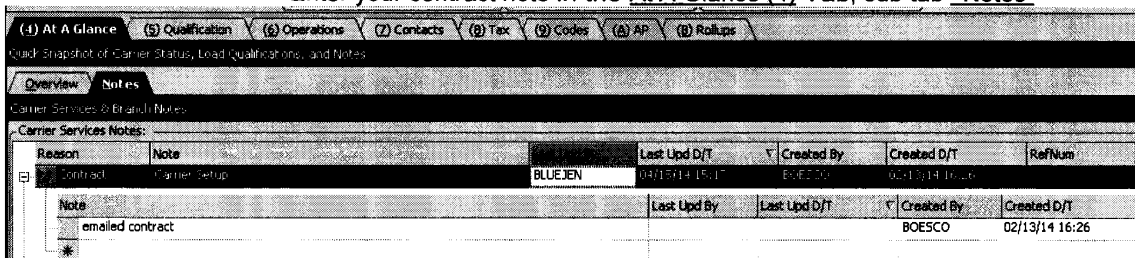

***Once all of this is done you must hit "Save"

5. Change the batch type to **Misc**, drop down Filter to **Carrier Id**, enter the carrier T# into the **Filter Value** and hit **Continue**.
 6. Sub Types will need to be entered for: MC Authority – Authorization, W9/W8 Tax Forms – W9&W8Forms, and US DOT/MCS-150 – DOT, hit Index or Accept for each document, this will send the pw to sCHRimage.
- Create your Contract Menu bar
 1. You will have to create a "contract menu bar" under the Qualifications (5) tab, sub tab contracts.
 2. Select the Contract you are creating (i.e. TL, IS, EX, Broker)
 3. next add the version type (7.3)
 4. enter the Type: (New, Reentitled, Updated...)
 5. Enter the contract status (P – problem, S – sent, ect...) and tab thru, the date and your 7-letter will automatically populate
 - If all appropriate paper work is received to send a contract, you will generate and send the contract by doing the following:
 1. Select the Template you are trying to create in the "Contract" tab (i.e. Master Contract 2010, Master LLC 2010, Broker 2011, ect...)
 2. Then hit the Generate Contract button
 3. Double check to make sure the Company name, T#, address, MC/DOT numbers are all merged correctly to this contract generated.
 - a. **Remember to check the Carrier name on an LLC contract, as the DBA name will NOT merge into this contract. If the carrier is an LLC and they have a DBA name, you will need to manually add that to the contract before you save and send that to the carrier. The 'dba' needs to be typed in lower case letters and be entered in the same font/color as the contract is in.**
 4. Drop down "File", select Print, then change the printer to "CutePDF Writer", and hit Print. Once the "Save As" box comes up, add the T#, Co Name, and your Initials to the File Name, and save to the Contracts folder in the corresponding month/year.

5. Next click Save then close out of the word doc, select "don't save" when the Microsoft Word prompt comes up.
6. Attach the pdf to an Email – and fax or email the Contract to the carrier.

- Enter your contract note in the At A Glance (4) Tab, sub tab "Notes"

****You no longer need to add your 7-letter to your notes, this will auto populate**

- Final Steps before saving
 1. Make sure you have marked the status correctly on the contract bar in the "contract tab".
 2. Make sure you have entered the business type correctly under the Types tab.
 3. Make sure you have entered the MC #'s and US DOT #'s correctly
 4. Make sure the name is correctly entered.
 5. Make sure your notes in the "carrier services" note tab are correctly entered.
 6. Save the file.
4. If you find a match to a carrier in Navigator who has a **Conditional Safety Rating** or the carrier themselves has a **Conditional Safety Rating**:
 - a. Create a new 'skeleton' T# including **only** the general info, mc/dot #'s, safety rating, and rejected pw/related to' note.

- b. Send a letter to the carrier letting them know we can not process their pw due to their relationship with "Jones Trucking" (do not give out T#) who has a Safety Rating issue.
 - c. Send the new carrier pw to the CS OPS-Reject queue under the new T#.
5. If the new carrier is related to an existing carrier that is listed as **PERM DNU**, please put the pw on hold and notify BLUEJEN or LATZJES to see if the new carrier can be contracted.
6. If the carrier is **INTRASTATE** and you are not able to locate this carrier on the US DOT website:
 - a. You will need to first do a manual search for this new carrier's address:
 - You will only search any addresses they provide you (they system will already check the name and phone numbers you will enter in the ID)
 - If no matches are found, proceed to step b.
 - If you find a match, double click on each T# into to open a new tab for that ID. Use the same process we do now to determine if there is a relationship, and call carrier if needed.
 - b. Create a New ID following the steps above in Section 2.a. They will need a single state registration from the state they operate out of. Check to make sure you receive an approved State authority at G:\Carrier Services\Carrier Relations\Carrier Services Operations\Sample Docs
 - To add a Single state authority, you will manually select "Other" as the authority (in the auth summary section) and tab thru to the Type and add intrastate, and then add the status. You will only be able to have one INTRASTATE authority summary, so if you get a single state authority and later get a US DOT, you will need to delete the single state auth to add the US DOT to the file. This is how you will add the Canadian authority as well.
 - If the carrier has an inactive DOT number and they want to run under their approved State authority, you will need to add the DOT type as "Inactive" so that you are able to add the 'active' INTRASTATE authority summary tab.
 - c. If they did not provide a single state authority, please request them to send it.
 - d. If they have a US DOT# they must show active on the safer website.
 - You will need to use the link in the Verification screen to pull up the Safer Website (<http://www.safersys.org/CompanySnapshot.aspx>)
 - You will need to verify the Company name, safety rating, address, and entity type thru that link.
 - If it comes up that they are not active we can not contract this carrier until they are, please make note of this in the Carrier Services Notes that reads "no safety rating data listed on safer". (this pertains only if they do not have an active Single State authority and only have a DOT number)
 - e. Also verify name and that their safety rating is either "none" or "satisfactory". If the carrier has an "unsatisfactory" or "conditional" safety rating then we cannot contract them. Create a T# for the carrier by adding only the general information, add a note as to why we are not contracting, and send the paperwork to the CS OPS-Reject queue.
 - You will need to manually update the FMCSA Safety Rating in the Qualification (5) tab, sub tab Status & Authority section.
 - You will need to manually update this safety rating if that ever changes.
 - f. Once this is all verified, proceed with entering the remaining paperwork just as you would for an Interstate carrier above.

****If a carrier does have an active US DOT # but does not have their US DOT letter, we can accept the MCS-150 Form – Sample copies of this form will be handed out for reference...we can not accept the "Application for US DOT Number".**

*****NOTE – you will need to complete a "Verification" Check each time you touch any T# in Navigator.**

Creating Rollup ID

Steps to Create a Corp Rollup ID:

1. Click on your "Homepage" tab to be able to create a New Carrier ID, hit "New"
2. Follow the steps above to copy/paste all of the general Name, Address, Phone, Fax number.
 - a. The system should come up with a duplicate when you enter the same name & phone number, you will just continue thru that.
3. Click on the Operations (6) tab, sub tab Book Communication & Defaults
 - a. Select the Fax radial button
4. Click on the Qualification (5) tab, sub tab Status & Authority.
 - a. Change the Carrier Status: to "Rollup"
5. Click on the Rollups (B) tab
 - a. Change the Rollup Level: to "Family"

Carrier Details

(1) All A Glance (2) Qualification (3) Operations (4) Contacts (5) Tax (6) Codes (A) AP (B) Rollups

**** You will notice the tree that will show all ID's that fall under that Corp ID.**

**** Same steps above will apply for Re-Entitlements. The old ID will be the "Child" to the New ID "Parent"**

VERIFICATION: You will need to hit the Verification button each time you touch an ID. Just like in the past when we had to lock down the Safety rating, same rules now will apply to **VALIDATE** the ID every time you touch an ID.
****This is done in the Qualification (5) tab, sub tab Status & Authority.**

SOP for Re-entitlements

1. Once paperwork for a name change has been received:
 - a. Create a new ID number (refer back to "carrier set-up SOP). You will obtain the new name off the govt website (if you are not provided the Decision letter showing their new name)
2. Copy/Paste only the general address/phone/fax/email info into the new ID – no other contact info should be copied over. If different contact information is provided with the new paperwork than what we had on file, you can use the information that was provided from the carrier without having a Change form submitted. Once the new T code is active, if any info (address, ph, fax, contact info) needs to be changed, then a change form will need to be sent.
 - a. You will have to link both the old and new id together
 - Click on the Rollups (B) tab
 - Paste the New ID# into the "Rollup Carrier:" in the old ID, and change the Rollup Level: to "Child"
 - b. Be sure to create a "contract menu bar" in the Qualifications (5) tab, sub tab Contracts (please refer to contract set-up SOP) and make sure to pick the contract "type" as "re-entitled" instead of "new".
 - c. If paperwork was not received and you were notified of the name change from the carrier/branch over the phone or an e-mail, do not create a new T# until pw is rec'd.
 - d. Be sure to "x" out the old id under the Qualifications (5) tab, sub tab Status & Authority IF this carrier has no pending payments (you can find this out by going to "utility" at the top of your screen down to "AP Query"...if no information pops up in the AP box then you are safe to "x" the file. If information does pop up then put the carrier to "pending".)
 - e. Save File.
3. If the carrier's original T# has any kind of Factoring issues or AP Hold issues please contact the Carrier Resolutions Team in order for the info to be transferred to the new id.
4. If the existing/active carrier has a Conditional Safety rating and is on the Conditional Carrier Program – it is ok to contract the carrier under the new name, please notify SCHNKIM of the new T#.
5. If the existing/active carrier was originally contracted with a NONE safety rating but they have changed their name and now have a Conditional safety rating (SCHNKIM has NOT been notified to add them to the Conditional Carrier plan yet)-Their paperwork will need to be rejected until they have obtain a Satisfactory rating.
6. If the carrier's original T# was managed by a certain branch, please notify BECKCOL to have the information transferred to the new id.

**** When carriers change names, we need to start checking whether they have certifications listed. If they do, when sending the letter to the carrier on what we need for their name change, we also need to include that they will need to have their certifications updated with their new name with the respective entities. That way when we get the download from Carb, CTPAT, Smartway & NPTC we'll be able to flag them accordingly.**

Reference #	Description	Cert Exp Date	Cert Date	Cert
	Alabama Coil Certified			
	CARB QUALIFIED			
	CTPAT			
	EPA SMARTWAY PARTNER			
	ISO CERTIFIED			
	NPTC MEMBER			
	TSA DOMESTIC AIR			

Carriers going from INTRA to INTER and Vice/Versa

1. If a carrier is originally contracted as an INTRAsate carrier but now has an MC Authority to haul INTERstate freight:
2. We will first need a copy of their MC Authority in order to update the carrier
3. If the name on the MC Authority matches the already contracted INTRAsate name and the carrier is on a 7.2 contract you will need to:
 - a. update the business types from INTRA to TL
 - b. add a CONTRACT menu bar listing the same information that is listed with the INTRA menu bar (version#, contract status, contract date, contract signee, signee position) and then inactivate the INTRA menu bar
 - c. index the MC Authority
4. If the carrier is not on a 7.2 contract, please send them a MAS contract (leaving the id in active status as an INTRAsate carrier until MAS contract is returned and processed)
5. If the contracted INTRAsate name does not match the name on the MC Authority:
 - a. a new T# will need to be created and contracted for the INTERstate id
 - b. the INTRA id can remain active until the INTERstate id is contracted
 - c. the INTER and INTRA ids will need to be linked by a corporate T#
 - d. once the INTERstate id is contracted the INTRA id can be put to pending

Contract Signor No Longer With The Company

1. Have the carrier verify the current contract signor they are saying is no longer with the company.
2. If the carrier verifies this correctly, put the T# to pending.
 - a. If the carrier is managed, check with Jenni or Jessica before changing the status.
3. If the contract on file was signed by an owner/president request proof of current ownership and send a new contract once an acceptable form of ownership has been received.
 - a. Please check with Jenni or Jessica to help with proof of ownership verification.
3. If the previous contract was NOT signed by an owner/president:
 - a. Verify with the carrier who the current owner/president of the company is.
 - b. Check the Contacts(7) tab for the owner/officer's name.
 - i. If the person is listed in Contacts tab, send a new contract for the owner/president to sign.
 - ii. If the person is NOT listed in the Contacts tab, have them provide proof of ownership/articles of organization listing this person before sending an updated contract.

Legal Name Change

If the contract signor has changed their legal name please ask them to send in legal proof of their name change (this does not apply for a *company* name change). Once the valid proof has been received, please update the name in the T#. They will not need to complete an updated contract and their original signature will still be valid.

Truck Stop Contracts

(This request needs to come from the carrier – we do not offer it)

1. Send the entire contract to the carrier at the truck stop fax # the carrier provides.
2. Add Contract notes: "Truck Stop contract faxed to carrier" including the fax # it was sent to.
3. The carrier only needs to fax back pages 2, 12, and 16 to be contracted temporarily for 30 days.
4. Accepting the Truck Stop Contract:
 - a. As long as those pages are acceptable (i.e. no changes have been made, the signer is acceptable, and the truck count is provided) put those pages on a Truck Stop Hold.
 - b. Change the Doc Type to Contract, add the T#, change the Status to Hold, and the Reason to Truck Stop Hold.
 - c. The Truck Stop Hold letter to the carrier needs to be altered; the wording for the letter is listed on the Insurance Hold Reason Sheet under 'Truck Stop Contract'.
 - d. Update the menu bar to Accepted, flip the status to Active, and add a Carrier Services note "Carrier on a Truck Stop Contract, they will need to send the remaining pages within 30 days in order to remain active".
5. Jessica and Jenni will be checking the Truck Stop Hold queue daily, if the complete contract is not returned within the 30 days the carrier will be put back in a pending status.

Searching for Carrier's using "%"

1. When searching for Carrier's in the F2 screen, you can use the % sign to have Navigator search for any Partial information (to include their Name, DBA, address, etc...) Below are examples of how this function works:

Ren% - Gets everything that starts with "Ren" and also has other characters after it. It will find "Renae", but it will not find "Ren"

%ren - Gets everything that ends with "ren" and also has characters before it. It will find "Warren", but it will not find "Renae"

%Ren% - Will only find those that have "Ren" in the middle of the name where at least one character is before and after. It will find "Miss Renae the Awesomest", but it will not find "Renae" or "Warren"

2. If no matches are found, remember to check and make sure that the "Active" box is NOT checked, to have Navigator look for both active and inactive Carriers.

Manually Searching for Duplicates when the Auto Standardization is Down

- Pull up the F2 Search Screen
- Uncheck the "Current" Box
- Individually add the carrier's name/dba name (See **Searching for Carrier's using "%"**), mc#, dot#, phone/fax#, address, city/state
- After each one is added hit Search (search only one option at a time) and be sure to clear the screen after each search...you may have to uncheck the "Current" box each time
- If no match comes up for any of the searches you are ok to move on with the setup process

SOP for MDM Insurance Entry

(Last updated: 06/10/14)

Overview:

1. Entering insurance
2. New Set ups
3. X-Status Carriers
4. When to give temporary updates for Contracted Carriers
5. Problem certificates
6. Exclusions and underwriters
7. Canadian certificates
8. Brokers
9. One time load increases
10. Reinstatements and cancellations
11. Self insured carriers/brokers
12. Haz Mat requirements and certificates
13. Change Forms
14. Re-entitlements (Name changes)
15. Where to get insurance for the customers
16. Miscellaneous information

****If you put a carrier T# to pending and they are a managed carrier, please notify the managing branch rep that you are changing the carrier's status (Strategic Relationship):**

1. Entering Insurance

- a) Check certificate for any issues (name, address, dates, certificate holder... etc), then locate the Carrier in Party Editor.
 - i. Enter the Company name on the Homepage, Carrier screen in the Code box. If the company is not found, it will open your F2 search screen. When searching for companies by partial company names or addresses make sure you add the (%) symbol before and after that name or address. (See below in Miscellaneous for more details on using the % feature)
- b) Process Carrier Verification in Navisphere to check DOT rating/authority status name as it's filed on L&I/Safer. (This is found in the Qualification (5) Tab, subtab Status & Authority)
 - i. Make sure that name matches between Safer and L&I.

* If the Carrier is INTRASTATE, you will need to copy the DOT number in this screen and click on the Safer link to manually check all Carrier information. Update the ID if necessary.
 - ii. Make sure name matches ID in Navisphere.
 - iii. Make sure the address on the certificate matches an address listed in the Address (1) Tab. If it does not match, use the drop down arrow by Address Type: and check any of the additional addresses listed for carrier.

- iv. If the certificate lists an address that has a PO Box/Physical address with the same city/state as Navisphere it is OK to update and add the address from the certificate as an "Alternate" address.
- v. If safety rating is conditional send an email to Carrier Resolutions (RESOCAR) letting her know, if the safety rating is unsatisfactory send an email to Jenni.
- vi. Check the authority tab to make sure it is in the correct status. This is now done automatically when you do your 'Verification' on an ID. You will see their status reflected in the Authority Summary.

Authority Summary				
Authority	ID	Type	Status	Effective Date
MCNUM	544425	COMMON	Active	10/17/11

Make sure to manually check a carrier's DOT information if there is missing data in the Safer Check section of this Verification window as well, or if you notice the letters "MC" preceding the MC number at the top of that screen as well. This is an indicator that the MC is or was inactive, and we should be manually checking this using the Safer Website link at the bottom of this screen. (You may need to manually update the DOT Safety rating after completing this manual check.)

vii. Hit Review Complete

- c) Next click on the Insurance Tab (in Qualification (5) Tab) to make sure there is Insurance filed on the FMCSA.
 - If no insurance is on file with L&I and authority is revoked DO NOT ENTER, but if insurance is on file but the authority is revoked ok to enter (see temporary updates section for instructions on entering insurance when not on file but authority is active).
 - ALWAYS enter limit for primary/auto liability per L&I if lower than what is listed on the certificate. For example, when L&I lists 750,000 in auto, and the certificate states 1,000,000.... enter 750,000.
- d) If all checks are good, you will enter the Insurance Certificate by either double clicking on the current policy you are updating, or by selecting the "New Insurance" button in that tab.

The screenshot shows the 'INSURANCE ENTRY' screen. Arrows point to the following fields:

- Effective Date:** 10/18/11
- Expiration Date:** 10/18/12
- 15 Days:** (checkbox)
- 20 Days:** (checkbox)
- Limit:** 2,000,000
- FMCSA Limit:** (checkbox)
- Notes:** (text area)

Other visible fields include:

- Insurance Type:** Auto Liability
- Agent Code:** J103
- Underwriter Code:** J103
- Policy Number:** WN0000111
- Currency:** USD
- Deductible:** 750,000
- Limit:** 5,000,000
- Endorsements:** (checkboxes for Surety Bond, Cargo, General Liab, Pollution Legal Liab, Trailer Interchange, Umbrella Coverage)

Buttons at the bottom: Generate Entry Letter, Update, Cancel.

- You can use the drop down arrow to enter in the Limits for Auto, General, and Cargo. You will still manually enter in all other limits.
- Select the "15 day" box for Canadian holds as well.
- You now will enter all certificates regardless of the Effective date for new Carriers. We no longer put any certificates on hold for a future effective date. Enter both dates for all Certificates.
- If you receive a Certificate that does not provide the Effective date, and the Policy number on the Certificate matches the information from the FMCSA then enter the effective date listed on the FMCSA website.
- If the policy information does NOT match what is filed on the FMCSA website, put that Certificate on hold and request an Effective date, or have the Agent correct the filing on the FMCSA to list the correct policy number so that we can use the Effective date from that website. (questions on this please ask Jenni or Jessica)
- The FMCSA Limit is listed in the auto ins entry screen
- Any time the policy number on the certificate matches the FMCSA, and there is a different underwriter on the certificate, use the underwriter from the FMCSA (**US & Canadian carriers**). *This applies to existing carriers. For new carriers, there is no change to your current process.

- Select the BMC – 32 Endorsement in cargo if there is cargo filed with the government that matches what is listed on the certificate and take out if no longer filed.
 - The Maximum Cargo coverage.....\$500,000 for US carriers & \$750,000 for Canadian Carriers. If the certificate states more, please enter a note, "see cert for more coverage".
 - If "reefer" is listed on the certificate please select the reefer breakdown in the Endorsement section and add the reefer deductible if applicable. Do not update if it only list broad form/ legal liability or if it states "reefer breakdown is not excluded".
 - If you need to REMOVE an Exclusion or Endorsement, you will select that line and can right click to delete.
 - You will see "Has Exclusions" selected in the Endorsements section if the exclusion box was checked in Express. This is not the IE code that is used for Underwriters with exclusions.
- e) Enter each insurance coverage listed on the certificate.
- f) Mark all exclusions listed on certificate. Use the I code list as a guide for those insurance companies that have exclusions, and to use the correct I Code.
- NOTE: The underwriters that have pre-selected Exclusions that are on our I Code list will now automatically populate for you on Cargo.
- g) Always remember to notify branch if there is a contact listed on the certificate or in the ID.
- h) If the coverage's entered are LOWER than our requirements, and the carrier is on Contract, PLACE the Carrier to Pending and add notes to their file in all screens involved and in the Carrier Services Notes. The minimum requirements are: Automobile liability - \$750,000 and Cargo-\$25,000.
- i) While in the Insurance entry screen, you will send the carrier their Acceptance letter, or Hold letter if you are accepting the certificate temporarily.
- Open any of the Certificate policies you updated, and in the entry screen there is a "Generate Issue Letter" that you will select
 - Open the Insurance Letter
 - Next select whether you are Accepting Full time, Part time, or putting the entire thing on hold (click on the appropriate (+) sign)
 - Next select each appropriate box that you want to have added to your letter. There are multiple options you can choose.

The screenshot shows a software window with a list of items and checkboxes. The items are:

Item	Description	Checkbox
1	Ins 15 day	<input type="checkbox"/>
2	Ins 30 day	<input type="checkbox"/>
3	Ins 90 day	<input type="checkbox"/>
IH	Missing Cert Holder	<input type="checkbox"/>
IH2	Incorrect Cert Holder	<input type="checkbox"/>
IN	Incorrect Name	<input type="checkbox"/>
IA2	Incorrect Address 2	<input type="checkbox"/>
IB	Ins Binder	<input type="checkbox"/>

Below the list, there is a section for 'Generate/View' with a red box around it. The 'Generate/View' button is highlighted.

- You can hit the Generate/View box to see what will be sent to the carrier, or to add or alter the letter in any way before sending.
 - Select either email/fax to send notice to carrier.
- j) Save the ID. The "insurance rollup" will automatically update all ID's when you hit Save
- When entering insurance on an INTRASTATE or INTRA Canadian carrier, you should search L&I/Safer for the Carrier. If they now have a DOT/MC, you should do a Dup Check and add that MC/DOT to the file, and let the system do a Dup Check. (Check the safety rating.)
 - There is no need to push a carrier to sign an INTER State contract.
 - Add an insurance note that reads "Added DOT & MC #'s to file- Carrier is Intrastate Only"
 - Enter the insurance as you would a normal Intrastate carrier- do not enter per L&I if listed.

2. New Set-ups

- a) Follow same procedure as entering insurance.
- b) The underwriter provided on the Insurance certificate will need to match what is provided on the FMCSA (with the exception for INTRASTATE & Canadian Carriers.)
- c) All new set-ups get a temporary update for problems.
 - i. All new set ups get 15 days.
- d) Make sure the Insurance on file is Effective TODAY before sending out a contract now that we can enter in Certificates with a future Effective date.
 - i. If you receive a Certificate that does not provide the Effective date, and the Policy number on the Certificate matches the information from the FMCSA then enter the effective date listed on the FMCSA website.
 - ii. If the policy information does NOT match what is filed on the FMCSA website, put that Certificate on hold and request an Effective date, or have the Agent correct the filing on the FMCSA to list the correct policy number so that we can use the Effective date from that website. (questions on this please ask Jenni or Jessica)

- e) If insurance is the last piece before a carrier is sent a contract, send the carrier their contract.
 - i. Only send the contract if both auto liability and cargo coverage have been received and entered.
 - ii. If only the w-9/w-8 is missing from the set up package, you can still send the contract to the carrier.
 - iii. ~~Double check all Contract notes to ensure the appropriate authority has been received.~~
- f) Fax or email carrier a notification of temporary updates and include what is needed to enter for the full time.
 - i. Follow the steps above in Step 1, I
- g) DO NOT give temporary updates on new set ups for the following reasons:
 - i. If the carrier has already been given notice of temporary update for any or all coverage prior.
 - ii. If the name is not matching the id at all.
 - iii. If authority is revoked and the insurance is not on file with L&I.
- h) ~~Remember to check to make sure the Insurance is Active before you send a contract for a New Carrier.~~

3. X-Status Carriers

- a) If you receive notification that an X Status carrier would like to be reactivated:
 - i. Verify the carrier's current contact info (address, phone, fax) if any of this has changed the carrier will need to complete a change form before becoming reactivated.
 - ii. ~~Process the Verification for the carrier and make sure to manually check a carrier's DOT information using the Safer link provided on that screen. (You may need to manually update the DOT Safety rating after completing this manual check). (See screen shot above in step b, section 6)~~
 - iii. Verify that we have current Insurance. If you receive a current certificate:
 - ✓ For U.S. Interstate Carriers, please verify that the underwriter on the certificate matches the underwriter listed on the FMCSA. (If they are an INTRASTATE carrier, they will not have insurance filed on the FMCSA.) Canadian Carriers will not match all the time and that is OK – they do NOT have to.
 - ✓ If there are multiple I codes for underwriters (i.e. Progressive) please make sure the I code per the I code list is the same on the certificate and the FMCSA
 - ✓ If the underwriter on the certificate does NOT match, please put the certificate on an "IP" hold and add a carrier services note. Notify the carrier this must be updated before we can send the contract.
 - iv. Verify the current contract version.
 - ✓ If the carrier is on a 7.0 or higher version and we have current contact information and current insurance, the carrier can be put back to active.
 - ✓ If the carrier is on a 6.0 or lower they will need to be sent a 7.2 contract to sign before being reactivated.

- Make sure that we have the current contact information and current insurance before an updated contract is sent.

4. **When to give temporary updates for Contracted Carriers**

- a) Temporary updates should only be entered once
- b) **All carriers (US and Canadian) should be given a one-time, 15 day temporary update**
 - i. If the incorrect certificate holder address is listed, address doesn't match, cert holder missing or name issues (the name has to be similar to L&I - if unsure, please ask LATZJES or BLUEJEN); or missing agent's signature (once verified it was issued by agent), you can give 15 days.
- c) **90 days**
 - i. Binders are to be given 90 days.
 - ii. If a carrier is missing a small part of their company name (i.e. Inc, LLC, Co, Comp, Sr, Jr, etc...) they can be given 90 days.

*****Please see Jes or Jenni for assistance in any questions with temporary updates.**

5. **Problem certificates**

- a) Description of problem codes:
 - i. **IA** – Address problem – the address listed on the certificate does not match any of the addresses we have on file for the company and cannot be found on L&I or Safer as well.
 - ii. **IB** – Binder problem – the certificate does not have current policy numbers and is older than one month or the carrier has already been given the temporary update and is sending a binder again.
 - iii. **IC** – Illegible certificate – some or the entire certificate is not able to be read clearly.
 - iv. **IE** – Expired certificate – the expiration dates listed on the certificate are expired.
 - v. **IH** – Certificate holder problem – missing C.H. Robinson as certificate holder, has a different company listed for certificate holder or it looks forged (it must be done by the agent).
 - vi. **IM** – Multiple/Misc – any combination of the other issues or an issue that does not fit in the other categories (i.e. missing agent's signature or issue date problem).
 - vii. **IN** – Name problem – missing part of name, name not reading the same as the ID.
 - viii. **INS-DBAP** – DBA name problem – the certificate has an added DBA name listed and the carrier does not have a DBA name.
 - ix. **IP** – Policy information problem – the policy information is not listed with the federal government and is more than a week old or the authority is also revoked.
 - x. **IR** – Reinstatement problem – the policy or policies in the id have been canceled either by the agent or on L&I and the carrier is sending in a certificate with the cancelled policy numbers listed.
 - xi. **RP** – Re-entitlement problem – the carrier has changed names and needs to be set up under new id (see re-entitlements section for more info).
 - xii. Missing an Effective Date

- b) When a problem certificate is received add a note into the Notes Tab in the ID. Also include a brief description of the problem for branches, CS Ops, and call center to reference. (See: SOP – Carrier Services Notes)
- c) Email or fax the carrier and all seven letters in id or listed on the certificate, with a detailed description of the problem and whether the certificate was accepted for 15 days or rejected; also what needs to be done to resolve all issues; and put the certificate on hold or index (Follow step 1, I).

6. Exclusions and Underwriters

- a) Mark all exclusions for carriers that are listed on a certificate.
- b) Auto only needs to have SV, SD, IE or RA exclusions marked in it, cargo must have ALL exclusions listed in it.
- c) ~~If a carrier has an underwriter with known exclusions for Cargo (check I code box) the default exclusions will automatically populate for these I Codes~~
 - i. Exclusions in carriers with underwriters with known exclusions cannot be removed for any reason. EVEN if a copy of the policy is sent in, DO NOT remove for any exclusion.
 - ii. Exclusions in carriers with underwriters with known exclusions are not necessarily specific to the carrier, but ARE specific to the underwriter. The carrier themselves may or may not have it included in their policy but because of prior issues with these underwriters we have decided as a company to mark them.
 - iii. The branches can still book these carriers on loads even if they have these exclusions marked, they are a warning to the branch that there may be an issue if a claim arises from the load. It is UPON THEIR DISCRETION, unless the customer has requested not to work with carriers that have one of the exclusions listed.
 - iv. If a branch has a question about exclusions and their meanings, there is a document out on Work Net that gives a brief explanation of the exclusions and why they are put into ids. *(It is under Carrier Services, Insurance and is the last document listed called Carrier Cargo Insurance Policy Exclusions)*

7. Canadian Certificates

- a) Canadian certificates are entered through the same process as all other insurance with the following exceptions:
 - ✓ The limits should be changed to Canadian funds, unless entering a limit per L&I or if noted on the certificate that it is in US funds.
 - ✓ The maximum cargo limit for Canadian Carriers is \$750,000 (in Canadian Funds).
 - ✓ If the certificate lists "All Perils deductible" add this deductible to each policy entered from the certificate. If you are entering the Auto limit per I&I please multiply the deductible by .75 to get the US amount for the deductible as well. Here are a few common ones:
 - \$10,000.....enter \$7500
 - \$5000.....enter \$3750
 - \$2500.....enter \$1875
- b) The following agents DO NOT issue certificates, we can take whatever they issue. If they are not on this list they MUST send a certificate of insurance.
 - i. Aon Reed Stenhouse
 - ii. SE Autocity Insurance Brokers
 - iii. The CG&B Group

iv. The co- operators

c) Combined Single limits

- ✓ If a carrier has a combined single limit, enter first for auto what is on L&I.
- ✓ Split the limit in half for combined single limits between auto and general only combine the limits if it specifically states they are combined single limits-even if the policy matches.
- ✓ If all coverages are included in the combined single limit, split so that the carrier has the minimum for auto and cargo first and then enter the rest in what ever other coverage is listed on the certificate
- ✓ Note in the insurance notes that there is a combined single limit.
- ✓ If there is a sub-limit listed for cargo, enter the sub-limit and do not subtract from the combined single limit.

- d) Certificates that list a Canadian Agent and Canadian Carrier should be entered in Canadian funds- even if the certificate does not specify this. If the auto is filed with the FMCSA you still should take the limit from website and put as US funds.

8. Brokers

- a) Enter the insurance the same as above, however a broker with no other authority (common or contract) does not have to have insurance on file with L&I.
- b) Required insurance for Brokers:
- i. 1,000,000 in Auto Liability (can be contingent)
 - ii. 100,000 in Cargo Coverage (can be contingent)
 - iii. 1,000,000 in General Liability
 - iv. 1,000,000 in Umbrella Liability (or 2,000,000 in General Liability)
 - v. Workers Comp as required by law
 - vi. Supplemental Bond and/or Letter of Credit in the amount of \$50,000 dedicated exclusively to C.H. Robinson and in a form agreeable to C.H. Robinson
 - vii. If the "Bypass CHR Bond" box is checked, you can proceed without a Bond. There should be a note entered in the ID when this is waived and who approved it.

Policy Number	Effective Date	Expiration Date	Cargo Date
2000000111111	01/01/11	12/31/12	
2000000111111	01/01/11	12/31/12	

9. One Time Load Cargo Increases

(These can also be called Riders or High Value Load Increases.)

- a) The increase will always be for the cargo insurance.
- b) Branch will/should specify on the certificate that it is a 'one time' increase and list their 7 letter.

- c) The certificate should list date load is moving and/or the load number. All other insurance updating rules apply in order for us to accept it (i.e. cert holder, agent signature).
- d) This change should be entered temporarily into Navisphere (cargo ins screen)
 - i. You can communicate w/the branch via flash, IM, email or phone call (quickest way possible) letting them know we have received the one time increase & you are able to assist them with this change.
 - ii. Make the change into the cargo screen, allow the branch to book (letting them know they need to do it right at that time because you need to change it back to the regular cargo limit).
 - iii. You never want to leave a higher cargo amount in express longer than necessary.
 - iv. Index the certificate in schrimage as you would a normal certificate.
 - v. If you're not able to enter the one time load increase due to missing info, put it on hold under the applicable insurance hold queue.
 - vi. If you're not able to enter the increase because you're not able to contact the branch, add a note to the carrier services notes stating that you're waiting for the branch to book and that the cert is in IM hold queue.

Note: We can do one time load increases for carriers that have multiple commodity limits listed on the certificate they have on file with us. Same procedure as above but they do not need a new certificate from the agent.

10. Cancellations & Reinstatements

*Any questions regarding cancellations/reinstatements please refer to the Cancellation Flow Chart Instructions on the G drive > Carrier Services Operations > SOP's > Insurance related SOP's

- a) These forms differ from regular certificates because they actually say 'cancellation or reinstatement'
 - i. In order to enter the cancellation or reinstatement, the policy numbers on the document need to match what we have in Navisphere.
 - ii. If there is no specific cancellation or reinstatement date listed, you would enter it effective for that current day.
 - iii. If ever questioning whether or not you cancel a policy due to info missing on the certificate or document, etc, it's best to cancel it as long as the policy number matches & corrections can be made after it's researched (to ensure CHR is protected).
 - iv. When scanning a cancellation, change the Doc type to Insurance and click the "Cancelled Ins Cert" button. Make sure you select "Do Not Send Anything" in sending options.
- b) Coverage may also be cancelled per L&I
 - i. If when verifying info on L&I, (shown in the FMCSA Insurance Information at the bottom of your Insurance tab), if coverage is cancelled and policy numbers match what we have in Navigator, you should cancel it in Navigator as well.
 - ii. add 'Ins Note' in each matching policy update stating 'cancelled per L&I'
 - iii. add cancelled date to Navigator
 - iv. You may scan the insurance certificate if they are cancelled/ reinstated per L&I
 - v. When you receive a certificate and are updating the insurance but are cancelling per L&I - please use the appropriate acceptance letter "Cancelled with Govt Accepted".
- c) If carrier and/or branch calls in questioning a cancellation per L&I, we can reinstate coverage from the info on L&I (process the Verification for that Carrier and it will update the FMCSA information on your Insurance tab)
 - i. We do not require any document from the insurance agent if it was originally cancelled per L&I.

- ii. We only need documentation from agent if cancellation was issued by agent.

11. Self insured carriers and brokers

- a) If a carrier/broker has self insured noted on either a certificate or L&I, we must do a credit check for them:
 - i. If it's for Auto Liability, and if the FMCSA lists the Carrier as "Self Insured", you can accept that policy.
 - ii. If NOT – send an email to TAYLLOR & BECKCOL with the T#, what coverage is self insured and the limit. DO NOT enter until you receive a response back.
 - iii. If it's for Cargo, please send an email to TAYLLOR & BECKCOL with the T#, what coverage is self insured and the limit. DO NOT enter until you receive a response back.
 - iv. Please make note that you are waiting for a credit check in the Carrier Services notes.
 - v. If ok to enter, do so the same as entering any other insurance, but the agent and underwriter should be "Self Insured" and a note should be marked in the insurance notes who the credit check was ok'd by.
- b) We also need a credit check on carriers that have a high deductible
 - i. If a carrier has a deductible that is more than 50% of their limit for any coverage, we need to get credit check.
 - ii. Follow the same procedure as a self insured carrier/broker, but mark in the notes that it is a credit check for a high deductible.

12. Haz Mat requirements and certificates

- a) Requirements to haul Hazardous Materials – For US Carriers
 - i. The carrier must have 1,000,000 in auto liability, 1,000,000 in general liability and 25,000 in cargo coverage.
 - ii. The carrier must have 1,000,000 filed with L&I for their auto liability.
 - iii. The carrier (NOT THE DRIVER), must be Haz Mat certified with the government. We do not take driver Haz Mat endorsements or state Haz Mat endorsements.
 - iv. Please check to see if carrier has a hazmat addendum on file, if the carrier needs an addendum, the hazmat cert must be placed on hold, and send the addendum.
 - v. **Make sure to add the Master Contract date on the first page of the Addm**

<p style="text-align: center;">Addendum To Contract Carrier Agreement DATED February 3, 2012 Hazardous Materials</p> <p>Reference is made to the Contract entered into February 3, 2012, between Spady Transport Ltd, (hereinafter referred to as "Carrier") and C.H. Robinson Worldwide, Inc., (hereinafter referred to as "Robinson"). In accordance with the terms set forth in the aforesaid Contract, it is the intent of the parties to amend the contract to include the following provisions, to become effective simultaneously with the Contract, effective [REDACTED]</p> <p>A. Carrier represents and warrants that it is compliant with all applicable state and federal regulations for the transportation and handling of hazardous materials. Minimum regulatory compliance includes, but is not limited to, the following areas:</p>

Make sure you save the Addendum in the Hazmat Addendum folder

- b) If a Haz Mat certificate is received and a hazmat addendum is on file, process as follows:
 - i. Please verify the hazmat certificate on this website:
<https://hazmatonline.phmsa.dot.gov/services/>
 - ii. Hazmat Registration Applications
 - iii. Renewal (need to be selected), then click next

See print screen below.....

Hazardous Materials Registration

Welcome to the Hazardous Materials Registration Program On-Line Registration service of the U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration, Office of Hazardous Materials Safety.

To Register On-Line you must complete these steps:

- Select the appropriate type of registration below (Renewal or Initial)
- Provide the required information pertaining to the registration.
- Provide a valid credit/debit card number or ACH (electronic check) account number for payment.
- Print the registration.

What type of hazardous materials registration would you like to process?

☐ **Initial** The registration is for a company that has never registered for a hazardous material certificate.

☐ **Renewal** The registration is for a company that has previously registered for a hazardous material certificate.

☐ **Amendment** A previously processed hazardous material registration for the most recent registration period needs to be updated to reflect changes to company data.

☐ **Company Look-up** Look-up a registered company. Existing registration certificates can be viewed or printed.

☐ **ACH Verification** Verify if a previously submitted ACH (Electronic Check) payment has been processed.

To view or print a registration certificate you will need the Adobe Acrobat Reader. If you do not already have the Reader, you can download it without charge from <http://www.adobe.com/products/acrobat/readstep2.html>

If you have questions about the registration requirements, including who must register, or how to register on-line, click here for [instructions](#).

- c) Enter registration number from the hazmat certification form into 'Current Registration Number' section, then click 'search'

Hazardous Materials Registration Company Search

Enter any of the following fields to search for a company (only one is necessary):

Current Registration Number: (begins)

Company Name: (contains)

Postal Code: (begins)

USDOT Number: (contains)

MC/MX Number: (contains)

(Please click on any column header to sort by)

REGISTRATION #	COMPANY NAME	MAILING POSTAL CODE	
051508001025QS	LANDSTAR RANGER INC	32224	1

- d) This should display the company info of who you are updating.
 - i. If it doesn't, you will not enter the hazmat info into Navigator. Add notes stating we cannot accept hazmat info as registration info does not match.
 - ii. If it matches, you will enter the info in Navigator in the Qualification (5) tab, sub tab Hazmat & DG.
 - ✓ Type: USDOT
 - ✓ Registration Number: Copy/Paste from the Hazmat website into Navigator
 - ✓ Effective Date:
 - ✓ Expiration Date:

[illegible]

- Hazmat does not roll up automatically
 - When you come across one where there are multiple T codes (meaning the list is too long to write down all the T codes), we can export a list for you; just ask Collette.
 - The hazmat registration form can be indexed under the level 2 T code only.
- c) Requirements to haul Hazardous Materials- for Intra-Canadian Only Carriers
- i. Must have the same insurance limits as the US carriers.
 - ii. Ask for a letter from their province that covers hazmat on their company (if the carrier can provide it, send to scan).
 - iii. If the carrier cannot provide anything in writing, we can still proceed, once we have the load info from the branch rep.
 - iv. Enter as a one time load increase by adding notes to the carrier services field and enter a fake registration & a fake date.

13. Change Forms- (see Change Form SOP for more detailed direction)

- a) All info on change form should be filled out; T#, old & new info, signature before accepting.
 - i. It is ok to accept forms if the old information that is listed in contacts tab, it does not have to match the "Company Main" information.
 - ii. Only change the info that is specifically listed on the change form.
 - iii. Make sure you check any additional addresses that may need to be updated in Navigator as well
- b) There may be exceptions made if carrier cannot remember old info but that should be escalated to lead or supervisor for approval before accepted.
- c) Signature must match contract signer.
- d) It should match the signature on the most current contract. If not, you should research all contract versions in schrimage to see if it matches an older version; if it does, escalate those to lead or supervisor for approval to accept.
- e) You can/should reference W9 to also compare that signature if unsure of it matching contract.
- f) If carrier is requesting to change add/ph or fax and contact info but the contact person is a web contact. You should email CHRWTRUCKS asking them to make the change listed on the form. No need for them to see the actual change form. Only the CHRWTRUCKS group has the rights to change web contact info.

- g) After changes are made, index the change form to schrimage. It would be scanned under batch type 'CS Ops' and doc type 'address change'.
- h) If carrier calls to dispute why we rejected change form, you can/should reference safer/L&I to compare address/phone info – those websites should, or should in the near future list the correct info for the carrier.
- i) If you are not able to accept the change form (for any reason) please go to Utilities > Carrier Payment Options and look if the carrier is paid by 'paper' check. Also, check to see if they are factored (if they are, there will be a factoring company to be listed on that screen). If they are paid by paper check and are not factored, please email RESOCAR and let them know.
- j) Payment address changes are handled by the Carrier Resolution department and can be sent to them.

The hold queues for various issues on change forms are as follows:

Incorrect signatures/missing the signature:

Batch Type = CS Ops
 Doc type= Address Change
 Status = Hold
 Misc/Incorr Signature

Address issue

Batch Type = CS Ops
 Doc type= Address Change
 Status = Hold
 IA-Address Problem

Both of the above issues

Batch Type =CS Ops
 Doc type= Address Change
 Status = Hold
 IM/Misc/multiple

14. Re-entitlements (Name changes)

- a) If a certificate is received and the name on L&I no longer matches what is in the ID, check for a name change.
 - i. Check under Insurance History on L&I. (You will be able to click on the FMCSA link in the Verification screen on any ID to take you to their website and check the Ins History)
 - ii. If not noted on L&I, check the authority that is on file.
- b) If the name has changed:
 - i. Change ID to pending
 - ii. Put a note in the Carrier Services notes with the RP issue and that you requested their REENT PW.
 - iii. Verify the underwriter on the new certificate matches the underwriter listed on L&I, if not please notify the carrier at the same time as the RP issue.
- c) Once the new ID is created, enter the same as new set up. Unless the name on the certificate is the old name, you can give temporary updates for all issues.

15. Where to get insurance for the customer

- a. If a customer calls requesting our insurance, send them back to their account rep.

- b. If the account rep for a customer calls requesting our insurance, direct them to Work Net.
 - i. Our insurance is under Legal, Resource Documents. There will be two separate certificates for auto liability and cargo coverage. Auto is titled "Casualty Certificate 2010 & the cargo is titled "Cargo Certificate 2010".
 - ii. If they need the customer to be listed as certificate holder they will need to contact our agent, listed at the top of the certificate. There is a form they need to fill out & fax to our insurance agent. It's under Legal, Agreement Templates & the request form is titled "Insurance Certificate Request".

16. Miscellaneous information

- a. **Can't Finds**
 - i. If you cannot find the carrier and have tried all searches, put document on hold under Can't Finds.
 - b. **Rushes**
 - i. If a branch rep is asking for a rush, please ask that they email carrier services email box.
 - ii. If a carrier calls asking for a rush, please have them contact the branch rep they are working with to send an expedite request to carrier services email box.
 - iii. Ordinarily we ask that all branches and carriers give us approximately one business day to process their certificate (from the time of sending).
 - c. **Ids that are deleted due to lack of activity or have an old contract:**
 - i. If an id is deleted due to lack of activity, place the insurance on hold in the incorrect queue.
 - ii. If there are notes in an ID that they carrier is sending their Insurance to get reactivated – and they are on an older contract (right now 5.0 or older), enter insurance as normal and send the carrier a MAS contract. Leave in pending until the contract is returned.
 - d. **If you need an I code created for an agent/ or underwriter in Express:**
 - i. Please send an email to Jessica between 1pm and 6pm or Jenni from 7am to 1pm.
 - ii. If they are not here, please notify Collette.
 - iii. Do not update the certificate until you have received the new I code. You should not index a certificate with and Agent or Underwriter code left blank.
 - e. **If you see insurance already updated:**
 - i. Check 'Verification date' date within Qualifications < Status & Authority tab and the issue date on the certificate, check specific areas on the cert; agent, underwriter, limits, dates, cargo reefer breakdown. More than likely if it's been updated within the past couple days, and you're seeing a duplicate.
 - ii. If duplicates, do not re-index these if they have been previously indexed.
 - iii. You do not need to put these on hold. Just add a note saying that the same certificate was received, and you have deleted the certificate.
- When updating a carrier with an "Owner Operator Services" in Grain Valley, MO Certificate please be sure to always use **Agent Code 1584** and **Underwriter Code 1389** with every update.
 - When updating an existing Carrier, and you get a YES on the OFAC list while doing your Verification, please send an email to BECKCOL. She will research this and get back to you. Process your paperwork as normal. Leave the ID Active. *(If the ID was in an "X" status, and you are getting paperwork to reactivate the ID, leave the ID in an "X" status until you hear back from Legal.)*

- Add notes to the ID that you have notified BECKCOL

Safe Check

Carrier Name: BRAVO CUSTOM LOGISTICS LLC

US DOT Number: 208843

Safety Rating Date:

Carrier Type: Carrier

Matches Found: YES OFAC Watch

f. Searching for Carrier's using "%" sign

- i. When searching for Carrier's in the F2 screen, you can use the % sign to have Navigator search for any Partial information (to include their Name, DBA, address, etc...) Below are examples of how this function works:
 - Ren% - Gets everything that starts with "Ren" and also has other characters after it. It will find "Renae", but it will not find "Ren"
 - %ren - Gets everything that ends with "ren" and also has characters before it. It will find "Warren", but it will not find "Renae"
 - %Ren% - Will only find those that have "Ren" in the middle of the name where at least one character is before and after. It will find "Miss Renae the Awesomest", but it will not find "Renae" or "Warren"
- ii. If no matches are found, remember to check and make sure that the "Active" box is NOT checked, to have Navigator look for both active and inactive Carriers.

SOP for MDM Insurance Entry

(Last updated: 11/21/14)

Overview:

1. Entering insurance
2. New Set ups
3. X-Status Carriers
4. When to give temporary updates for Contracted Carriers
5. Problem certificates
6. Exclusions and underwriters
7. Canadian certificates
8. Brokers
9. One time load increases
10. Reinstatements and cancellations
11. Self insured carriers/brokers
12. Haz Mat requirements and certificates
13. Change Forms
14. Re-entitlements (Name changes)
15. Where to get insurance for the customers
16. Miscellaneous information

****If you put a carrier T# to pending and they are a managed carrier, please notify the managing branch rep that you are changing the carrier's status (Strategic Relationship):**

1. Entering Insurance

- a) Check certificate for any issues (name, address, dates, certificate holder...etc), then locate the Carrier in Party Editor.
 - i. Enter the Company name on the Homepage, Carrier screen in the Code: box. If the company is not found, it will open your F2 search screen. When searching for companies by partial company names or addresses make sure you add the (%) symbol before and after that name or address. (See below in Miscellaneous for more details on using the % feature)
- b) **Process Carrier Verification in Navisphere to check DOT rating, authority status name as it's filed on L&I/Safer. (This is found in the Qualification (5) Tab subtab Status & Authority)**
 - i. Make sure that name matches between Safer and L&I.
 - If the Carrier is INTRASTATE, you will need to copy the DOT number in this screen and click on the Safer link to manually check all Carrier information. Update the ID if necessary.
 - ii. Make sure name matches ID in Navisphere.
 - iii. Make sure the address on the certificate matches an address listed in the Address (1) Tab. If it does not match, use the drop down arrow by Address Type: and check any of the additional addresses listed for carrier.

- iv. If the certificate lists an address that has a PO Box/Physical address with the same city/state as Navisphere it is OK to update and add the address from the certificate as an "Alternate" address.
- v. If safety rating is conditional send an email to Carrier Resolutions (RESOCAR) letting them know, if the safety rating is unsatisfactory send an email to Jenni.
- vi. Check the authority tab to make sure it is in the correct status. **This is now done automatically when you do your "Verification" on an ID. You will see their status reflected in the Authority Summary.**

Authority Summary				
Authority	ID	Type	Status	Effective Date
MCNUM	544425	COMMON	Active	10/17/11

Make sure to manually check a carrier's DOT information if there is missing data in the Safer Check section of this Verification window as well, or if you notice the letters "MC" preceding the MC number at the top of that screen as well. This is an indicator that the MC is or was inactive and we should be manually checking this using the Safer Website link at the bottom of this screen. You may need to manually update the DOT Safety rating after completing this manual check.

vii. Hit Review Complete

- c) Next click on the Insurance Tab (in Qualification (5) Tab) to make sure there is Insurance filed on the FMCSA.
- If no insurance is on file with L&I and authority is revoked DO NOT ENTER, but if insurance is on file but the authority is revoked ok to enter (see temporary updates section for instructions on entering insurance when not on file but authority is active).
 - ALWAYS enter limit for primary/auto liability per L&I if lower than what is listed on the certificate. For example, when L&I lists 750,000 in auto, and the certificate states 1,000,000.... enter 750,000.
- d) If all checks are good, you will enter the Insurance Certificate by either double clicking on the current policy you are updating, or by selecting the "New Insurance" button in that tab.

The screenshot shows the 'Insurance Entry' form with several annotations:

- A red arrow points to the 'Policy Number' field, which contains 'WN0000111'.
- A red arrow points to the 'Effective' date field, which contains '10/18/11'.
- A red arrow points to the 'Expiration' date field, which contains '10/18/12'.
- A red arrow points to the '30 Days' checkbox under the 'Cancellation' section.
- A red arrow points to the 'Limit' field, which contains '750,000'.
- A red arrow points to the 'Link' field, which contains '2,000,000'.

The form also includes a 'Generate Issue Letter' button at the bottom left and 'Update' and 'Cancel' buttons at the bottom right.

- You can use the drop down arrow to enter in the Limits for Auto, General, and Cargo. You will still manually enter in all other limits.
- Select the "15 day" box for Canadian holds as well.
- You now will enter all certificates regardless of the Effective date for new Carriers. We no longer put any certificates on hold for a future effective date. Enter both dates for all Certificates.
- If you receive a Certificate that does not provide the Effective date, and the Policy number on the Certificate matches the information from the FMCSA then enter the effective date listed on the FMCSA website.
- If the policy information does NOT match what is filed on the FMCSA website, put that Certificate on hold and request an Effective date, or have the Agent correct the filing on the FMCSA to list the correct policy number so that we can use the Effective date from that website. (questions on this please ask Jenni)
- The FMCSA Limit is listed in the auto ins entry screen
- Any time the policy number on the certificate matches the FMCSA, and there is a different underwriter on the certificate, use the underwriter from the FMCSA (**US & Canadian carriers**). *This applies to existing carriers. For new carriers, there is no change to your current process.

- Select the BMC – 32 Endorsement in cargo if there is cargo filed with the government that matches what is listed on the certificate and take out if no longer filed.
 - The Maximum Cargo coverage.....\$500,000 for US carriers & \$750,000 for Canadian Carriers. If the certificate states more, please enter a note, "see cert for more coverage".
 - If "reefer" is listed on the certificate please select the reefer breakdown in the Endorsement section and add the reefer deductible if applicable. Do not update if it only list broad form/ legal liability or if it states "reefer breakdown is not excluded".
 - If you need to REMOVE an Exclusion or Endorsement, you will select that line, and can right click to delete.
 - You will see "Has Exclusions" selected in the Endorsements section if the exclusion box was checked in Express. This is not the IE code that is used for Underwriters with exclusions.
- e) Enter each insurance coverage listed on the certificate.
- f) Mark all exclusions listed on certificate. Use the I code list as a guide for those insurance companies that have exclusions, and to use the correct I Code.
- NOTE: The underwriters that have pre-selected Exclusions that are on our I Code list will now automatically populate for you on Cargo.
- g) Always remember to notify branch if there is a contact listed on the certificate or in the ID.
- h) If the coverage's entered are LOWER than our requirements, and the carrier is on Contract, PLACE the Carrier to Pending and add notes to their file in all screens involved and in the Carrier Services Notes. The minimum requirements are: Automobile liability - \$750,000 and Cargo-\$25,000.
- i) While in the Insurance entry screen, you will send the carrier their Acceptance letter, or Hold letter if you are accepting the certificate temporarily.
- Open any of the Certificate policies you updated, and in the entry screen there is a "Generate Issue Letter" that you will select
 - Open the Insurance Letter
 - Next select whether you are Accepting Full time, Part time, or putting the entire thing on hold (click on the appropriate (+) sign)
 - Next select each appropriate box that you want to have added to your letter. There are multiple options you can choose.

Accept Full Time		Accept Part Time	
1	Ins 15 day		
2	Ins 30 day		
3	Ins 30 day		
IH	Missing Cert Holder		
IH2	Incorrect Cert Holder		
IN	Incorrect Name		
IA2	Incorrect Address 2		
IB	Ins Binder		

Email:

Fax: 3126504951

- You can hit the Generate/View box to see what will be sent to the carrier, or to add or alter the letter in any way before sending.
- Select either email/fax to send notice to carrier.

j) Save the ID. The "insurance rollup" will automatically update all ID's when you hit Save.

- When entering insurance on an INTRASTATE or INTRA Canadian carrier, you should search L&I/Safer for the Carrier. If they now have a DOT/MC, you should do a Dup Check and add that MC/DOT to the file, and let the system do a Dup Check. (Check the safety rating.)
- There is no need to push a carrier to sign an INTER State contract.
- Add an insurance note that reads "Added DOT & MC #'s to file- Carrier is Intrastate Only"
- Enter the insurance as you would a normal Intrastate carrier- do not enter per L&I if listed.

2. New Set-ups

- Follow same procedure as entering insurance.
- The underwriter provided on the Insurance certificate will need to match what is provided on the FMCSA (with the exception for INTRASTATE & Canadian Carriers.)
- All new set-ups get a temporary update for problems.
 - All new set ups get 15 days.
- Make sure the Insurance on file is Effective TODAY before sending out a contract now that we can enter in Certificates with a future Effective date.
 - If you receive a Certificate that does not provide the Effective date, and the Policy number on the Certificate matches the information from the FMCSA then enter the effective date listed on the FMCSA website.
 - If the policy information does NOT match what is filed on the FMCSA website, put that Certificate on hold and request an Effective date, or have the Agent correct the filing on the FMCSA to list the correct policy number so that we can use the Effective date from that website. (questions on this please ask Jenni)

- e) If insurance is the last piece before a carrier is sent a contract, send the carrier their contract.
 - i. Only send the contract if both auto liability and cargo coverage have been received and entered.
 - ii. If only the w-9/w-8 is missing from the set up package, you can still send the contract to the carrier.
 - iii. Double check all Contract notes to ensure the appropriate authority has been received.
- f) Fax or email carrier a notification of temporary updates and include what is needed to enter for the full time.
 - i. Follow the steps above in Step 1, I
- g) DO NOT give temporary updates on new set ups for the following reasons:
 - i. If the carrier has already been given notice of temporary update for any or all coverage prior.
 - ii. If the name is not matching the id at all.
 - iii. If authority is revoked and the insurance is not on file with L&I.
- h) Remember to check to make sure the Insurance is Active before you send a contract for a New Carrier.

3. X-Status Carriers

- a) If you receive notification that an X Status carrier would like to be reactivated:
 - i. Verify the carrier's current contact info (address, phone, fax) if any of this has changed the carrier will need to complete a change form before becoming reactivated.
 - ii. Process the Verification for the carrier and make sure to manually check a carrier's DOT information using the Safer link provided on that screen. (You may need to manually update the DOT Safety rating after completing this manual check). (see screen shot above in step b, section b)
 - iii. Verify that we have current Insurance. If you receive a current certificate:
 - ✓ For U.S. Interstate Carriers, please verify that the underwriter on the certificate matches the underwriter listed on the FMCSA. (If they are an INTRASTATE carrier, they will not have insurance filed on the FMCSA.) Canadian Carriers will not match all the time and that is OK – they do NOT have to.
 - ✓ If there are multiple I codes for underwriters (i.e. Progressive) please make sure the I code per the I code list is the same on the certificate and the FMCSA
 - ✓ If the underwriter on the certificate does NOT match, please put the certificate on an "IP" hold and add a carrier services note. Notify the carrier this must be updated before we can send the contract.
 - iv. Verify the current contract version.
 - ✓ If the carrier is on a 7.0 or higher version and we have current contact information and current insurance, the carrier can be put back to active.
 - ✓ If the carrier is on a 6.0 or lower they will need to be sent a 7.2 contract to sign before being reactivated.

- Make sure that we have the current contact information and current insurance before an updated contract is sent.

4. When to give temporary updates for Contracted Carriers

- a) Temporary updates should only be entered once
- b) **All carriers (US and Canadian) should be given a one-time, 15 day temporary update**
 - i. If the incorrect certificate holder address is listed, address doesn't match, cert holder missing or name issues (the name has to be similar to L&I - if unsure, please ask BLUEJEN); or missing agent's signature (once verified it was issued by agent), you can give 15 days.
- c) **90 days**
 - i. Binders are to be given 90 days.
 - ii. If a carrier is missing a small part of their company name (i.e. Inc, LLC, Co, Comp, Sr, Jr, etc...) they can be given 90 days.

***Please see Jenni for assistance in any questions with temporary updates.

5. Problem certificates

- a) Description of problem codes:
 - i. **IA** – Address problem – the address listed on the certificate does not match any of the addresses we have on file for the company and cannot be found on L&I or Safer as well.
 - ii. **IB** – Binder problem – the certificate does not have current policy numbers and is older than one month or the carrier has already been given the temporary update and is sending a binder again.
 - iii. **IC** – Illegible certificate – some or the entire certificate is not able to be read clearly.
 - iv. **IE** – Expired certificate – the expiration dates listed on the certificate are expired.
 - v. **IH** – Certificate holder problem – missing C.H. Robinson as certificate holder, has a different company listed for certificate holder or it looks forged (it must be done by the agent).
 - vi. **IM** – Multiple/Misc – any combination of the other issues or an issue that does not fit in the other categories (i.e. missing agent's signature or issue date problem).
 - vii. **IN** – Name problem – missing part of name, name not reading the same as the ID.
 - viii. **INS-DBAP** – DBA name problem – the certificate has an added DBA name listed and the carrier does not have a DBA name.
 - ix. **IP** – Policy information problem – the policy information is not listed with the federal government and is more than a week old or the authority is also revoked.
 - x. **IR** – Reinstatement problem – the policy or policies in the id have been canceled either by the agent or on L&I and the carrier is sending in a certificate with the cancelled policy numbers listed.
 - xi. **RP** – Re-entitlement problem – the carrier has changed names and needs to be set up under new id (see re-entitlements section for more info).
 - xii. Missing an Effective Date

- b) When a problem certificate is received add a note into the Notes Tab in the ID. Also include a brief description of the problem for branches, CS Ops, and call center to reference. (See: SOP – Carrier Services Notes)
- c) Email or fax the carrier and all seven letters in id or listed on the certificate, with a detailed description of the problem and whether the certificate was accepted for 15 days or rejected; also what needs to be done to resolve all issues; and put the certificate on hold or index (Follow step 1, I).

6. Exclusions and Underwriters

- a) Mark all exclusions for carriers that are listed on a certificate.
- b) Auto only needs to have SV, SD, IE or RA exclusions marked in it, cargo must have ALL exclusions listed in it.
- c) ~~If a carrier has an underwriter with known exclusions for Cargo (check / code list), the default exclusions will automatically populate for these / Codes.~~
 - i. Exclusions in carriers with underwriters with known exclusions cannot be removed for any reason. EVEN if a copy of the policy is sent in, DO NOT remove for any exclusion.
 - ii. Exclusions in carriers with underwriters with known exclusions are not necessarily specific to the carrier, but ARE specific to the underwriter. The carrier themselves may or may not have it included in their policy but because of prior issues with these underwriters we have decided as a company to mark them.
 - iii. The branches can still book these carriers on loads even if they have these exclusions marked, they are a warning to the branch that there may be an issue if a claim arises from the load. It is UPON THEIR DISCRETION, unless the customer has requested not to work with carriers that have one of the exclusions listed.
 - iv. If a branch has a question about exclusions and their meanings, there is a document out on Work Net that gives a brief explanation of the exclusions and why they are put into ids. *(It is under Carrier Services, Insurance and is the last document listed called Carrier Cargo Insurance Policy Exclusions)*

7. Canadian Certificates

- a) Canadian certificates are entered through the same process as all other insurance with the following exceptions:
 - ✓ The limits should be changed to Canadian funds, unless entering a limit per L&I or if noted on the certificate that it is in US funds.
 - ✓ The maximum cargo limit for Canadian Carriers is \$750,000 (in Canadian Funds).
 - ✓ If the certificate lists "All Perils deductible" add this deductible to each policy entered from the certificate. If you are entering the Auto limit per L&I please multiply the deductible by .75 to get the US amount for the deductible as well. Here are a few common ones:
 - \$10,000.....enter \$7500
 - \$5000.....enter \$3750
 - \$2500.....enter \$1875
- b) The following agents DO NOT issue certificates, we can take whatever they issue. If they are not on this list they MUST send a certificate of insurance.
 - i. Aon Reed Stenhouse
 - ii. SE Autocity Insurance Brokers
 - iii. The CG&B Group

iv. The co- operators

c) Combined Single limits

- ✓ Split the limit in half for combined single limits between auto and general when there is no policy filed with the FMCSA (Canada Intra Carrier).
- ✓ If all coverages are included in the combined single limit, split so that the auto liability is entered for what is listed on L&I and then enter the rest in whatever other coverage is listed on the certificate.
- ✓ Note in the insurance notes that there is a combined single limit.
- ✓ If there is a sub-limit listed for cargo, enter the sub-limit and do not subtract from the combined single limit.
- ✓ CANADIAN FUNDS formula:
 (example) *\$2mil CAN funds listed on cert and the FMCSA lists \$1mil in US funds
 *\$2mil multiply by 0.75 = \$1.5mil US funds
 *subtract the FMCSA limit
 *equals \$.5mil US funds (enter that into the gen policy in US Funds)

- d) Certificates that list a Canadian Agent and Canadian Carrier should be entered in Canadian funds- even if the certificate does not specify this. If the auto is filed with the FMCSA you still should take the limit from website and put as US funds.

8. Brokers

- a) Enter the insurance the same as above, however a broker with no other authority (common or contract) does not have to have insurance on file with L&I.
- b) Required insurance for Brokers:
- i. 1,000,000 in Auto Liability (can be contingent)
 - ii. 100,000 in Cargo Coverage (can be contingent)
 - iii. 1,000,000 in General Liability
 - iv. 1,000,000 in Umbrella Liability (or 2,000,000 in General Liability)
 - v. Workers Comp as required by law
 - vi. Supplemental Bond and/or Letter of Credit in the amount of \$50,000 dedicated exclusively to C.H. Robinson and in a form agreeable to C.H. Robinson
 - vii. If the "Bypass CHR Bond" box is checked, you can proceed without a Bond. There should be a note entered in the ID when this is waived and who approved it.

Policy	Type	Limit	Underwriter Name	Limit	Policy Number	Effective Date	Expiration Date	Carrier Name
Active	Auto Liability	1,000,000	Test Co.	1,000,000	200000010001	10/1/99	10/1/02	
Active	Cargo	250,000	Test Co.	250,000	200000010002	10/1/99	10/1/02	

☐ New Policy

☐ Bypass CHR Bond

Now Enter ID

9. One Time Load Cargo Increases

(These can also be called Riders or High Value Load Increases.)

- a) The increase will always be for the cargo insurance.
- b) Branch will/should specify on the certificate that it is a 'one time' increase and list their 7 letter.
- c) The certificate should list date load is moving and/or the load number. All other insurance updating rules apply in order for us to accept it (i.e. cert holder, agent signature).
- d) This change should be entered temporarily into Navisphere (cargo ins screen)
 - i. You can communicate w/the branch via flash, IM, email or phone call (quickest way possible) letting them know we have received the one time increase & you are able to assist them with this change.
 - ii. Make the change into the cargo screen, allow the branch to book (letting them know they need to do it right at that time because you need to change it back to the regular cargo limit).
 - iii. You never want to leave a higher cargo amount in express longer than necessary.
 - iv. Index the certificate in schrimage as you would a normal certificate.
 - v. If you're not able to enter the one time load increase due to missing info, put it on hold under the applicable insurance hold queue.
 - vi. If you're not able to enter the increase because you're not able to contact the branch, add a note to the carrier services notes stating that you're waiting for the branch to book and that the cert is in IM hold queue.

Note: We can do one time load increases for carriers that have multiple commodity limits listed on the certificate they have on file with us. Same procedure as above but they do not need a new certificate from the agent.

10. Cancellations & Reinstatements

*Any questions regarding cancellations/reinstatments please refer to the Cancellation Flow Chart Instructions on the G drive > Carrier Services Operations > SOP's > Insurance related SOP's

- a) These forms differ from regular certificates because they actually say 'cancellation or reinstatement'
 - i. In order to enter the cancellation or reinstatement, the policy numbers on the document need to match what we have in Navisphere.
 - ii. If there is no specific cancellation or reinstatement date listed, you would enter it effective for that current day.
 - iii. If ever questioning whether or not you cancel a policy due to info missing on the certificate or document, etc, it's best to cancel it as long as the policy number matches & corrections can be made after it's researched (to ensure CHR is protected).
 - iv. When scanning a cancellation, change the Doc type to Insurance and click the "Cancelled Ins Cert" button. Make sure you select "Do Not Send Anything" in sending options.
- b) Coverage may also be cancelled per L&I
 - i. If when verifying info on L&I, (shown in the FMCSA Insurance Information at the bottom of your Insurance tab), if coverage is cancelled and policy numbers match what we have in Navigator, you should cancel it in Navigator as well.
 - ii. add 'Ins Note' in each matching policy update stating 'cancelled per L&I'
 - iii. add cancelled date to Navigator
 - iv. You may scan the insurance certificate if they are cancelled/ reinstated per L&I
 - v. When you receive a certificate and are updating the insurance but are cancelling per L&I - please use the appropriate acceptance letter "Cancelled with Govt Accepted".

- c) If carrier and/or branch calls in questioning a cancellation per L&I, we can reinstate coverage from the info on L&I (process the Verification for that Carrier and it will update the FMCSA information on your Insurance tab)
 - i. We do not require any document from the insurance agent if it was originally cancelled per L&I.
 - ii. We only need documentation from agent if cancellation was issued by agent.

11. Self insured carriers and brokers

- a) If a carrier/broker has self insured noted on either a certificate or L&I, we must do a credit check for them:
 - i. If it's for Auto Liability, and if the FMCSA lists the Carrier as "Self Insured", you can accept that policy.
 - ii. If NOT – send an email to TAYLLOR & BECKCOL with the T#, what coverage is self insured and the limit. DO NOT enter until you receive a response back.
 - iii. If it's for Cargo, please send an email to TAYLLOR & BECKCOL with the T#, what coverage is self insured and the limit. DO NOT enter until you receive a response back.
 - iv. Please make note that you are waiting for a credit check in the Carrier Services notes.
 - v. If ok to enter, do so the same as entering any other insurance, but the agent and underwriter should be "Self Insured" and a note should be marked in the insurance notes who the credit check was ok'd by.
- b) We also need a credit check on carriers that have a high deductible
 - i. If a carrier has a deductible that is more than 50% of their limit for any coverage, we need to get credit check.
 - ii. Follow the same procedure as a self insured carrier/broker, but mark in the notes that it is a credit check for a high deductible.

12. Haz Mat requirements and certificates

- a) Requirements to haul Hazardous Materials – For US Carriers
 - i. The carrier must have 1,000,000 in auto liability, 1,000,000 in general liability and 25,000 in cargo coverage.
 - ii. The carrier must have 1,000,000 filed with L&I for their auto liability.
 - iii. The carrier (NOT THE DRIVER), must be Haz Mat certified with the government. We do not take driver Haz Mat endorsements or state Haz Mat endorsements.
 - iv. Please check to see if carrier has a hazmat addendum on file, if the carrier needs an addendum, the hazmat cert must be placed on hold, and send the addendum.
 - v. **Make sure to add the Master Contract date on the first page of the Addm**

<p style="text-align: center;">Addendum To Contract Carrier Agreement DATED February 3, 2012 Hazardous Materials</p> <p>Reference is made to the Contract entered into February 3, 2012, between Spady Transport Ltd, (hereinafter referred to as "Carrier") and C.H. Robinson Worldwide, Inc., (hereinafter referred to as "Robinson"). In accordance with the terms set forth in the aforesaid Contract, it is the intent of the parties to amend the contract to include the following provisions, to become effective simultaneously with the Contract, effective [REDACTED]</p> <p>A. Carrier represents and warrants that it is compliant with all applicable state and federal regulations for the transportation and handling of hazardous materials. Minimum regulatory compliance includes, but is not limited to, the following areas:</p>

Make sure you save the Addendum in the Hazmat Addendum folder

- b) If a Haz Mat certificate is received and a hazmat addendum is on file, process as follows:

- i. Please verify the hazmat certificate on this website:
<https://hazmatonline.phmsa.dot.gov/services/>
- ii. Hazmat Registration Applications
- iii. Renewal (need to be selected), then click next

See print screen below.....

Hazardous Materials Registration

Welcome to the Hazardous Materials Registration Program On-Line Registration service of the U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration, Office of Hazardous Materials Safety.

To Register On-Line you must complete these steps:

- a. Select the appropriate type of registration below (Renewal or Initial)
- b. Provide the required information pertaining to the registration.
- c. Provide a valid credit/debit card number or ACH (electronic check) account number for payment.
- d. Print the registration.

What type of hazardous materials registration would you like to process?

<input type="radio"/> Initial	The registration is for a company that has never registered for a hazardous material certificate.
<input type="radio"/> Renewal	The registration is for a company that has previously registered for a hazardous material certificate.
<input type="radio"/> Amendment	A previously processed hazardous material registration for the most recent registration period needs to be updated to reflect changes to company data.
<input type="radio"/> Company Look-up	Look-up a registered company. Existing registration certificates can be viewed or printed.
<input type="radio"/> ACH Verification	Verify if a previously submitted ACH (Electronic Check) payment has been processed.

To view or print a registration certificate you will need the Adobe Acrobat Reader. If you do not already have the Reader, you can download it without charge from <http://www.adobe.com/products/acrobat/readstep2.html>

If you have questions about the registration requirements, including who must register, or how to register on-line, click here for [instructions](#).

[Next Step](#)

- c) Enter registration number from the hazmat certification form into 'Current Registration Number' section, then click 'search'

DOT Home PHMSA Home Hazmat Home Pipeline Home Home
 Registration Applications Civil Fines and Penalties FDOT Payments Hazmat Publications

Hazardous Materials Registration Company Search

Enter any of the following fields to search for a company (only one is necessary):

Current Registration Number: (begins)

Company Name: (contains)

Postal Code: (begins)

USDOT Number: (contains)

MC/MX Number: (contains)

[Search] [Reset]

(Please click on any column header to sort)

REGISTRATION #	COMPANY NAME	MAILING POSTAL CODE	
051508001025QS	LANDSTAR RANGER INC	32224	N

- d) This should display the company info of who you are updating.
- If it doesn't, you will not enter the hazmat info into Navigator. Add notes stating we cannot accept hazmat info as registration info does not match.
 - If it matches, you will enter the info in Navigator in the Qualification (5) tab, sub tab Hazmat & DG.
 - ✓ Type: USDOT
 - ✓ Registration Number: Copy/Paste from the Hazmat website into Navigator
 - ✓ Effective Date:
 - ✓ Expiration Date:

- Hazmat does not roll up automatically
 - When you come across one where there are multiple T codes (meaning the list is too long to write down all the T codes), we can export a list for you; just ask Collette.
 - The hazmat registration form can be indexed under the level 2 T code only.
- c) Requirements to haul Hazardous Materials- for Intra-Canadian Only Carriers
- Must have the same insurance limits as the US carriers.
 - Ask for a letter from their province that covers hazmat on their company (if the carrier can provide it, send to scan).

- iii. If the carrier cannot provide anything in writing, we can still proceed, once we have the load info from the branch rep.
- iv. Enter as a one time load increase by adding notes to the carrier services field and enter a fake registration & a fake date.

13. Change Forms- (see Change Form SOP for more detailed direction)

- a) All info on change form should be filled out; T#, old & new info, signature before accepting.
 - i. It is ok to accept forms if the old information that is listed in contacts tab, it does not have to match the "Company Main" information.
 - ii. Only change the info that is specifically listed on the change form.
 - iii. Make sure you check any additional addresses that may need to be updated in Navigator as well
- b) There may be exceptions made if carrier cannot remember old info but that should be escalated to lead or supervisor for approval before accepted.
- c) Signature must match contract signer.
- d) It should match the signature on the most current contract. If not, you should research all contract versions in schrimage to see if it matches an older version; if it does, escalate those to lead or supervisor for approval to accept.
- e) You can/should reference W9 to also compare that signature if unsure of it matching contract.
- f) If carrier is requesting to change add/ph or fax and contact info but the contact person is a web contact. You should email CHRWTRUCKS asking them to make the change listed on the form. No need for them to see the actual change form. Only the CHRWTRUCKS group has the rights to change web contact info.
- g) After changes are made, index the change form to schrimage. It would be scanned under batch type 'CS Ops' and doc type 'address change'.
- h) If carrier calls to dispute why we rejected change form, you can/should reference safer/L&I to compare address/phone info – those websites should, or should in the near future list the correct info for the carrier.
- i) If you are not able to accept the change form (for any reason) please go to Utilities > Carrier Payment Options and look if the carrier is paid by 'paper' check. Also, check to see if they are factored (if they are, there will be a factoring company to be listed on that screen). If they are paid by paper check and are not factored, please email RESOCAR and let them know.
- j) Payment address changes are handled by the Carrier Resolution department and can be sent to them.

The hold queues for various issues on change forms are as follows:

Incorrect signatures/missing the signature:

Batch Type = CS Ops
 Doc type= Address Change
 Status = Hold
 Misc/Incorr Signature

Address issue

Batch Type = CS Ops
 Doc type= Address Change
 Status = Hold
 IA-Address Problem

Both of the above issues

Batch Type =CS Ops
 Doc type= Address Change

Status = Hold
IM/Misc/multiple

14. Re-entitlements (Name changes)

- a) If a certificate is received and the name on L&I no longer matches what is in the ID, check for a name change.
 - i. Check under Insurance History on L&I. (You will be able to click on the FMCSA link in the Verification screen on any ID to take you to their website and check the Ins History)
 - ii. If not noted on L&I, check the authority that is on file.
- b) If the name has changed:
 - i. Change ID to pending
 - ii. Put a note in the Carrier Services notes with the RP issue and that you requested their REENT PW.
 - iii. Verify the underwriter on the new certificate matches the underwriter listed on L&I, if not please notify the carrier at the same time as the RP issue.
- c) Once the new ID is created, enter the same as new set up. Unless the name on the certificate is the old name, you can give temporary updates for all issues.

15. Where to get insurance for the customer

- a. If a customer calls requesting our insurance, send them back to their account rep.
- b. If the account rep for a customer calls requesting our insurance, direct them to Work Net.
 - i. Our insurance is under Legal, Resource Documents. There will be two separate certificates for auto liability and cargo coverage. Auto is titled "Casualty Certificate 2010 & the cargo is titled "Cargo Certificate 2010".
 - ii. If they need the customer to be listed as certificate holder they will need to contact our agent, listed at the top of the certificate. There is a form they need to fill out & fax to our insurance agent. It's under Legal, Agreement Templates & the request form is titled "Insurance Certificate Request".

16. Miscellaneous information

- a. **Can't Finds**
 - i. If you cannot find the carrier and have tried all searches, put document on hold under Can't Finds.
- b. **Rushes**
 - i. If a branch rep is asking for a rush, please ask that they email carrier services email box.
 - ii. If a carrier calls asking for a rush, please have them contact the branch rep they are working with to send an expedite request to carrier services email box.
 - iii. Ordinarily we ask that all branches and carriers give us approximately one business day to process their certificate (from the time of sending).
- c. **Ids that are deleted due to lack of activity or have an old contract:**
 - i. If an id is deleted due to lack of activity, place the insurance on hold in the incorrect queue.
 - ii. If there are notes in an ID that they carrier is sending their Insurance to get reactivated – and they are on an older contract (right now 5.0 or older), enter

insurance as normal and send the carrier a MAS contract. Leave in pending until the contract is returned.

d. If you need an I code created for an agent/ or underwriter in Express:

- i. Please send an email to Jenni and/or Kelsie and Megan if Jenni is not available.
- ii. If they are not here, please notify Collette.
- iii. Do not update the certificate until you have received the new I code. You should not index a certificate with and Agent or Underwriter code left blank.

e. If you see insurance already updated:

- i. Check 'Verification date' date within Qualifications < Status & Authority tab and the issue date on the certificate, check specific areas on the cert; agent, underwriter, limits, dates, cargo reefer breakdown. More than likely if it's been updated within the past couple days, and you're seeing a duplicate.
- ii. If duplicates, do not re-index these if they have been previously indexed.
- iii. You do not need to put these on hold. Just add a note saying that the same certificate was received, and you have deleted the certificate.

- When updating a carrier with an "Owner Operator Services" in Grain Valley, MO Certificate please be sure to always use **Agent Code 1584** and **Underwriter Code 1389** with every update.
- When updating an existing Carrier, and you get a YES on the OFAC list while doing your Verification, please send an email to BECKCOL. She will research this and get back to you. Process your paperwork as normal. Leave the ID Active. *(If the ID was in an "X" status, and you are getting paperwork to reactivate the ID, leave the ID in an "X" status until you hear back from Legal.)*
- Add notes to the ID that you have notified BECKCOL

OFAC Check	
Matching Found: YES	OFAC Website
Save Check

f. Searching for Carrier's using "%" sign

- i. When searching for Carrier's in the F2 screen, you can use the % sign to have Navigator search for any Partial information (to include their Name, DBA, address, etc...) Below are examples of how this function works:
 - Ren% - Gets everything that starts with "Ren" and also has other characters after it. It will find "Renae", but it will not find "Ren"
 - %ren - Gets everything that ends with "ren" and also has characters before it. It will find "Warren", but it will not find "Renae"
 - %Ren% - Will only find those that have "Ren" in the middle of the name where at least one character is before and after. It will find "Miss Renae the Awesomest", but it will not find "Renae" or "Warren"

- ii. If no matches are found, remember to check and make sure that the "Active" box is NOT checked, to have Navigator look for both active and inactive Carriers.

The screenshot shows a software window titled "Carrier Information". It contains several input fields and checkboxes. On the left, there are labels for "Carrier", "Address", "City", "State", "Zip", and "Phone". In the center, there are input fields for "Carrier Name", "Address", "City", "State", "Zip", and "Phone". On the right, there is a large text area with "Active" and "Inactive" checkboxes. Below this, there are fields for "Carrier ID" and "Status".

EXHIBIT 3

CHR ID T5235076

AGREEMENT FOR MOTOR CONTRACT CARRIER SERVICES

THIS AGREEMENT (hereinafter referred to as "the Contract") is made and entered into this 4 day of February, 2014 at Eden Prairie, Minnesota, by and between the following named parties (hereinafter referred to as "the Parties"):

C.H. Robinson Worldwide, Inc., a corporation with its principal place of business at 14701 Charlson Road, Eden Prairie, Minnesota, 55347, for itself and on behalf of its affiliated companies and divisions which are also parties to this Contract, collectively hereinafter referred to as "Robinson",

and **Kuwar Singh** dba **RT Service**, with its principal place of business at 7527 Franklin Blvd Apt 1, Sacramento, CA US 95823-3634 hereinafter referred to as "Carrier".

W I T N E S S E T H

WHEREAS, Carrier performs motor carrier transportation services in one or more of the following forms:

- (i) as a motor contract carrier duly registered with the Federal Motor Carrier Safety Administration ("FMCSA") in Docket No. MC- 852094;
- (ii) as a motor carrier that solely transports cargo that is exempt from regulation by the FMCSA U.S. DOT# 2465473; or
- (iii) as a motor carrier performing drayage services for intermodal shipments in good standing with the Intermodal Association of North America (IANA) and the Uniform Intermodal Interchange Agreement (UIIA); or
- (iv) as a motor carrier transporting cargo in Intrastate, Interstate, Inter-Provincial/Territorial or Canada-U.S. Intra-Provincial/Territorial movements; and

WHEREAS, Robinson arranges transportation of property by motor carriers for its customers and is duly registered as a Property Broker with the FMCSA in Docket No. MC 131029 as may be amended from time to time and also facilitates the same to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada; and

WHEREAS, Robinson desires to use the services of Carrier to transport property for or on behalf of its customers and Carrier desires to provide transportation services to Robinson's customers; and

NOW, THEREFORE, in consideration of the foregoing premises and the mutual promises contained herein, Carrier and Robinson agree as follows:

I. CONTRACT TERM AND TERMINATION

This Contract shall be effective as of the date written above and shall continue for a period of one (1) year. This Contract shall thereafter continue in effect from year to year on the same terms and conditions, unless terminated by either party. Either Party shall have the right to terminate this contract upon thirty (30) days' prior written notice to the other party.

CHR ID T5235076

2. SHIPMENTS TO BE TENDERED BY ROBINSON

Robinson hereby agrees to tender shipments to Carrier as its needs require for transportation in Interstate, Intrastate, Inter-Provincial/Territorial, Intra-Provincial/Territorial or foreign commerce, and Carrier hereby agrees to transport such shipments in accordance with the terms and conditions stated in this Contract.

3. INDIVIDUAL SHIPMENT COMPENSATION AND TERMS

Compensation shall be paid to Carrier solely and exclusively by Robinson, and not by Robinson's customers, on all shipments tendered to Carrier under this Contract. Carrier shall be compensated by Robinson based on the following:

a. Carrier and Robinson may orally agree upon the rate or compensation to be paid to Carrier for, and the terms and conditions applicable to, any shipment tendered by Robinson under this Contract. Robinson shall subsequently confirm the oral agreement by issuing a confirmation to Carrier in written or electronic format ("the Confirmation") that sets forth the rates, terms, and conditions agreed upon. Unless Carrier objects to the contents of the Confirmation within twenty-four (24) hours of receipt, Carrier shall be deemed to have assented to the Confirmation, which shall be binding. Each Confirmation shall be incorporated into and considered to be a part of this Contract, and the Parties agree to retain all such confirmations for at least three (3) years subsequent to the expiration of this Contract, or longer to the extent required by law. Unless the rate for any shipment is agreed to by Carrier and stated on the Confirmation, the rates and charges for the shipment shall be computed at \$.80 per load mile.

b. Carrier and Robinson may agree in a separate agreement, such as Robinson's "Quick Pay Discount Agreement" set forth in Appendix A, etc. ("Discount Agreement"), to apply a discount to the rates and charges set forth in this Contract and all applicable Confirmations, which separate agreement shall be incorporated into and considered to be a part of this Contract. If the Parties agree to the Discount Agreement, the discounted amount shall be the compensation owed to Carrier for shipments covered by the Discount Agreement without additional notation on any Confirmation issued by Robinson.

c. Carrier agrees that any tariffs, circulars, pricing authorities, and/or similar documents that it publishes shall not apply to the transportation services provided by Carrier under this Contract, unless any such tariff, circular, pricing authority or similar document is expressly incorporated into this Contract or into a Confirmation.

4. PAYMENT OF RATES AND CHARGES

a. Within twenty (20) days after Robinson's receipt of Carrier's delivery receipt (or as otherwise provided by a Discount Agreement), Robinson shall pay Carrier the rates and charges applicable to the shipment. In exchange for Robinson's guarantee of prompt payment, and other good and valuable consideration, Carrier (i) appoints and designates Robinson as its agent for the purpose of billing and collection of freight charges and, notwithstanding subsection(7)(1) of the *Mercantile Law Amendment Act of Ontario* or any other similar legislation, Carrier waives any and all rights to claim, demand, or pursue payment from any person other than Robinson for any shipment tendered pursuant to this Contract; (ii) agrees not to contact Robinson's customers, consignors, consignees or any party other than Robinson concerning payment for transportation services; and, (iii) agrees to indemnify, defend, and hold Robinson, its customers, consignors, and consignees harmless from any claim or demand made by any subcontractor of carrier or other party for payment for transportation services related to a shipment tendered under this Contract.

CHRW Carrier Agreement Ver. No. 7.2 Feb 2009

- 3 -

K-S
Carrier Representative Initial:

CHR ID T5235076

b. In its sole discretion, Robinson may withhold compensation owed to Carrier to satisfy claims or shortages arising out of this or other Contracts with Carrier, or to satisfy advances made to, or on behalf of, Carrier, or to satisfy any debt owed by Carrier to Robinson or any of its subsidiary or related companies, including T-Chek Systems, Inc. Robinson's right to withhold compensation shall arise only if the underlying claim or debt has not been acknowledged in writing by Carrier within thirty (30) days of presentation by Robinson, or the claim or debt has neither been paid nor denied for a valid reason within ninety (90) days of presentation. Robinson's withholding of compensation shall not allow or permit Carrier to seek payment from Robinson's customers, consignors, consignees, or any other third party, and Carrier agrees that it shall not, under any circumstances, claim, demand, or pursue payment from Robinson's Customers', consignors, consignees, or other parties for transportation services provided hereunder.

c. Any claim for overpayment or underpayment for transportation services provided pursuant to this Contract shall be presented by the party asserting the claim to the other party within sixty (60) days of discovery of the claim, but in no event will any such claim(s) be asserted more than one hundred eighty (180) days after the delivery of the shipment or shipments giving rise to any such claim. Claims shall be supported by appropriate documentation showing the amount of the overcharge or the undercharge, as the case may be. The parties shall pay, deny, or make a firm compromise offer within forty-five (45) days of receiving a claim. Any civil action to recover overcharges or undercharges shall be instituted within eighteen (18) months of the date of delivery of the shipments comprising the overcharge or undercharge claim.

d. Carrier will pay all licenses, fees, taxes, fuel tax payments, road tax, equipment use fees or taxes, equipment license fees, driver's license fees, tolls and any other fees and fines that may be assessed on its equipment or its operations.

5. CARRIER'S OPERATING AUTHORITY AND SAFETY RATING

a. Carrier represents and warrants that all transportation performed under this Contract shall be contract carriage. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, it shall procure and maintain any and all operating authorities or permits required to be held by Carrier under any applicable Federal, Provincial or Territorial laws and shall adhere to the Canadian National Safety Code. Without cost to Robinson, Carrier shall provide and ensure complete all preventive maintenance and ongoing maintenance including, but not limited to, periodic safety inspections, annual safety inspections and emissions testing pursuant to the standards set out in any and all of the applicable motor vehicle statutes and regulations of the applicable jurisdiction(s) of operation. Carrier warrants that it shall notify Robinson in the event of any suspension, cancellation, termination, or withdrawal of its operating authorities, in which event Robinson shall have the right to terminate this Contract immediately upon written notice to Carrier.

b. Carrier further represents and warrants that it shall at all times maintain a U.S. DOT safety rating that is "satisfactory", "conditional", (subject to Robinson's policies as amended from time to time), or "unrated"; and if to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, comparably, Carrier shall maintain a Canadian "carrier safety rating" that is "satisfactory", "conditional" or "satisfactory-unaudited" in accordance with the Ontario Ministry of Transportation standards pursuant to the *Highway Traffic Act* and Regulations and/or any other Provincial or Territorial equivalent, which has jurisdiction over the Carriers operations. Carrier warrants that it will promptly notify Robinson if Carrier is assessed an "unsatisfactory" safety rating, or if any equipment is known to be or reported as defective or which is not in compliance with the applicable Federal, State, Provincial or Territorial statute or regulation pertaining to vehicle or highway safety and Robinson will suspend all service with Carrier and this Contract shall be terminated.

CHRW Carrier Agreement Ver. No 7.2 Feb 2009

- 4 -

 Carrier Representative Initial:

CHR ID T5235076

c. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier warrants that it holds a valid registration with the Commercial Vehicle Operator's Registration (CVOR) System for transporting goods through Canada. Carrier shall notify Robinson immediately of any conviction or sanction against its CVOR rating.

d. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier holds a valid license or certificate to operate an Extra-Provincial truck undertaking, and to engage in the Intra-Provincial truck transportation of goods or valid overweight permits pursuant to any applicable laws if necessary or as issued under the *Motor Vehicle Transport Act, 1987* or any *Highway Traffic Act* or equivalent as applicable to the jurisdiction of the trip/route.

e. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier is authorized to transact bonded highway carrier operations in Canada, and warrants that it holds the applicable bonded highway carrier code as issued by the Canada Border Services Agency ("CBSA").

f. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier has signed Partners in Protection memorandum of understanding with the CBSA and has been certified and/or validated by the United States Bureau of Customs and Border Protection ("CBP") as a participant in the Customs-Trade Partnership Against Terrorism.

g. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier warrant that it is an approved carrier under the CBSA's Customs Self-Assessment program, and is a registered participant in the Free and Secure Trade ("FAST") program and that it holds a Standard Alpha Code number as issued by the National Motor Freight Association ("NMFTA").

6. DRIVERS AND EQUIPMENT

a. Carrier shall ensure that its drivers are properly trained and licensed, and are competent and capable of safely handling and transporting Robinson's shipments. Carrier agrees that drivers will be dispatched in accordance with the maximum available hours of service as provided in rules promulgated by the FMCSA while in the United States or as provided by any Canadian authority whose jurisdiction is within Carrier's route/trip.

b. Carrier shall provide and maintain all equipment required for the services requested by Robinson and shall only use and provide equipment that is clean, in good operating condition and repair, in compliance with any and all Federal and/or State, Provincial/Territorial, Municipal statutes and regulations, and is suitable and properly configured to safely load, transport, and unload the shipments tendered by Robinson. Carrier shall ensure that all equipment and all loads are in compliance with the environmental standards of any and all jurisdictions on its route and must act in accordance with these environmental standards. Any deviation from prescribed environmental standards is contrary to Robinson's policy and the Carrier shall be solely and independently responsible for any consequence flowing from said deviation. All equipment provided for the transportation of food or food grade products will comply with the requirements of The Sanitary Food Transportation Act, or, to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, the Food and Drug Acts and any/all other applicable statutes and regulations, including, but not limited to the Ontario Food Safety and Quality Act, 2001, or any other jurisdiction's equivalent, and that none of the equipment so provided has been or will be used for the transportation of any waste of any kind, garbage, hazardous materials or any other commodity that might adulterate or contaminate food, food products or cosmetics.

c. Drop Trailer/Interchange. In the event that Carrier participates in a drop trailer arrangement for the benefit of any of Robinson's customers or vendors, Carrier agrees that it shall address

CHRW Carrier Agreement Ver. No. 2.2 Feb 2009

- 5 -

Carrier Representative Initial: 

CHR ID T5235076

all damage or liability issues directly with the responsible customer or vendor. Carrier agrees that Robinson shall only be responsible for the direct acts of its employees, and not for the actions of customers, lumpers, draymen, other carriers, or any other third party. If Carrier agrees to interchange equipment to another carrier or to use equipment owned by a third party, Carrier, will address any interchange agreement directly with that motor carrier or equipment owner.

d. **Equipment Use/Commingling.** Carrier agrees not to commingle or consolidate any freight tendered by Robinson with the freight of any of Carrier's other customers. With regard to the individual tenders accepted by Carrier from Robinson, Carrier's equipment shall be dedicated exclusively to the use of Robinson's tendered loads in accordance with each Confirmation. Carrier's violation of this exclusive use requirement shall result in, as a liquidated damage and not as a penalty, Carrier's forfeiting its right to be paid for the transportation services as contemplated by the Confirmation. Robinson shall also have the right to terminate this Contract immediately upon written notice to Carrier.

7. PERFORMANCE AND DELIVERY TIME

Carrier shall transport shipments to their specified destination without delay caused by anything in Carrier's control and with reasonable dispatch, unless a specified delivery date and/or time is communicated to it prior to the pick-up of any individual shipment, in which case delivery shall be performed in accordance with the communicated schedule.

8. COMPLIANCE WITH LAWS

Carrier agrees that all transportation services will be performed in full compliance with Federal, State, Provincial, Territorial, Municipal, local, and, to the extent applicable, international laws or regulations governing its operations (including but not limited to the statutes and regulations of any Provincial or Territorial Highway Traffic Act or equivalent, the Transportation of Dangerous Goods Act and regulations and the regulations of the Federal Department of Homeland Security ("DHS"), the Transportation Security Agency ("TSA"), as well as any legislation and related programs designed to protect transportation activities from terrorist attacks, such as the Customs - Trade Partnerships Against Terrorism and the Free and Secure Trade initiative. Carrier agrees to indemnify Robinson for any fines, costs, claims, liability or expenses that Robinson may incur and that arise out of violations of any applicable laws and regulations during Carrier's performance under this Contract.

9. SHIPMENT INSTRUCTIONS

At the time each shipment is received by Carrier from Robinson's customer, Carrier will request and obtain instructions concerning all handling, securing and freight protection requirements, including specifications noted on the bill of lading, on shipment instructions, or as otherwise may be provided. Carrier is responsible for insuring that all freight is properly blocked and braced for transportation pursuant to any applicable Canadian National Safety Standards, or other applicable standards, unless tendered to Carrier in a pre-loaded, sealed trailer, in which case Carrier shall note the seal numbers on the bill of lading or receipt. The goods being shipped shall be considered to be in apparent good order and condition, unless otherwise indicated by Carrier or receiver on the bill of lading.

10. ROBINSON'S COMPENSATION

Carrier shall not claim or demand, in whole or in part, broker's commissions earned by Robinson on shipments tendered under this Contract. Robinson shall not be required to disclose the amount of its broker's commission to Carrier, and Carrier expressly waives its right to receive and review information, including broker's commission information, pursuant to 49 CFR §371.3.

CHR ID T5235076

11. INDEPENDENT CONTRACTOR

Carrier is an independent contractor and shall exercise exclusive control, supervision, and direction over (i) the manner in which transportation services are provided; (ii) the persons engaged in providing transportation services; and, (iii) the equipment selected and used to provide transportation services. Carrier shall have full responsibility for the payment of local, state, and federal payroll taxes, workers compensation and other social security and related payment requirements with respect to all persons engaged in the performance of transportation services. This Contract does not create, nor shall it be deemed to create a partnership, joint venture, or agency relationship between Robinson and Carrier.

12. CARRIER'S CARGO LIABILITY AND CLAIMS

a. Carrier shall have the sole and exclusive care, custody and control of the shipments tendered by Robinson from the time Carrier picks up a shipment until delivery to the consignee. Carrier shall be liable to Robinson for actual loss and damage to shipments, and for delayed deliveries, arising from Carrier's performance of or failure to perform the services required by this Contract; provided, however, that Carrier shall not be liable for loss, damage, or delay to shipments caused solely by an act of God, public enemy, acts of war, insurrection, riot, inherent vice of the Shipment, or the negligence of Robinson or its customer, in which case Carrier has the burden of proving applicability of the exception. Any seals applied to trailer are not to be broken or removed prior to delivery at destination without prior written consent from Robinson.

b. Carrier shall be liable for the full, actual value of the shipments tendered by Robinson to Carrier. No released value rates, or other limitation of cargo liability, shall be valid or enforceable against Robinson or its customers unless expressly agreed to by Robinson in a signed writing separate from any bill of lading or other delivery receipt issued by Carrier.

c. Robinson may file a claim for loss or damage to shipments delivered or not delivered. Within ninety (90) days of receiving a claim from Robinson for loss, damage, or delay, Carrier shall pay or deny the claim (in which case the reasons for denial shall be fully explained), or make a firm compromise offer.

d. In the event branded or labeled goods are damaged, Robinson's customer may determine, in its sole discretion, whether the goods may be salvaged, and if salvageable, the value of such salvage. Any salvage receipts shall be deducted from the amount of Robinson's claim against Carrier. If Robinson's customer permits its goods to be salvaged and Carrier pays the full, actual value of the damaged goods Carrier may retain custody of the goods after removing all identifying marks or labels.

e. To the extent that any of the terms of this contract are inconsistent with the *Highway Traffic Act*, R.S.O. 1990, c. H.8, as amended, and the Regulations thereto or similar provincial or territorial legislation having jurisdiction, and/or the provisions of any bill of lading, the terms of this Contract shall prevail.

13. INSURANCE

Unless greater insurance limits are required on a schedule to this Contract or by law, Carrier agrees to procure and maintain at its own expense the following insurance in at least the following amounts during the term of this Contract:

CHRW Carrier Agreement Ver. No. 7.2 Feb 2009

- 7 -

 Carrier Representative Initial:

CHR ID T5235076

- a. Cargo Insurance: \$25,000 per shipment or, to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, an amount sufficient to cover the loss or damage to the cargo carried, but in no instance less than \$25,000 per shipment;
- b. Automobile Liability Insurance: \$750,000 USD per occurrence;
- c. Worker's compensation: as required by law;
- d. Any additional BMC 32 and MCS 90 Endorsements or requirements where required by law or regulation;

(Note: possessing a General Liability insurance policy and insurance limits in excess of the minimums outlined above will result in greater freight opportunities for Carrier).

Carrier shall furnish written evidence of its insurance coverage to Robinson upon request and shall advise Robinson of any change in its insurance coverage thirty (30) days prior to the effective date of such change. Carrier further agrees to procure and maintain any and all insurance required by federal, state, Provincial, Territorial, Municipal, local, or to the extent applicable, international laws. Carrier shall cause the required insurance to be procured naming Robinson as "additional insured" on any Public Liability, General Liability and/or Automobile liability policies, and as "loss payee" on the Cargo policy. Upon request of Robinson, Carrier shall furnish to Robinson written certificates obtained from each insurance carrier showing that the required insurance has been procured. Carrier's liability for cargo loss or damage described in Section 12 above and its indemnification described in Section 14 below will not be reduced or limited by the actual insurance policy limits that Carrier chooses to purchase.

14. CARRIER'S INDEMNIFICATION

Carrier shall indemnify, defend, and hold Robinson, its customers, consignors, and consignees, and their respective parent, subsidiaries, affiliates, employees, officers, directors and agents harmless from and against any and all losses, harm, injuries, damages, claims, costs, expenses, and liabilities (including reasonable legal fees) arising from, or in connection with services provided by Carrier, its employees, agents, and contractors, unless resulting directly from the negligence or willful act or omission of Robinson or its customers and their consignors or consignees and their respective parent, subsidiaries, affiliates, employees, officers, directors and agents.

15. BILLS OF LADING AND DELIVERY RECEIPTS

Carrier will issue and sign a standard, uniform straight bill of lading or other receipt ("Receipt") acceptable to Robinson and Robinson's customers upon acceptance of a shipment for transportation. If Carrier permits the shipper to prepare the bill of lading, Carrier warrants that it shall ensure that the bill of lading properly names Carrier as the "carrier" on the load prior to signing it, and shall strike through and correct any erroneous designation of any other person as "carrier" (including Robinson) on the bill of lading. Any terms and conditions written or printed on the Receipt shall have no effect against Robinson, unless specifically agreed to by Robinson in this Contract or in a separate signed writing apart from the Receipt. The Receipt issued or executed by Carrier shall be prima facie evidence of receipt of the shipment in good order and condition by Carrier unless otherwise noted on the face of said document. Carrier shall submit an original copy of the Receipt to Robinson evidencing delivery of the shipment unless otherwise instructed by Robinson, in which case Carrier shall retain custody of the Receipt and provide it to Robinson upon request. If Carrier fails to maintain and provide the Receipt, Carrier assumes all risk of loss resulting from the failure to prove good delivery.

CHR ID T5235076

16. FACTORING

Carrier shall provide Robinson written notice of any assignment, factoring, or other transfer of its right to receive payments arising under this Contract thirty (30) days prior to such assignment, factoring, or other transfer taking legal effect. Such written notice shall include the name and address of assignee/transferee, date, date assignment is to begin, and terms of the assignment, and shall be considered delivered upon receipt of such written notice by Robinson. Carrier shall be allowed to have only one assignment, factoring or transfer legally effective at any one point in time, and no multiple assignments, factoring or transfers by the Carrier shall be permitted. Carrier shall indemnify Robinson against and hold Robinson harmless from any and all lawsuits, claims, actions, damages (including reasonable attorneys fees, obligations, liabilities and liens) arising or imposed in connection with the assignment or transfer of any account or right arising thereunder where the Carrier has not complied with the notification assignment requirements of this section. Carrier also releases and waives any right, claim or action against Robinson for amounts due and owing under this Contract where Carrier has not complied with the notice requirements of this section.

17. SUBCONTRACTORS

Carrier specifically agrees that it shall be the party solely responsible for operating the equipment necessary to transport commodities under this Contract and that it shall not, in any manner, sub-contract, broker or tender to any third party for transportation any freight tendered to Carrier pursuant to this Contract. In the event that Carrier shall employ any subcontractor or other person for the performance of all or any portion of the services required hereunder to be performed by Carrier, Carrier shall be and remain liable to Robinson under the terms of this Contract including, without limitation, liability for loss, damage or delay of any shipments, whether such loss, damage or delay occurred while such shipment was in the possession of Carrier or such subcontractor or other person. Carrier shall be solely and exclusively responsible to pay any charges of any subcontractor or other person and agrees to indemnify and defend Robinson and its customers from and against any claims made by any such subcontractor or other person in connection with its provision of services required to be performed by Carrier hereunder.

Notwithstanding the terms of this provision, if Carrier violates this Contract and co-brokers any freight tendered to Carrier pursuant to this Contract, Robinson may, in its sole discretion, do one or more of the following: (a) terminate this Contract and Robinson's relationship with Carrier; and/or (b) require the Carrier to immediately provide security (cash, bond or letter of credit) in a minimum amount of \$50,000, or such greater amount required by Robinson, to secure Carrier's liability to carriers it engages. Carrier further acknowledges and agrees that Robinson may, in its sole discretion, withhold payment to Carrier and make payment directly to carriers it engages.

18. COMMUNICATIONS AND CONFIDENTIALITY

a. Carrier and Robinson shall endeavor to communicate by the most effective and efficient means to exchange information, including instructions, rates, equipment, shipment location, and other information helpful or necessary to achieve the intentions of the Parties herein. Such communications and information transmission presently includes telephone, telecopier, software, e-mail, internet, electronic data interchange, satellite, and information received from third parties (including affiliates of Robinson, outside billing companies and freight payment entities), but this is not intended to be limiting the manner of future communications as they develop.

b. All information furnished by one Party to the other in the course of performing work or rendering services under this Contract shall be deemed to be the confidential and proprietary information

CHRW Carrier Agreement Ver. No. 7.2 Feb 2009

- 9 -

 Carrier Representative Initial:

CHR ID T5235076

of the disclosing Party and/or its customers. The Party receiving information agrees not to disclose any such information unless required to do so by order of court or other legally constituted tribunal, nor to use such information other than in performance of work and/or services under this Contract. Carrier agrees not to use Robinson or Robinson's customers' names for promotional or other purposes without prior written consent.

19. ASSIGNMENT

Neither party shall assign this Contract or any rights hereunder without the prior written consent of the other party, except that Robinson may assign this Contract to any of its parent, subsidiary or related companies, or to any surviving company in a merger or acquisition. Any assignment made pursuant to this paragraph shall be binding upon all assigns, heirs, and successors of the assigning party.

20. NOTICES

Except for regular business communications which may be transmitted through procedures established by agreement or acquiescence, all notices made hereunder shall be provided in writing and delivered by telecopier, certified mail, or overnight courier. Notices transmitted by telecopier shall be deemed received as of the date and time of confirmation printed by sender's machine. Notices transmitted by certified mail or overnight courier shall be deemed received as of the date and time signed for by recipient. Notices shall be addressed to the respective parties as set forth above.

21. FORCE MAJEURE

Neither Robinson nor Carrier shall be liable for any delay in the performance of their respective obligations under this Contract resulting from any force majeure, including, but not limited to, acts of God, acts of government or other civil or military authorities, acts of terror, war or riots. Whenever possible, in the event of a force majeure, the affected party shall promptly notify the other party in writing, stating the reasons for the inability to comply with the provisions of this Contract, and the expected duration of the force majeure.

22. NO LIEN

Carrier shall have no lien, and hereby expressly waives its right to any lien on any cargo, freight, or property of Robinson or any of its customers, consignors or consignees.

23. ENTIRE AGREEMENT

This Contract constitutes the entire agreement and understanding between the parties and supersedes any and all prior agreements and understanding, either oral or written.

24. EXECUTION

This Contract may be executed in one or more counterparts and each such counterpart shall, for all purposes, be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

25. FEES

In the event either party incurs attorney/lawyers fees, costs, or expenses in enforcing any of the provisions of this Contract, or in exercising any right or remedy arising out of any breach of this Contract by the

CHR ID T5235076

other party, the prevailing party shall be entitled to receive attorney/lawyers fees, costs and expenses from the other party.

26. CHOICE OF LAW

The Parties agree that this Contract shall be governed by, construed and enforced in accordance with the laws of the State of Minnesota, or, to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, by the Province of Ontario and the Federal laws of Canada applicable within. The parties further agree that all disputes arising under this Contract may be submitted to the jurisdiction of the State or Federal Courts within the State or District of Minnesota or Illinois, or, to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, to the Province of Ontario or the Federal Courts of Canada.

The parties hereto have specifically requested that this agreement be drawn up in the English language only. Les parties aux présentes ont spécifiquement requis que la présente Convention soit rédigée seulement en langue anglaise.

27. MODIFICATIONS TO CONTRACT

With the exception of additional operational requirement and/or shipping instructions set forth in the Confirmation and/or associated written instruction issued by Robinson, no modification of this Contract and waiver of any of its terms shall be valid or binding unless made in a writing duly executed by the authorized representatives of both parties.

28. SEVERABILITY

If any provision of this Contract held to be invalid under the laws of the Federal government, any State, Province, Territory, Municipality or any other jurisdiction having authority, such provision will be deemed to have no effect but all other provisions of this Contract shall remain in full force and effect.

29. WAIVER

The Parties have entered into this Contract pursuant to 49 U.S.C. § 14101(b) for the purpose of providing and receiving transportation services under the rates and conditions set forth in this contract. The Parties expressly waive any and all rights and remedies permitted to be waived under the Interstate Commerce Commission Termination Act, to the extent that such rights and remedies are inconsistent with any of the provisions of this Contract.

CHR ID T5235076

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed as of the date and year first written above.

SACRAMENTO, CA

This Permit is evidence of the carrier's authority to engage in transportation as a **contract carrier of property (except household goods)** by motor vehicle in interstate or foreign commerce.

This authority will be effective as long as the carrier maintains compliance with the requirements pertaining to insurance coverage for the protection of the public (49 CFR 387) and the designation of agents upon whom process may be served (49 CFR 366). Failure to maintain compliance will constitute sufficient grounds for revocation of this authority.

Service must be performed under a continuing agreement with one or more persons.

A handwritten signature in black ink, appearing to read "Jeffrey L. Secrist".

Jeffrey L. Secrist, Chief
Information Technology Operations Division

NOTE: Willful and persistent noncompliance with applicable safety fitness regulations as evidenced by a DOT safety fitness rating of "Unsatisfactory" or by other indicators, could result in a proceeding requiring the holder of this certificate or permit to show cause why this authority should not be suspended or revoked.

AGREEMENT FOR MOTOR CONTRACT CARRIER SERVICES

THIS AGREEMENT (hereinafter referred to as "the Contract") is made and entered into this 30 day of April, 2013 at Eden Prairie, Minnesota, by and between the following named parties (hereinafter referred to as "the Parties"):

C.H. Robinson Worldwide, Inc., a corporation with its principal place of business at 14701 Charlson Road, Eden Prairie, Minnesota, 55347, for itself and on behalf of its affiliated companies and divisions which are also parties to this Contract, collectively hereinafter referred to as "Robinson",

and **Rheas Trans Inc**, with its principal place of business at 180 Summer Stroll Cir, SACRAMENTO, CA US 95823-6749 hereinafter referred to as "Carrier".

W I T N E S S E T H

WHEREAS, Carrier performs motor carrier transportation services in one or more of the following forms:

- (i) as a motor contract carrier duly registered with the Federal Motor Carrier Safety Administration ("FMCSA") in Docket No. MC- 749428;
- (ii) as a motor carrier that solely transports cargo that is exempt from regulation by the FMCSA U.S. DOT# 2148611; or
- (iii) as a motor carrier performing drayage services for intermodal shipments in good standing with the Intermodal Association of North America (IANA) and the Uniform Intermodal Interchange Agreement (UIIA); or
- (iv) as a motor carrier transporting cargo in Intrastate, Interstate, Inter-Provincial/Territorial or Canada-U.S. Intra-Provincial/Territorial movements; and

WHEREAS, Robinson arranges transportation of property by motor carriers for its customers and is duly registered as a Property Broker with the FMCSA in Docket No. MC 131029 as may be amended from time to time and also facilitates the same to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada; and

WHEREAS, Robinson desires to use the services of Carrier to transport property for or on behalf of its customers and Carrier desires to provide transportation services to Robinson's customers; and

NOW, THEREFORE, in consideration of the foregoing premises and the mutual promises contained herein, Carrier and Robinson agree as follows:

1. CONTRACT TERM AND TERMINATION

This Contract shall be effective as of the date written above and shall continue for a period of one (1) year. This Contract shall thereafter continue in effect from year to year on the same terms and conditions, unless terminated by either party. Either Party shall have the right to terminate this contract upon thirty (30) days' prior written notice to the other party.

Apr 30 13 01:47p

Rheas Trans Inc

2. SHIPMENTS TO BE TENDERED BY ROBINSON

Robinson hereby agrees to tender shipments to Carrier as its needs require for transportation in Interstate, Intrastate, Inter-Provincial/Territorial, Intra-Provincial/Territorial or foreign commerce, and Carrier hereby agrees to transport such shipments in accordance with the terms and conditions stated in this Contract.

3. INDIVIDUAL SHIPMENT COMPENSATION AND TERMS

Compensation shall be paid to Carrier solely and exclusively by Robinson, and not by Robinson's customers, on all shipments tendered to Carrier under this Contract. Carrier shall be compensated by Robinson based on the following:

a. Carrier and Robinson may orally agree upon the rate or compensation to be paid to Carrier for, and the terms and conditions applicable to, any shipment tendered by Robinson under this Contract. Robinson shall subsequently confirm the oral agreement by issuing a confirmation to Carrier in written or electronic format ("the Confirmation") that sets forth the rates, terms, and conditions agreed upon. Unless Carrier objects to the contents of the Confirmation within twenty-four (24) hours of receipt, Carrier shall be deemed to have assented to the Confirmation, which shall be binding. Each Confirmation shall be incorporated into and considered to be a part of this Contract, and the Parties agree to retain all such confirmations for at least three (3) years subsequent to the expiration of this Contract, or longer to the extent required by law. Unless the rate for any shipment is agreed to by Carrier and stated on the Confirmation, the rates and charges for the shipment shall be computed at \$.80 per load mile.

b. Carrier and Robinson may agree in a separate agreement, such as Robinson's "Quick Pay Discount Agreement" set forth in Appendix A, etc. ("Discount Agreement"), to apply a discount to the rates and charges set forth in this Contract and all applicable Confirmations, which separate agreement shall be incorporated into and considered to be a part of this Contract. If the Parties agree to the Discount Agreement, the discounted amount shall be the compensation owed to Carrier for shipments covered by the Discount Agreement without additional notation on any Confirmation issued by Robinson.

c. Carrier agrees that any tariffs, circulars, pricing authorities, and/or similar documents that it publishes shall not apply to the transportation services provided by Carrier under this Contract, unless any such tariff, circular, pricing authority or similar document is expressly incorporated into this Contract or into a Confirmation.

4. PAYMENT OF RATES AND CHARGES

a. Within twenty (20) days after Robinson's receipt of Carrier's delivery receipt (or as otherwise provided by a Discount Agreement), Robinson shall pay Carrier the rates and charges applicable to the shipment. In exchange for Robinson's guarantee of prompt payment, and other good and valuable consideration, Carrier (i) appoints and designates Robinson as its agent for the purpose of billing and collection of freight charges and, notwithstanding subsection(7)(1) of the *Mercantile Law Amendment Act of Ontario* or any other similar legislation, Carrier waives any and all rights to claim, demand, or pursue payment from any person other than Robinson for any shipment tendered pursuant to this Contract; (ii) agrees not to contact Robinson's customers, consignors, consignees or any party other than Robinson concerning payment for transportation services; and, (iii) agrees to indemnify, defend, and hold Robinson, its customers, consignors, and consignees harmless from any claim or demand made by any subcontractor of carrier or other party for payment for transportation services related to a shipment tendered under this Contract.

R.S.

p.16

CHR ID T5186746

b. In its sole discretion, Robinson may withhold compensation owed to Carrier to satisfy claims or shortages arising out of this or other Contracts with Carrier, or to satisfy advances made to, or on behalf of, Carrier, or to satisfy any debt owed by Carrier to Robinson or any of its subsidiary or related companies, including T-Chek Systems, Inc. Robinson's right to withhold compensation shall arise only if the underlying claim or debt has not been acknowledged in writing by Carrier within thirty (30) days of presentation by Robinson, or the claim or debt has neither been paid nor denied for a valid reason within ninety (90) days of presentation. Robinson's withholding of compensation shall not allow or permit Carrier to seek payment from Robinson's customers, consignors, consignees, or any other third party, and Carrier agrees that it shall not, under any circumstances, claim, demand, or pursue payment from Robinson's Customers', consignors, consignees, or other parties for transportation services provided hereunder.

c. Any claim for overpayment or underpayment for transportation services provided pursuant to this Contract shall be presented by the party asserting the claim to the other party within sixty (60) days of discovery of the claim, but in no event will any such claim(s) be asserted more than one hundred eighty (180) days after the delivery of the shipment or shipments giving rise to any such claim. Claims shall be supported by appropriate documentation showing the amount of the overcharge or the undercharge, as the case may be. The parties shall pay, deny, or make a firm compromise offer within forty-five (45) days of receiving a claim. Any civil action to recover overcharges or undercharges shall be instituted within eighteen (18) months of the date of delivery of the shipments comprising the overcharge or undercharge claim.

d. Carrier will pay all licenses, fees, taxes, fuel tax payments, road tax, equipment use fees or taxes, equipment license fees, driver's license fees, tolls and any other fees and fines that may be assessed on its equipment or its operations.

5. CARRIER'S OPERATING AUTHORITY AND SAFETY RATING

a. Carrier represents and warrants that all transportation performed under this Contract shall be contract carriage. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, it shall procure and maintain any and all operating authorities or permits required to be held by Carrier under any applicable Federal, Provincial or Territorial laws and shall adhere to the Canadian National Safety Code. Without cost to Robinson, Carrier shall provide and ensure complete all preventive maintenance and ongoing maintenance including, but not limited to, periodic safety inspections, annual safety inspections and emissions testing pursuant to the standards set out in any and all of the applicable motor vehicle statutes and regulations of the applicable jurisdiction(s) of operation. Carrier warrants that it shall notify Robinson in the event of any suspension, cancellation, termination, or withdrawal of its operating authorities, in which event Robinson shall have the right to terminate this Contract immediately upon written notice to Carrier.

b. Carrier further represents and warrants that it shall at all times maintain a U.S. DOT safety rating that is "satisfactory", "conditional", (subject to Robinson's policies as amended from time to time), or "unrated"; and if to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, comparably, Carrier shall maintain a Canadian "carrier safety rating" that is "satisfactory", "conditional" or "satisfactory-unaudited" in accordance with the Ontario Ministry of Transportation standards pursuant to the *Highway Traffic Act* and Regulations and/or any other Provincial or Territorial equivalent, which has jurisdiction over the Carriers operations. Carrier warrants that it will promptly notify Robinson if Carrier is assessed an "unsatisfactory" safety rating, or if any equipment is known to be or reported as defective or which is not in compliance with the applicable Federal, State, Provincial or Territorial statute or regulation pertaining to vehicle or highway safety and Robinson will suspend all service with Carrier and this Contract shall be terminated.

Apr 30 13:01:44p

Rheas Trans Inc

19164277911

p.15

CHR ID T5186746

c. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier warrants that it holds a valid registration with the Commercial Vehicle Operator's Registration (CVOR) System for transporting goods through Canada. Carrier shall notify Robinson immediately of any conviction or sanction against its CVOR rating.

d. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier holds a valid license or certificate to operate an Extra-Provincial truck undertaking, and to engage in the Intra-Provincial truck transportation of goods or valid overweight permits pursuant to any applicable laws if necessary or as issued under the *Motor Vehicle Transport Act, 1987* or any *Highway Traffic Act* or equivalent as applicable to the jurisdiction of the trip/route.

e. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier is authorized to transact bonded highway carrier operations in Canada, and warrants that it holds the applicable bonded highway carrier code as issued by the Canada Border Services Agency ("CBSA").

f. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier has signed Partners in Protection memorandum of understanding with the CBSA and has been certified and/or validated by the United States Bureau of Customs and Border Protection ("CBP") as a participant in the Customs-Trade Partnership Against Terrorism.

g. To the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, Carrier warrant that it is an approved carrier under the CBSA's Customs Self-Assessment program, and is a registered participant in the Free and Secure Trade ("FAST") program and that it holds a Standard Alpha Code number as issued by the National Motor Freight Association ("NMFTA").

6. DRIVERS AND EQUIPMENT

a. Carrier shall ensure that its drivers are properly trained and licensed, and are competent and capable of safely handling and transporting Robinson's shipments. Carrier agrees that drivers will be dispatched in accordance with the maximum available hours of service as provided in rules promulgated by the FMCSA while in the United States or as provided by any Canadian authority whose jurisdiction is within Carriers route/trip.

b. Carrier shall provide and maintain all equipment required for the services requested by Robinson and shall only use and provide equipment that is clean, in good operating condition and repair, in compliance with any and all Federal and/or State, Provincial/Territorial, Municipal statutes and regulations, and is suitable and properly configured to safely load, transport, and unload the shipments tendered by Robinson. Carrier shall ensure that all equipment and all loads are in compliance with the environmental standards of any and all jurisdictions on its route and must act in accordance with these environmental standards. Any deviation from prescribed environmental standards is contrary to Robinson's policy and the Carrier shall be solely and independently responsible for any consequence flowing from said deviation. All equipment provided for the transportation of food or food grade products will comply with the requirements of The Sanitary Food Transportation Act, or, to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, the Food and Drug Acts and any/all other applicable statutes and regulations, including, but not limited to the Ontario Food Safety and Quality Act, 2001, or any other jurisdiction's equivalent, and that none of the equipment so provided has been or will be used for the transportation of any waste of any kind, garbage, hazardous materials or any other commodity that might adulterate or contaminate food, food products or cosmetics.

c. Drop Trailer/Interchange. In the event that Carrier participates in a drop trailer arrangement for the benefit of any of Robinson's customers or vendors, Carrier agrees that it shall address

Apr 30 13 01:39p

Rheas Trans Inc

19164277911

p.14

CHR ID T5186746

all damage or liability issues directly with the responsible customer or vendor. Carrier agrees that Robinson shall only be responsible for the direct acts of its employees, and not for the actions of customers, lumpers, draymen, other carriers, or any other third party. If Carrier agrees to interchange equipment to another carrier or to use equipment owned by a third party, Carrier, will address any interchange agreement directly with that motor carrier or equipment owner.

d. **Equipment Use/Commingling.** Carrier agrees not to commingle or consolidate any freight tendered by Robinson with the freight of any of Carrier's other customers. With regard to the individual tenders accepted by Carrier from Robinson, Carrier's equipment shall be dedicated exclusively to the use of Robinson's tendered loads in accordance with each Confirmation. Carrier's violation of this exclusive use requirement shall result in, as a liquidated damage and not as a penalty, Carrier's forfeiting its right to be paid for the transportation services as contemplated by the Confirmation. Robinson shall also have the right to terminate this Contract immediately upon written notice to Carrier.

7. PERFORMANCE AND DELIVERY TIME

Carrier shall transport shipments to their specified destination without delay caused by anything in Carrier's control and with reasonable dispatch, unless a specified delivery date and/or time is communicated to it prior to the pick-up of any individual shipment, in which case delivery shall be performed in accordance with the communicated schedule.

8. COMPLIANCE WITH LAWS

Carrier agrees that all transportation services will be performed in full compliance with Federal, State, Provincial, Territorial, Municipal, local, and, to the extent applicable, international laws or regulations governing its operations (including but not limited to the statutes and regulations of any Provincial or Territorial Highway Traffic Act or equivalent, the Transportation of Dangerous Goods Act and regulations and the regulations of the Federal Department of Homeland Security ("DHS"), the Transportation Security Agency ("TSA"), as well as any legislation and related programs designed to protect transportation activities from terrorist attacks, such as the Customs - Trade Partnerships Against Terrorism and the Free and Secure Trade initiative. Carrier agrees to indemnify Robinson for any fines, costs, claims, liability or expenses that Robinson may incur and that arise out of violations of any applicable laws and regulations during Carrier's performance under this Contract.

9. SHIPMENT INSTRUCTIONS

At the time each shipment is received by Carrier from Robinson's customer, Carrier will request and obtain instructions concerning all handling, securing and freight protection requirements, including specifications noted on the bill of lading, on shipment instructions, or as otherwise may be provided. Carrier is responsible for insuring that all freight is properly blocked and braced for transportation pursuant to any applicable Canadian National Safety Standards, or other applicable standards, unless tendered to Carrier in a pre-loaded, sealed trailer, in which case Carrier shall note the seal numbers on the bill of lading or receipt. The goods being shipped shall be considered to be in apparent good order and condition, unless otherwise indicated by Carrier or receiver on the bill of lading.

10. ROBINSON'S COMPENSATION

Carrier shall not claim or demand, in whole or in part, broker's commissions earned by Robinson on shipments tendered under this Contract. Robinson shall not be required to disclose the amount of its broker's commission to Carrier, and Carrier expressly waives its right to receive and review information, including broker's commission information, pursuant to 49 CFR §371.3.

Apr 30 13 01:38p

Rheas Trans Inc

19164277911

p.13

CHR ID T5186746

11. INDEPENDENT CONTRACTOR

Carrier is an independent contractor and shall exercise exclusive control, supervision, and direction over (i) the manner in which transportation services are provided; (ii) the persons engaged in providing transportation services; and, (iii) the equipment selected and used to provide transportation services. Carrier shall have full responsibility for the payment of local, state, and federal payroll taxes, workers compensation and other social security and related payment requirements with respect to all persons engaged in the performance of transportation services. This Contract does not create, nor shall it be deemed to create a partnership, joint venture, or agency relationship between Robinson and Carrier.

12. CARRIER'S CARGO LIABILITY AND CLAIMS

a. Carrier shall have the sole and exclusive care, custody and control of the shipments tendered by Robinson from the time Carrier picks up a shipment until delivery to the consignee. Carrier shall be liable to Robinson for actual loss and damage to shipments, and for delayed deliveries, arising from Carrier's performance of or failure to perform the services required by this Contract; provided, however, that Carrier shall not be liable for loss, damage, or delay to shipments caused solely by an act of God, public enemy, acts of war, insurrection, riot, inherent vice of the Shipment, or the negligence of Robinson or its customer, in which case Carrier has the burden of proving applicability of the exception. Any seals applied to trailer are not to be broken or removed prior to delivery at destination without prior written consent from Robinson.

b. Carrier shall be liable for the full, actual value of the shipments tendered by Robinson to Carrier. No released value rates, or other limitation of cargo liability, shall be valid or enforceable against Robinson or its customers unless expressly agreed to by Robinson in a signed writing separate from any bill of lading or other delivery receipt issued by Carrier.

c. Robinson may file a claim for loss or damage to shipments delivered or not delivered. Within ninety (90) days of receiving a claim from Robinson for loss, damage, or delay, Carrier shall pay or deny the claim (in which case the reasons for denial shall be fully explained), or make a firm compromise offer.

d. In the event branded or labeled goods are damaged, Robinson's customer may determine, in its sole discretion, whether the goods may be salvaged, and if salvageable, the value of such salvage. Any salvage receipts shall be deducted from the amount of Robinson's claim against Carrier. If Robinson's customer permits its goods to be salvaged and Carrier pays the full, actual value of the damaged goods Carrier may retain custody of the goods after removing all identifying marks or labels.

e. To the extent that any of the terms of this contract are inconsistent with the *Highway Traffic Act*, R.S.O. 1990, c. H.8, as amended, and the Regulations thereto or similar provincial or territorial legislation having jurisdiction, and/or the provisions of any bill of lading, the terms of this Contract shall prevail.

13. INSURANCE

Unless greater insurance limits are required on a schedule to this Contract or by law, Carrier agrees to procure and maintain at its own expense the following insurance in at least the following amounts during the term of this Contract:

Apr 30 13 01:36p

Rheas Trans Inc

19164277911

p.12

CHR ID T5186746

- a. Cargo Insurance: \$25,000 per shipment or, to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, an amount sufficient to cover the loss or damage to the cargo carried, but in no instance less than \$25,000 per shipment;
- b. Automobile Liability Insurance: \$750,000 USD per occurrence;
- c. Worker's compensation: as required by law;
- d. Any additional BMC 32 and MCS 90 Endorsements or requirements where required by law or regulation;

(Note: possessing a General Liability insurance policy and insurance limits in excess of the minimums outlined above will result in greater freight opportunities for Carrier).

Carrier shall furnish written evidence of its insurance coverage to Robinson upon request and shall advise Robinson of any change in its insurance coverage thirty (30) days prior to the effective date of such change. Carrier further agrees to procure and maintain any and all insurance required by federal, state, Provincial, Territorial, Municipal, local, or to the extent applicable, international laws. Carrier shall cause the required insurance to be procured naming Robinson as "additional insured" on any Public Liability, General Liability and/or Automobile liability policies, and as "loss payee" on the Cargo policy. Upon request of Robinson, Carrier shall furnish to Robinson written certificates obtained from each insurance carrier showing that the required insurance has been procured. Carrier's liability for cargo loss or damage described in Section 12 above and its indemnification described in Section 14 below will not be reduced or limited by the actual insurance policy limits that Carrier chooses to purchase.

14. CARRIER'S INDEMNIFICATION

Carrier shall indemnify, defend, and hold Robinson, its customers, consignors, and consignees, and their respective parent, subsidiaries, affiliates, employees, officers, directors and agents harmless from and against any and all losses, harm, injuries, damages, claims, costs, expenses, and liabilities (including reasonable legal fees) arising from, or in connection with services provided by Carrier, its employees, agents, and contractors, unless resulting directly from the negligence or willful act or omission of Robinson or its customers and their consignors or consignees and their respective parent, subsidiaries, affiliates, employees, officers, directors and agents.

15. BILLS OF LADING AND DELIVERY RECEIPTS

Carrier will issue and sign a standard, uniform straight bill of lading or other receipt ("Receipt") acceptable to Robinson and Robinson's customers upon acceptance of a shipment for transportation. If Carrier permits the shipper to prepare the bill of lading, Carrier warrants that it shall ensure that the bill of lading properly names Carrier as the "carrier" on the load prior to signing it, and shall strike through and correct any erroneous designation of any other person as "carrier" (including Robinson) on the bill of lading. Any terms and conditions written or printed on the Receipt shall have no effect against Robinson, unless specifically agreed to by Robinson in this Contract or in a separate signed writing apart from the Receipt. The Receipt issued or executed by Carrier shall be prima facie evidence of receipt of the shipment in good order and condition by Carrier unless otherwise noted on the face of said document. Carrier shall submit an original copy of the Receipt to Robinson evidencing delivery of the shipment unless otherwise instructed by Robinson, in which case Carrier shall retain custody of the Receipt and provide it to Robinson upon request. If Carrier fails to maintain and provide the Receipt, Carrier assumes all risk of loss resulting from the failure to prove good delivery.

Apr 30 13 01:32p

Rheas Trans Inc

19164277911

p.10

CHR ID T5186746

16. FACTORING

Carrier shall provide Robinson written notice of any assignment, factoring, or other transfer of its right to receive payments arising under this Contract thirty (30) days prior to such assignment, factoring, or other transfer taking legal effect. Such written notice shall include the name and address of assignee/transferee, date, date assignment is to begin, and terms of the assignment, and shall be considered delivered upon receipt of such written notice by Robinson. Carrier shall be allowed to have only one assignment, factoring or transfer legally effective at any one point in time, and no multiple assignments, factoring or transfers by the Carrier shall be permitted. Carrier shall indemnify Robinson against and hold Robinson harmless from any and all lawsuits, claims, actions, damages (including reasonable attorneys fees, obligations, liabilities and liens) arising or imposed in connection with the assignment or transfer of any account or right arising thereunder where the Carrier has not complied with the notification assignment requirements of this section. Carrier also releases and waives any right, claim or action against Robinson for amounts due and owing under this Contract where Carrier has not complied with the notice requirements of this section.

17. SUBCONTRACTORS

Carrier specifically agrees that it shall be the party solely responsible for operating the equipment necessary to transport commodities under this Contract and that it shall not, in any manner, sub-contract, broker or tender to any third party for transportation any freight tendered to Carrier pursuant to this Contract. In the event that Carrier shall employ any subcontractor or other person for the performance of all or any portion of the services required hereunder to be performed by Carrier, Carrier shall be and remain liable to Robinson under the terms of this Contract including, without limitation, liability for loss, damage or delay of any shipments, whether such loss, damage or delay occurred while such shipment was in the possession of Carrier or such subcontractor or other person. Carrier shall be solely and exclusively responsible to pay any charges of any subcontractor or other person and agrees to indemnify and defend Robinson and its customers from and against any claims made by any such subcontractor or other person in connection with its provision of services required to be performed by Carrier hereunder.

Notwithstanding the terms of this provision, if Carrier violates this Contract and co-brokers any freight tendered to Carrier pursuant to this Contract, Robinson may, in its sole discretion, do one or more of the following: (a) terminate this Contract and Robinson's relationship with Carrier; and/or (b) require the Carrier to immediately provide security (cash, bond or letter of credit) in a minimum amount of \$50,000, or such greater amount required by Robinson, to secure Carrier's liability to carriers it engages. Carrier further acknowledges and agrees that Robinson may, in its sole discretion, withhold payment to Carrier and make payment directly to carriers it engages.

18. COMMUNICATIONS AND CONFIDENTIALITY

a. Carrier and Robinson shall endeavor to communicate by the most effective and efficient means to exchange information, including instructions, rates, equipment, shipment location, and other information helpful or necessary to achieve the intentions of the Parties herein. Such communications and information transmission presently includes telephone, telecopier, software, e-mail, internet, electronic data interchange, satellite, and information received from third parties (including affiliates of Robinson, outside billing companies and freight payment entities), but this is not intended to be limiting the manner of future communications as they develop.

b. All information furnished by one Party to the other in the course of performing work or rendering services under this Contract shall be deemed to be the confidential and proprietary information

Apr 30 13 01:35p

Rheas Trans Inc

19164277911

p.11

CHR ID T5186746

of the disclosing Party and/or its customers. The Party receiving information agrees not to disclose any such information unless required to do so by order of court or other legally constituted tribunal, nor to use such information other than in performance of work and/or services under this Contract. Carrier agrees not to use Robinson or Robinson's customers' names for promotional or other purposes without prior written consent.

19. ASSIGNMENT

Neither party shall assign this Contract or any rights hereunder without the prior written consent of the other party, except that Robinson may assign this Contract to any of its parent, subsidiary or related companies, or to any surviving company in a merger or acquisition. Any assignment made pursuant to this paragraph shall be binding upon all assigns, heirs, and successors of the assigning party.

20. NOTICES

Except for regular business communications which may be transmitted through procedures established by agreement or acquiescence, all notices made hereunder shall be provided in writing and delivered by telecopier, certified mail, or overnight courier. Notices transmitted by telecopier shall be deemed received as of the date and time of confirmation printed by sender's machine. Notices transmitted by certified mail or overnight courier shall be deemed received as of the date and time signed for by recipient. Notices shall be addressed to the respective parties as set forth above.

21. FORCE MAJEURE

Neither Robinson nor Carrier shall be liable for any delay in the performance of their respective obligations under this Contract resulting from any force majeure, including, but not limited to, acts of God, acts of government or other civil or military authorities, acts of terror, war or riots. Whenever possible, in the event of a force majeure, the affected party shall promptly notify the other party in writing, stating the reasons for the inability to comply with the provisions of this Contract, and the expected duration of the force majeure.

22. NO LIEN

Carrier shall have no lien, and hereby expressly waives its right to any lien on any cargo, freight, or property of Robinson or any of its customers, consignors or consignees.

23. ENTIRE AGREEMENT

This Contract constitutes the entire agreement and understanding between the parties and supersedes any and all prior agreements and understanding, either oral or written.

24. EXECUTION

This Contract may be executed in one or more counterparts and each such counterpart shall, for all purposes, be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

25. FEES

In the event either party incurs attorney/lawyers fees, costs, or expenses in enforcing any of the provisions of this Contract, or in exercising any right or remedy arising out of any breach of this Contract by the

PS

p.9

CHR ID T5186746

other party, the prevailing party shall be entitled to receive attorney/lawyers fees, costs and expenses from the other party.

26. CHOICE OF LAW

The Parties agree that this Contract shall be governed by, construed and enforced in accordance with the laws of the State of Minnesota, or, to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, by the Province of Ontario and the Federal laws of Canada applicable within. The parties further agree that all disputes arising under this Contract may be submitted to the jurisdiction of the State or Federal Courts within the State or District of Minnesota or Illinois, or, to the extent that Carrier performs services pursuant to this Contract within, or to or from Canada, to the Province of Ontario or the Federal Courts of Canada.

The parties hereto have specifically requested that this agreement be drawn up in the English language only. Les parties aux présentes ont spécifiquement requis que la présente Convention soit rédigée seulement en langue anglaise.

27. MODIFICATIONS TO CONTRACT

With the exception of additional operational requirement and/or shipping instructions set forth in the Confirmation and/or associated written instruction issued by Robinson, no modification of this Contract and waiver of any of its terms shall be valid or binding unless made in a writing duly executed by the authorized representatives of both parties.

28. SEVERABILITY

If any provision of this Contract held to be invalid under the laws of the Federal government, any State, Province, Territory, Municipality or any other jurisdiction having authority, such provision will be deemed to have no effect but all other provisions of this Contract shall remain in full force and effect.

29. WAIVER

The Parties have entered into this Contract pursuant to 49 U.S.C. § 14101(b) for the purpose of providing and receiving transportation services under the rates and conditions set forth in this contract. The Parties expressly waive any and all rights and remedies permitted to be waived under the Interstate Commerce Commission Termination Act, to the extent that such rights and remedies are inconsistent with any of the provisions of this Contract.
